Papal Program Influences Artists Meeting at Marian

“Give the truth of art and the true art,” the central message of the art program of Pope Pius XII, summarises the theme of the Catholic Art Association regional meeting at Marian College Dec. 22. The gallery of contemporary art masterpieces assembled for the meeting will be exhibited in the campus art gallery until Jan. 14.

Following the Missa Recitata, the principal address was given. The opening invocation was made by Archbishop Paul C. Schulte and welcoming address by Father Reins, college president.

Regional Director Presents Theme

Father O'Flaherty, S.P., St. Mary-of-the-Woods, incited the East Central Region of the C.A.A., presented the theme: “The Holy Father’s Program for Art in the Restoration of All Things in Christ.” She linked it with the Pope’s Crusade for a Better World, a movement organized in 1952.

Panel and group discussions treated the application and means of implementing the program in the Christian family, youth groups, college and professional circles, and among the clergy and seminarians.

Art Processes Demonstrated

Demonstrations were given in children’s art, lettering, silver metal chasing, and cartoon process book production. The latter was conducted by Sister M. Dobritz, art instructor of Marlan.

Professionally produced religious art, including prints, small paintings, sculpture, hand-woven, etching, and crucifixes were sold or exhibited as samples to be produced on order.

General chairman for the meeting, which drew delegates from Kentucky, Indiana, and Illinois, was Sister Mary Jane, head of Marian college art department.

Parents-Friends Plan

January Card Party

The Parents and Friends Association, at the combined meeting and Christmas party Dec. 19, set Jan. 10 as a tentative date for their Feb. 18 assembly, ask the gypsies to build the stage, hang the decorations, and provide the audience.

The play concerned a group of gypsies who stop to rest for the night. The people, the town played by the students attending the assembly, ask the gypsies to play for them.

The resulting play-within-a-play tells the age-old story of the Nativity. The warmth of the gypsy folk and their homespun music makes the play a lively up-to-date retelling of the Christmas mystery.

Plans Constitution

With George Delbert presiding as temporary chairman, the first meeting of the brand new Lettermen's club got underway Dec. 1. Mike Kramer was elected chairman of the club and Harry Sheehy was voted in as secretary.

Eligible to join the new organization are all Marian men who receive athletic award monograms.

Eight new members are listed for scroll stumping a worthwhile constitution. Similar clubs at other colleges are being contacted in order to obtain information regarding the make-up of a constitution.

The Lettermen's club's first regular meeting was Dec. 10, but already they are performing a needed service by undertaking the sale of season tickets for the home basketball games.

Dept' Rents Gyms For Home Games

Arrangements were made for the rental of the gym by the athletic department, to get the renting of suitable gyms for the future games is not yet complete.

**Women in Sports**

by Dorothy Baird

Wonders will never cease! Not only do we have intramural sports at Marian, but now men and women are competing against each other in swimming meets.

The swimming meet which took place Dec. 11, was a pleasure to witness. Many lengths were accomplished by Fr. Striether in the 200 yard free style swim, against Jim McLaughlin. Final score was 50-12, favor of the men.

Helping build the women's record were Joan Friday, Alice Haskworth, Evelyn Linde, Kathy Kichels, Dorothy Vandenbush, and Aunt Vivian.

Men participating were: Harry Redd, Bernie Stehman, Terri McDonough, Jim McLaughlin, John Laughlin, and Bob Wystrop.

This meet determined the likely participants in events scheduled for after Christmas.

The basketball team suffered its first defeat against Indiana Central, but the reason that there had been only two practices, it was a hard fought game. Final score was 31-25 in favor of Indiana Central.

With the help of Linda O'Brien's, incredible amount shots, Jane Chen's height, and the wise crashes of Ritch with Marsh, the team should win a few games. Not only do they have the last year's competent players, but also a growing number of freshmen have joined the squad. Now all they need are more uniformed, according to Mrs. Glenn. A definite schedule has not been acquired, but games will be played in the Christmas vacation. Probable teams are: Indiana university, St. Mary-of-the-Woods, Indiana State Normal, Terre Haute college, and Indiana Central.

**What's the Score?**

This column is completely different from the one I had planned to hand in. I had a really hot one. So hot in fact that I had to write it on one column. But that when I showed it to our sports editor he didn't have a column for it. So I went ahead and wrote a new one in favor of Indiana Central. But considering that there was 31-23 in favor of Indiana Central, but now men and women are competing against each other in swimming meets.

But as I said, my ideas have so radically changed that if my first one had been printed I would be a liar. What changed my little mind was the fine showing our men made against Indiana Central. True we were beaten and true, also, we never had a chance, hardly, much, at all, that is. But they still gave me and the fans the thrill of a lifetime by the smooth way they worked the ball.

It took two humiliations, 106-54 Villa Madonna and 106-47 Bellarmine, to show them (the team) that this was the game. In the return game with Villa Madonna, Villa knew they were playing a ball game. Final score was 81-70.

And then there's Manchester. We were beaten by only 11 points, it was 65-56 Manchester. Boehm was high with 20. Now if we continue to improve as we have improved I can see no reason why we can't at least win a couple of games.

So-o-o-o into the wastebasket goes the first column full of snide remarks and cryptic comments and in its place goes the one that says "KEEP IT UP.

And they can keep it up. Here's why. Never have I seen such a ball-handler as George Delbert. It was remarked by the coach at Taylor that "That 22 (DeHart) is one of the best players I have ever seen." Charlie Beokey, the big lug, is always there for a few timely points and mixing it up thoroughly. Jim Riley (No. 11) can often be seen moving in for a lay-up and Raters is good for a few rebounds and maybe a few points here and there. "Big George" Waging, though not so big, is good on rebounds.

Besides these five, Mr. Seyfried can floor a number of good players. He has Jim O'Donnell, Al Reeves, Jerry Obergfell, Jack Kane, Jimmy Riley, Joe Brosnan, Don Hahn, and Tony Giordano to call on at all times.

As the season progresses and the fellows get more used to playing together, you will all be shocked at the results.

We (gasp) have an addition to our schedule. We have added St. Joe to our (chute). We play them Jan. 19 at home and Feb. 3 there (ohh). And lastly but not leastly (1) here is how the men stack up scoring wise for the first five games.
