Recently I attended a student-administration meeting and the following changes will be made as of this Thursday.

Visitation will be open at all times and each resident hall will become co-ed. Also, twelve new sororities and fraternities will be built on the south side of the campus complete with open bars in the lounge. The alcohol policy has been revised and will be permitted on campus as well as in the dorm rooms and cafeteria.

The cafeteria, renamed as the Dining room will feature hors doineses, fresh seafood flown in daily, and gourmet desserts. Dining will take place on the terrace overlooking the ocean view adjacent to the campus. Champagne breakfasts will be offered every morning and room service is available for those who do not wish to dine in the cafeteria.

An olympic-size swimming pool will be built accompanied by raquetball courts and whirlpool facilities. A complete football, baseball and basketball stadium is under construction where college as well as pro games will be held. New tennis and golf facilities will be added and are the sites of the next U.S. Open. Hockey and Lacrosse will be organized inter-collegiately as well as intramurally.

For the benefit of the small percentage of students who do not have cars, Mercedes 450SL's, Porsche 928's, and Ferrarri's will be available at your convenience to go anywhere within the continental U.S. or Canada. Also, for students who enjoy travelling, social planning will be sponsoring an all expense paid trip to Hawaii. Rock Concerts will be held every weekend in Marian Hall featuring Journey, REO, Commodores, Rick Springfield and the Beatles. Admission is free when you show your Marian College I.D. Sign up in the Student Board Room if you are interested.

By the request of the majority of students, classes will be cancelled and you are free to leave at your convenience. However, you will still be given full credit and receive an "A" for that class. Anyone wishing to graduate in May with a PhD in your desired major regardless of how many hours you have should sign up and be measured for a cap and gown.

Finally, at the meeting it was strongly advised that all students read the "Days of our Knight Life" column in today's CARBON to be informed that you must be on fantasy island if you believed what you have just read and that you are truly an early APRIL FOOL!!!!!!

Approximately 8 to 10 students are needed to accompany groups of children on the egg hunt. Also 2 or 3 egg hiders are needed. Denise Brennan
Alumni Director
Ed the Elder: This is worse than having ten overdue books at the library, Alice. My little brother is coming up this weekend for Little Brother and Sister weekend. But he wants to come on Saturday not Friday.

Alice: Why not?

Advice Ed: Can't miss his high school's freshman class 3-D movie night featuring "Green Slime in the Locker Room". It's about this gelatinous creature that has to eat basketball nets to survive and permanently incapacitates the players by disintegrating their wrist bones.

Alice: Too bad. He's going to miss coffee house sponsored by TAG and the Music Club.

Ed: What? Another Coffee House?

Alice: Sure. In the Knight's Cove Friday, March 26 from 8-12 p.m. They'll be loads of entertainment--more talent than the amount of dust in Clare Hall! There will be plenty of punch and popcorn too. That's especially important if your brother is the type who could eat one meal in the cafe and cause room and board rates to go up because he drained the ice cream machine.

Ed: He'll come now. I know he will. I bet he'll even like this better than "Battlestar Galactica".

CHRISTIAN PEACE-MAKING Lunch discussions will be held Thursday, Apr. 1 at 11:30 in the west dining room. The speaker will be Father Leopold Keffler, OFM from the Marian College Biology Dept. The topic will be "Nuclear Energy and Peacemaking". Bring your lunch. Everyone is welcome. Sponsored by Campus Ministry.

Student Board would like to thank Dean Woodman, Col. Wagner, Ken Elmendorf, Mike Henderson, Lou Schiesz, Clare Hall Board, Maintenance, and anyone connected in any way with making the game room proposal a reality!!!! Thus far the facility has been supported well by students. Thanks everyone for a job well-done!!!!!

YOUR HELPING HAND IS NEEDED!!!!

On Wednesday, March 24, there was an ecumenical prayer service in the Marian College Chapel commemorating the second anniversary of the martyrdom of Archbishop Oscar Romero, who was shot to death saying Mass in San Salvador. Archbishop Romero, like many, many other people in El Salvador, had been speaking out for the rights of the people against their oppressive government. The United States has been sending millions of dollars in military aid to that government, much of which is in turn used against their own people. Our government is currently training Salvadorian troops in Georgia so they can return to El Salvador and use their new techniques against their own people. Refugees from that country are being sent back when they reach our shores; sent back to probable persecution and death.

Church leaders of many religious groups are begging the superpowers of both the United States and the Soviet Union to stop sending military aid to El Salvador because it is used to accelerate the persecution and killing of thousands of innocent people. Concerned people throughout the United States are sending petitions to President Reagan to demand that our government stop aiding the military government of El Salvador. Your signature is needed on such a petition. There will be opportunity to sign such a petition during lunch and supper on Monday in the cafeteria. Please lend a helping hand. Sponsored by Campus Ministry.

We would like to thank the following people for their help with Monte Carlo night: Laura Burkhart, Lisa Graver, Deb Fischer, Kathy Molle, Mary Clouse, Paula Barrett, Pam Kieffer, Nancy Townsend. Also especially: Fr. Leopold, Denise Brennan, Dean Woodman, Mr. Elmendorf (what an auctioneer!), and last, but certainly not least, Dr. Appleby! Without your help, Monte Carlo Night couldn't have been the huge success that it was! Thanks!

This week has been a very busy week in the lives of the ivy leaf pledge club of Alpha Kappa Alpha Sorority incorporated. Besides academic studies, the ivy's had the pleasure of singing for the students at IUPUI, in the hallways, rec room and game room. This past Thursday the ivy's visited the Alpha home and served refreshments themed to St. Patrick's day. Remember if you pass an ivy in the hallways, buy a candy bar from a pledge.
