The ball, which is not a ballroom dance, gives everyone a chance to display his art work in the form of costume. Those with imagination and time will find the event a satisfying one. Prizes for the most original costume will be awarded.

Mary Ethigora and Shirley Martin have been selected as chairman for the event while Jane Johnson and Ann Sivon lead the decorations committee. Purchase of tickets will be handled by Jim Johnson, tickets by Dorothy Basinski, and refreshments by Mike Thompson.

Council Reminds Clubs of Purpose

Representatives from 17 campus clubs, activities, and movements attended an inter-church council meeting called by the NFCCS to delegate and effect inter-church councils.

Club presidents were reminded of their obligation to live up to this purpose for which their organization was set up and approved. A program of action and a monthly meeting are required to keep the clubs in contact with the Student Council.

At the close of the year, presidents are to file their minutes with the council chairman and make a final statement with the college’s Business Office. All inactive or non-managed clubs are next to Board set aside.
