College Music Department

Receives $10,000 Grant

The Arthur Jordan Foundation awarded $10,000 to the college music department, Mar. 25, to assist in its program of expansion. This amount according to Sister Vivien Rose, department chairman, is tagged for the priority need. The instrumental division of the department has this year experienced not only a significant increase in private students, but the introduction of class work in piano for students as the elementary teachers-preparation program. Instruction for elementary school children has also been extended and an instructor, Miss Diane Markley, added for this purpose.

Established in 1928 by Arthur Jordan, Indiana philanthropist and financier, the foundation has among its purposes: social advancement and the promotion of music and the arts in Indiana.

Butler University’s Arthur Jordan Memorial Hall and the former Arthur Jordan Conservatory are tributes to the founder’s interest in education. He established the conservatory in 1928, combining the Metropolitan School of Music and the Indiana College of Music and Fine Arts.

Announcement of the grant was made by Mr. Benry W. Johnson, Jr., chairman of the Foundation’s board of trustees and transmitted to Monsignor Reine by Mr. Gerald M. Carrier, executive secretary.

O’Neill’s Tragic ‘Journey’

Keeps Emotions at Peak

Long Day’s Journey into Night, one of the latest and most widely acclaimed dramas of Eugene O’Neill, will be presented at Marian Apr. 9 and 10, at 8 p.m.

A prototypical drama of the emotionally charged life of the Tyrone family. Love and hate alternate as the characters display the neuroses, sensitive, artistic personalities.

Hailed as an extraordinary psychological penetration into the lives of emotionally stressed individuals, Long Day’s Journey into Night is a dramatic achievement of undisputed merit.

The cast includes: Mary Cronin as Egelant外来; John Yonkman as the host school conducting; Marie Brendan, S.P. St. Mary-of-the-Woods; Sister Vivian Rose, co-director, Marian.

The play, a remarkable achievement in the film version, is a production of such depth and emotional intensity that Marian attendance should set new records.

President’s Cruise Reaches Mid-mark

Aboard the S.S. Hanseatic, Monsignor Reine is on a 12-day cruise of the Caribbean. The 3,000-ton ship departed from Port Everglades, Fla., Mar. 25 and will dock there Apr. 6.

Points of special interest on the trip are: Curacao, La Guanica, Kingston, Grenada, Guadeloupe, Saint Thomas, and San Juan.

Mr. Moss’ presentations at the convention, as this is his first trip to the Caribbean, Monsignor Reine stated before departure, he was “looking forward to it.”

He is an official member of the ship’s crew, serving as chaplain for the 760 passengers on board.

Groundbreaking Ceremony Begins New Construction

Excavation is yielding to foundations on the site, the second wing and central lobby of the Men’s Residence Hall. This additional wing will increase campus housing to accommodate the rapid growth of the student body. The three-wing structure will serve as the core of the college. Work was formally begun with the Mar. 15 ground breaking ceremony.

The new three-story wing of the Hall will have an exterior of Indiana limestone. The stairway lounge will be of Indiana limestone. In addition to complete dormitory facilities, interior plans call for a lounge, office, large double and single resident rooms, plus a suite of rooms for the resident director.

Addressing those present for the occasion, Monsignor Reine said: “We are very happy today to be taking another step in our plans for the expansion of Marian College. This addition to our residence facilities is made necessary by the large number of applications received for next year. As a matter of fact, every year this addition, we face the necessity of rejecting a number of freshmen whom we can accept. We are establishing a deadline of June 1 for the completion of applications by Indianapolis area students.”

First Excavators and Witnesses for the new dorm wing are: Fr. Paul Dooley, Mr. Paul G. Fink, assistant head; Sr. Mary Avril, MgR; Sister Vivien Rose; Sr. Mary McCarthy; and students. Dismay mounts as Kathleen McCarthy (Mary Tyrone) forgets herself and reveals secrets of days long-past to the Tyrone family, Pa’ Welhe, Jack O’Hara, and Gleen Richards.

First Excavators and Witnesses for the new dorm wing are: Fr. Paul Dooley, Mr. Paul G. Fink, assistant head; Sr. Mary Avril, MgR; Sister Vivien Rose; Sr. Mary McCarthy; and students.
Footnotes of Freedom March

Editor's Note: On Mar. 14 thirty Marian College students took part in a nonviolent protest for justice and freedom of speech at the State Capitol, in Madison. "I have no guilt," stated one of the students, "for I was merely doing my duty as a citizen of this great country." The demonstration drew much attention and support, and some of their comments on that historic event:

Mark Taylor, The presence of a northern freedom march in the battle-scarred South, despite the obvious resistance from both the southern states and the northern "guest." Although I'll never forget the eyes of the little girl who pressed her tiny, quicken to tears, many of the images of communism, of which we call our "youth", the solemn pledging of the open arms, the leading of the procession of Dr. Martin Luther King.

In the words of an old Negro woman, "Our sins is told, but our souls is rested.

Robert Kiefer: I am not sorry that I went down to Alabama to march for civil rights. I would go again without any hesita- tion. I will demonstrate and I will work for the rights of the Negro. I say this because I believe in justice and in the right of Negroes in Alabama, but in every state of the union, is being denied the rights of equal voting, equal jobs, equal wages.

... and this whole movement is one of non-violence. As one of the speakers said, the people preferred to come out of one's windows, and, not to kill, but not to stand there, we have come to "love the hell out of Alabamas."

Fesus Methods: Everyone has to be in- vested in the Civil Rights Movement. Not only because this movement is the means by which the segregated groups hope to end the persecution and to bring the untold numbers of students to donate blood for the replenishment of blood that has been, or will be used by the parents of Marian students. Donations designated for this purpose may be made at any local hospital.

Are Catholic Schools Really Necessary?

The leaders of the fight for federal aid are the Catholics. We are in reality the only ones able to lead the fight; we have the schools system, but it is already advanced, which is a giant step, and we have the manpower, our concern and our need. As Father Pete says, non-Catholic schools are the framework of free- masonry, but it is the Catholic system that must stand up and be counted.

Next year a new group of seniors will face

the amount of ground to be

covered. This includes the gathering of materials — notes, books, outline series, which many seniors used — and the ar-

ranging of the material into some kind of perspective.

Two Review. This can be done by out-

lining and restating the major ideas, as

they authors, biological systems, historical dates, and principles, their particular characteristics.

Three. Many seniors found study ses-

sions among themselves quite helpful. This
gave the opportunity to compare notes and
to discuss various plans which may not

have been clear. However digression from

the matter at hand can waste valuable time.

Four. Practice writing essays and con-

cences. 

One. What does this new lounge mean?

Try to envision the

answer and outline briefly. In your mind or on paper, consider the topic where you want to begin, where you want to go, how you want to get there.

March and April, the traditional heralds of spring, mark the arrival of new opportunity for all Marian seniors. For these students, now fulfilling the requirements of the Marian College curriculum, the challenge lies in finding a meaningful and lasting experience.

Married Students Organize Constitution Gains Approval

With the growth and expansion of Marian College in recent years has come an increasing number of full-time adult and married students. In this year's organized Student Board, the representative of married students, suggestions of goals and activities were present and incorporated into a constitution.

Married Students Organize Constitution Gains Approval

with the growth and expansion of Marian College in recent years has come an increasing number of full-time adult and married students. In this year's organized Student Board, the representative of married students, suggestions of goals and activities were present and incorporated into a constitution.

Some of the goals of the new organization are: continuing to meet particular needs of the adult student body, granting for use of certain campus recreational facilities, arrangements for retreats for married couples, and possibly financial arrangements for payment of tuition. In addition, the group, at its preliminary meeting, expressed a desire to hold an annual dance.

Officers will be elected shortly, and their duties will be similar to those of officers of the other junior associations. The constitution was first conceived last semester and is now beginning to take shape.

Student Board Launches $1000 Project in Lounge

With the objective of abating better recreation facilities for Marian students, the Student Board has initiated a long-range renovation program for the mixed lounge. The lounge, traditionally responsible for the upkeep of the lounge, appropriated $1,000 for the project.

Joe Richter, Student Board treasurer, is chairman of the re-decoration committee appointed by the Board.

neat is the partitioning of a television room, adjacent to the lounge. Plans for the color nonnalized partitions call for planters along the lounge, seating the grill work. The committee reports that the expense of the center partitions and planters is to be half the initial allotment.

Juniors associations will begin at 10:30 a.m., following a coffee hour. Senior Association meeting, beginning with Monsignor Doyle will be Mr. Robert K. West of St. Joseph's College, discussing "Contemporary German Socialism." The Junior Association will hear prizes contributed by philosophy students. In conjunction with the noon luncheon, prizes will be awarded and a business meeting conducted.

The conference will end with the Junior Association afternoon meeting, the "Aesthetics of Paul Tillich." by E. D. T. Clayson.
**SPORTS**

**SUGARS EYE INTRAMURAL TOWN AFT'ER WIN STREAK BREAKS**

by Jim Alley

With spring finally here and the small number of action remaining in Marian's long intramural tennis season, the league has taken on definite form as its final outcome. The Whitaker team has employed the balanced scoring of Tom Cardis, Tom Commerford, and Tom Deal to lead the Vets their first defeat of the season, Sunday, March 12, by a score of 6-24.

This left the Sugars as the only undefeated team in the league. They had won easier in the day over the Manuah Mixers, and appear to have all but clinched a share of the title. Their remaining stumbling-block should be the once-beaten Vets in the first game.

In other games of the day, Jack Kaeling led the Finks to an upset over the Old Dogs. The win brought the second win of the year for the Finks and the hot shot from the Aces Full was too much for the Terrors. In the contest with Butler on Monday, the Marian Maid clipped from a 21-18 lead at half-time to lose the final quarter 28-26. The Marian Maid lost through the strength of the Finks' Smirnoff freshmen evening, but will be unable to do so this time. Whether or not a coach is hired this year will be decided upon the efforts of the 12 men now working for their team management, and the 300 or so others who could be. Student support could help alleviate this problem. At present, students are more interested in knowing who owns the switchboard races on Field Day, rather than who is on the track team. A little interest, a lot of encouragement could boost track to its proper place in Marian's athletic curriculum.

**LETTERMEN SET GOLF HOPES**

Three former Most Valuable Players, John Carr, Paul Dynes, and Mike Leonard, highlight the Marian golf team for this season. Other returnees are Chris Mahel and Frank Sekula.

This year's schedule is as follows:

**APRIL 2—Rose Poly Here**

**April 9—Indiana Cent. Here**

**April 16—Earhart Here**

**April 20—Indiana Cont. Here**
