Laymen Join Trustees

The Marian College Board of Trustees has been increased by three members to include, for the first time in Marian's history, persons other than Sisters of St. Francis. 

Eight Reverend Raymond T. Bolster, editor of the Criterion and nationally known theologian, John J. Dillon, Attorney General of Indiana, and Frank J. Trav- eau, vice-president and director of the American United Life Insurance Company, were appointed to three-year terms. 

Mother Marie Dillhoff, O.S.F., said that the new appointments were made to strengthen the college's governing body during Marian's present expansion and development. She remarked that the new members will be able to give the college a fresh outlook and the benefit of the experience of lay persons. She also noted that the new arrangement, was prompted by recommendations of leading Catholic authorities on higher education. 

The new board members are: Mother Marie Dillhoff, Sister Mary Alfred, and Sister Mary Mark of Cincinnati; Sister Helen Reine, Mother Marie Dillhoff, Sister Helen Reine. Archbishop Paul Hinsley of Indianapolis, will officiate at the ceremony.

May Brings ‘500’, Plus ‘Racy Romp’, College Field Day

With the advent of May in Indiana, the excitement of the ’50’ and the Qualifications is now over only by the “Racy Romp” and Field Day. This year the Booster Club will present only the “Racy Romp” and Field Day. This year the Booster Club will present.

The program includes a meal and a variety of modern choral arrangements in which accompaniment will be played by Janet Koch.

Schools Given

Judy Peluso and Jack O'Hara, two of the Marian students listed in Who’s Who Among Students to American Colleges and Universities, are recipients of scholarships for advanced study. Marian's first winner of a Fulbright Scholarship, Judy will study Spanish at the University of Madrid during the 1967-68 academic year. The scholarship is a result of the Fulbright-Hays Act giving the students the opportunity to study abroad.

Jack O'Hara is the first Marian student to be awarded the highest theater scholarship in I.U. history. Jack has had leading roles in every Marian College Theater production since he was a Freshman and was Director and Producer of A Doctor from St. Francis this past year.

Overseas Awards

Marian students Sue Picker and Katherine Toth have both been awarded full scholarships to study Chinese Language Studies in Hawaii. Both scholarships are Domestic Board of the University of Hawaii.

The naming of Doyle Hall was initiated by editors and students at the flower festival and was supported by a majority of the student body. The decision was made to honor Monsignor Doyle, who has been a valuable member of the Marian community for over thirty years. He has been a member of the college more than Mon- signor Doyle. His contributions to the college have been significant, and we are honored to have him as a part of the Marian family.

Student Policies?

Should more academic majors be offered at Marian? Are more academic courses necessary? Is the present grading system the best possible?

One question has been discussed by the student government, the faculty council, and the Student-Teacher Educational Policy Committee. These committees have decided to seat two student members and have requested that the Student-Teacher Educational Policy Committee be interested in studying academic policy. Their curriculum and Educational Policy Committees. These committees deal in the academic area and frequently discuss similar problems. If this is done, nomination can be made from a list of the best students with candidates and allow examination of their aims and ideas.

"Campus promises" can be checked for validity. All Board members and candidates are open on questioning on duties and opinions at anytime. We elect the Board; whether not we represent us in the decisions.

Letters to the Editor

Dear Editors:

I heard a recent comment that the Phoenix was of no practical value. That it might be something just as well be dropped from the various columns, I feel, is a crime — that people cannot see the worth in the Phoenix.

This is, to me, a criticism of the staff, who don't see the need for a good three-year-old. Each publication on campus may have its own way of looking at things and eliminating any one would create a void in the student's total exposure in writing.

The Carson provides weekly coverage of campus activities, and campus controversies. The Phoenix offers the students with news coverage, features, and thoughtful editorials. Without the Phoenix, we would provide a medium of critical expression in short stories, poetry, essays, and other material. A certain faction of the student body is not represented in the Phoenix. It is a terrible loss to the school, to the students, and the Phoenix.

Creative literature, as well as other literature represented by the Carson, the Phoenix, and the Carson offers the students with news coverage, features, and thoughtful editorials. Without the Phoenix, we would provide a medium of critical expression in short stories, poetry, essays, and other material. A certain faction of the student body is not represented in the Phoenix. It is a terrible loss to the school, to the students, and the Phoenix.

Spring Epidemic Strikes Campus
by John Orlan

Having examined their patient carefully, Doctors Remmels and Davis nodded knowingly at another. One more case of spring fever. Something drastic would have to be done soon, or teachers would be encumbered with this new_pow

As a first attack on the annual problem, the doctors proposed a new measure that would be presented from sitting windows. Thus, defeat of this menace, this "sickly" recovery would be under control.

In addition, the second measure was an ordinance against step-stooling in the hopes of curbing after-dinner activities, one of the most serious symptoms of the malady.

In spite of efforts, however, the highly contagious disease would continue to show up as obvious in the hope of cooking after-dinner to eliminate the most serious symptoms of the malady. Further attempts to "break the mold" will be thankful.

Finally realizing that their efforts were futile, the dynamic duo, including Dr. Remmels and Davis, the Derby, victims of the fast-spreading malady.

Two things can be said for the musical "Showboat" which was produced at the King Center last weekend. First, Jerome Kern's "Showboat" is a show about the Negro Joe. Second, it has abundant drama. What was deficient about "Showboat" was "Showboat's" dealing with the Negro Joe. "Showboat," said the Negro Joe, "is a show about me, and I had a lot to say..."

"Showboat," however, did have some dramatic value. A sweet young damsel named, of all things, Magnolia, who was supposed to steal the show, did not do so. The show, in this case being a musical, was not autobiographical. The last lady to be mentioned, "Carmel," was the only one of the Negro Joe's characters that had a chance to sing. He said his lines nicely but seldom enough.

Track Knights Finish Schedule
by Mike Morley

The Knights of the Track closed their regular season with two recent meets, the DePauw Relays on April 13 and a tri-angle meet against Wabash and Franklin at Terre Haute on April 22. The season was not marked out by many wins but there were some bright spots for Marian. The lone senior on the squad, Jerry Traub, scored for Marian in the shot put and javelin. Chuck Smith of the faculty and Bill Lyons of the 30th Street Boys Home top the faculty groups will be playing a new look last week when softball opened the season. The team is now more than a faculty team and does happen on the diamond. One of the bright spots was winning a close game April 24, but April 19 they topped the net over C.F. I in a victory, and April 14 they topped the net over C.F. II in a sweep. Also on this earlier date the Journey defeated blood adenin in the 4th against S.E.R. (Self Excelled Relays). The Hoppin' Jacks weren't so happy when they lost to the Goobers and the Warriors served up the Leftovers. Everyone is out for the Blood and bones and all players and their coaches learned that conditions will match their armament.

The meeting was divided into two five-minute scores and totaled 16 goals for the Dirty Dozen. Bob Hammerle, who both served for years, and John Takach number 2, Bob Hammerle, and Mario Risas playing number 1, both had spectacular 3-hitter performances. The rest of the team traveled to Franklin, the next match was with Indiana Central and Normal Colleges in two very close matches. April 8 the team traveled to Franklin College to participate in a volleyball play day. The team won by 1 in 2, 1 in 3, and the Naval and the team won a point in their match against something else, April 24 the boys took a shot at C.F. I against G.PI. in a victory, and again the Volley Balls defeated G.P.I. The team was again defeated by Mainly Gym's Catahoula but that didn't bother Marian's Royals. The final results of the matches were: pro-set instead a normal-set. To date the team had lost 2 but 3 won. The team broke even. The next match again the Royals, and the Royals won the meet. Bob and Dan, playing together for the first time, made a fine attempt losing by 5-7, 7-5. With the performance of Tom Blanck the team's next home "game and the Dirty Dozen will return to the court to face the team. The team lost, Fr. Pat caught all but 2 innings, leads the team in runs scored. Steve Hynek (.233) leads the team in hitting and Bob Hammerle, who both served for years, and John Takach number 2, Bob Hammerle, and Mario Risas playing number 1, both had spectacular 3-hitter performances.

Marian will be represented at the Little State Track Meet on May 2, where the 40 relay team, Chuck Smith and Tony Hober. Coach Larry Bridges can look forward to the next week's meet, all of the team, with the exception of Tony Hober, will be back on the track for next year. The team is young and is learning the game as they go along, and they put up a good showing of the spring. The team is starting to put up a good showing. The team is starting to put up a good showing.
