The National Commission on Education for Vocational Education, which has been empowered by the U. S. Department of Health, Education, and Welfare to develop national standards for vocational education, has approved Marian's program for Leadership in Education and Community Welfare. The program, which was presented to the Commission at the December meeting in Washington, D.C., is designed to prepare students for leadership roles in education and community welfare. The program includes two years of study, followed by two years of supervised field experience, culminating in a thesis or research project. The program is open to students who have completed two years of college and have demonstrated a commitment to leadership in education and community welfare.

Marian Has Earned a Number of Recognitions

For several years, Marian has been recognized for its commitment to leadership in education and community welfare. In 1963, Marian was awarded the National Catholic Educational Association's Award for Excellence in Secondary Education. In 1964, Marian was selected as one of the 100 best high schools in the country by the U.S. News & World Report. In 1965, Marian was chosen as one of the 100 most outstanding high schools in the country by the National Association of Secondary School Principals.

Marian's Commitment to Leadership in Education and Community Welfare

Marian College, Indianapolis, is committed to preparing students for leadership roles in education and community welfare. Freshmen Have Leadership Plus

This year's freshman class has proven to be one of the most outstanding that Marian has known. A certain spirit seems to be prevalent in the group, a spirit that makes for noticeable on Field Day when they developed a sense of responsibility and are able to get things done. This quality was especially evident in the way these freshmen worked together with the sophomores, organized and planned the Student Day.

Along with these leadership qualities, the freshmen have imagination and initiative. The campaign for president of the class was one of the most colorful and creative that Marian has seen. One of the candidates even brought out his own hand to help with the planning.

Imagination and initiative were also evident in their Homecoming float which received an "honorable mention" award. Freshmen have acted in a way that is counter to the expectations of the diocesan weekly in this area.

The planning and organizing of the cornerstone-laying ceremony was an especially noteworthy example of what these two are doing.

We would like to express our thanks to Mr. Anderson and Miss Hensley for a job well done this year.

**Baseball Squad Finishes Season**

**With 2-12**

The Knights closed out their 1964 baseball season last week by losing their final game to Franklin, 16-4. The team record now stands 2-12 for the year.

The diamond agout picked up its twin wins against Rose Poly and Eastlake, but the rest of the season was governed by太多our for our Knights who were plagued by poor batting and errors. The team moreover committed a total of 44 errors.

Jack Saling captured the Marion batting crown this time tallying a .415 average. Chuck Federle followed next in the running-up spot with a .302. Last year’s hitting champ, Harry Sanders, wound up second (.273). Jack also led the team in RBIs with 14 for his credit.

Pitching honors for the Knights’ two victors were shared by Chuck Federle and Harry Sanders. Chuck notched a 1-6 record and Harry a 1-5.

Other players on the Marion baseball team were: Tom Abej, Tony Antzinos, Tom Bubb, Chuck Federle, Frank Corn, Jim Chane, Gregg Dwyer, John Ford, Mike Griffen, Ken Loffing, Rick Malad, Ron Strange, and Lanny Wernke.
