Friends, Some thoughts on Homecoming and Thanksgiving

Homecoming is not just a return to the house of your parents, though it certainly can involve that. Homecoming is not just returning to your school to find old friends and remember the good times.

Homecoming happens...

It is reaching out to a friend and being reached, so that you both can snuggle down like sparrows into each other's care and understanding...

It is being tired and sore after a long journey and many struggles, then finding a place that you always knew existed but didn't always believe, where your wounds are healed, your strength renewed...

It is welcoming yourself, complete with all your limitations and your talents, your virtues and your sins... being comfortable with yourself, loving yourself wholesomely.

But most of all, Homecoming is return to God, the Father-Mother-Brother-Friend-King in the Heavenly Home prepared for us.

Because we are human, not all our homecomings will be happy ones. But no matter how disappointing or painful they become, remember God's Promised Home.

For it is only in anticipation of that Homecoming Day, that we can sing, praise, and give thanks.

Peace, Deb Sears

SPORT'S HUDDLE by Jeff Hood

Yes, another year of basketball is under way at Marian College as Coach John Grimes heads some new faces starting in his sixth year as head coach. This year’s squad only sports one senior face in lumberman Paul Hensel, 6’ 7”, out of Carmel (University) High School. One really can’t say this is a rebuilding year with the return of 6-8 Junior Brian Avery out of LaPorte and Junior Brian (Barney) Feldman, 6-3 from Indianapolis Roncalli. Both of these young men saw extensive action for the Knights last year and bring back to the squad some valuable experience. At a swingman, 6-2 sophomore Chris Craney should provide some scoring punch when needed. Given the opportunity, this Barr-Reeve graduate can ice nearly any opponent. Returning in the back court this season, we see the likes of sophomore Chris Marshall, 6-0 Crothersville graduate, sophomore Tom Linkmeyer, 5-10 out of South Ripley; junior Matt Boyle, 6-0 out of Scecina recovering from a knee injury that hampered him last year and Richard Peak, 5-5 from Shave Memorial. Three other juniors expected to see some action this season include Geoff Bradley, 6-0 out of Avon; John Greaney, 6-2 from Mater Dei in Evansville; and Ron Cripe, 6-8 from Benton Central. Freshmen include 6-1 Joe Rosswwm out of Bishop Dwenger who has thus far seen extensive action for the Knights; Brian Shera, 6-3 Laurel High School; 6-6 Tom Dalton from Chrysler High School; 6-1 Kirk Hamilton out of Lafayette Central Catholic and John Yaggi, 6-2 from Cannelton High school complete the 16-man roster.

Assistant coaches include Mike Henderson and Gary Wever. Managers are Tom Zobel and John Greenlee.

The Knights opened up last Saturday against St. Francis. Freshman guard Joe Rosswwm paced the Knights with 23 points, 4 caroms, and 2 assists. “Ross” shot 7 of 8 from the field, and 9 of 12 from the line. Feldman canned 6 of 14 from the field and 1 of 2 from the charity stripe for a total of 13 points and 4 boards also. Brian Avery led all rebounders with 11. The scoring results follow: Rosswwm-23; Feldman—13; Linkmeyer—8; Dalton—8; Craney—6; Avery—6; Hensel—5; Marshall—4; Cripe—2. The final score was Marian—75, St. Francis—62.

Taking the 1-0 record on the road, the Knights were not unblemished for long. The team suffered its first defeat to Marion. Big Brian Avery led Marian with 12 points. “Ave” was 6 for 12 from the field and had 4 caroms. Once again, Rosswwm was in double digits, tallying 11 points and a game high 8 rebounds. Feldman chipped in at 8 points. The scoring results follow: Avery—12; Rosswwm—11; Feldman—8;
CONTINUED FROM PAGE FOUR

(Scoring results) Cripe—7; Linkmeyer—6; Dalton—6; Craney—6; Hensel—4; Bradley—3; Marshall—2.

The final score was Marion—81, Marian—65.

The Knights will play Saturday at 2:00 pm following the reserve game which begins at 12:00. Goshen will be in town as Homecoming activities come to a climax. Coach Gary Weber's squad recorded their first victory this past Wednesday, whipping Marion's reserves. John Yaggi paced the Marian reserve team with 20 points. Boyle and Peak each scored 17.

DAYS OF OUR KNIGHT LIFE  by Linda Kuper

Homecoming week is almost behind us for another year and it is time to prepare for our next vacation -- Thanksgiving. The semester is 3/4 of the way finished and Turkey Day is our last rest before finals week pours in.

Here at Marian we usually count the weeks until fall break but Thanksgiving usually comes before we are ready for it. This is the time when we know we have to do our semester term papers and projects and can't put them off any longer like we did during fall break. Also, many of us realize that we did not keep up our vow to "lose 10 pounds for Thanksgiving" and cringe at the thought of not reaching our goal weight for Christmas! Thanksgiving also starts off the beginning of Christmas shopping and many of us have forgotten to budget extra money for gifts.

A though Thanksgiving is a hectic time of the year, it also is a time for gluttony and families. Right now I can almost smell Mom's delicious meal of a 20 lb. turkey with rich dressing oozing with thick golden brown gravy. When Dad carves the juicy bird my mouth waters at the buttery flavoring of each slice distributed on our plates. Along with the turkey, fresh cranberries are always appetizing with garden vegetables steamed to perfection.

After everyone has had seconds, thirds, and fifths on dinner, my favorite of hot pumpkin pie with smooth whipped cream slowly melting on top is served. After dinner, it takes our family an hour just to get up from the table. We usually spend the rest of the day watching football games or parades on TV or gathering around the fireplace toasting marshmallows. If it is a nice day we may get a football game together ourselves to enjoy the crisp fall air.

No matter what you do on Thanksgiving, remember that the day is designated to give thanks for all we have. We take a lot of things for granted but we should give thanks for these reasons:

1. We are fortunate enough to be at Marian College.
2. We have delicious food in the cafe.
3. We have a great basketball team.
4. We have great teachers always willing to help us.
5. We have many exciting things to do on campus.

If you disagree with some of those things to be thankful for (although I can't imagine why) -- There is one thing we should all keep in mind ....... at least you aren't the turkey to be carved at someone's Thanksgiving meal !!!!!!!!!!!!!

HAVE YOU CHECKED YOUR CALENDAR???

December is quickly approaching. That means studying for exams, Christmas shopping, packing for home, baking cookies, putting up the tree, and cleaning the house for company. December is a month of preparing for Christmas. The four weeks before Christmas are a special time of preparation for Christians everywhere. During this season of Advent a number of special celebrations will be taking place to help us prepare for the birth of Jesus.

Nov. 30 (Mon.) VESPERS PRAYER SERVICE - 9:00 pm in the chapel. Because the Marian Community will not be together for the Sunday Liturgy, we will celebrate the beginning of Advent at this informal evening prayer service.

Dec. 3 (Thurs.) - PENANCE SERVICE --- 9:00 pm in the chapel. This is an opportunity to experience the Father’s forgiveness with the community and receive the Sacrament of Reconciliation (formerly known as penance) through private confession.

Dec. 7 (Mon.) VESPERS PRAYER SERVICE 9:00 pm in the Chapel

Dec. 8 (Tues.) FEAST OF THE IMMACULATE CONCEPTION - All-school Mass 11:15 in the Chapel

This is the patronal feast of Marian College and the United States. It is also a holy day of obligation.

Dec. 14 (MON) VESPERS -- 9:00 pm in the Chapel

There is also an informal shared prayer group meeting on Thursday nights at 8 o’clock in the Campus Ministry Center. All of these special activities are in addition to our Sunday and weekday Liturgies. They have been planned for you by your fellow students. EVERYONE IS WELCOME. December is a busy time. Plan now to attend.
