Would you like to be an Entrepreneur?

Graduate and undergraduate students who think they would like careers as principals in fast growing businesses are invited to get information about the new Indianapolis Entrepreneurship Academy started at Indianapolis this year.

Only about forty total students from the five principal colleges in the greater Indianapolis area will be selected for the Academy's pilot program which is designed to encourage and develop the qualities that make a successful entrepreneur. Included in the program are academic counseling, internships, continuing contacts with professional entrepreneurs and activities to develop self-reliance, leadership and other qualities needed in developing new businesses.

An information meeting for those who are interested in the Academy will be held at 7:00 p.m. Monday, December 3, in the Auditorium of the A.U.L. Tower, One American Square, in downtown Indianapolis.

Information tables containing applications and explanatory brochures for the Academy have been placed in the Business Department, room 201.

The deadline for submission of applications is December 7, 1984. Interviewing of applicants will take place on December 8-9 and December 15-16.

THIS WEEK'S CHUCKLE

Only 24 more shopping days until Christmas!!!

Isn't it Christmas yet? Not that I'm ready for the holiday, I'm just ready for a vacation. Sure, I know, you're saying that I just recently returned from a five day vacation. But come on, what kind of Thanksgiving vacation did you really have? Did you really have a good time, see all your friends, and just generally laze around? I don't know about you but I didn't.

Almost as soon as I walked in the door, my mother had me working, preparing food for the big feast. Now that it's over and I'm back at school, I can relax by doing the homework that I didn't have time to do over break.

Just think, I'll bet you're a lot like me in that you don't want to see turkey ever again. After eating turkey for breakfast, lunch and dinner for a few days who would? It was almost as monotonous as the cafe menu.

'What did you do inbetween cooking and cleaning?', they ask. Well, that was the most excitement I've seen in a long time. I played 27 games of Yahtzee with my 11 year old sister! Oh boy, I can't even find that much excitement at Marian College. The excitement at home was too much for me so I came back to school on Saturday.

I'm dreaming of a LONG Christmas...
Hello Sports Fans! Marian's Men's Basketball team is really hot this year! The Knights now have two tournament wins and a super 6-2 record. Marian's cagers defeated Goshen 69-48 and Manchester 87-84 to take the Manchester tournament two weeks ago. They then went on to lose to Hanover and Tri-State.

The Knights bounced back Monday by defeating Franklin College in the Athletic Department Classic Basketball Tournament. Marian played an excellent game with Dave Mahurin leading the scoring with 26 points and leading in rebounds with 11. Tony Hines contributed greatly with 17 points and Mike McKenzie added 15. The Knights won the game by 12; 86-74. Their field goal percentage was 60% and they shot 67% from the line.

In Wednesday night's championship game against IUPUI our Knights brought home another trophy and another super victory. Dave Mahurin had another great game, scoring 18 points, grabbing 10 rebounds, and blocking 4 shots. Dave had plenty of help in scoring and rebounding from Tony Hines who scored 13 points and rebounded 8, Mike McKenzie who put in 10 points and grabbed 5 rebounds, Ron Wituski who contributed 9 points and had 1 rebound, Dave Twaits who scored 8 points and pulled down 9 rebounds, and Darren Fish who rounded out the scoring with 8 points and rebounded 6.

The Knights shot 43% from the field and 71% from the line. Marian heads to Upland this weekend for the Taylor tournament and meet Marion on the 5th at Marion. Keep up the good work guys!

Marian's Women's Basketball team won their season opener against Butler University Monday night 55-54. It wasn't a tremendous game, in fact, Marian's first game jitters were shining through loud and clear. Nevertheless, the Knights stayed in the game and pulled out a victory. The basket that put the Knights ahead came in the final seconds of play when Freshman Kim Hatton drove to the basket, dished the ball off to Senior Liz Gilmore, who put it in for two and clenched a Marian victory.

In Marian's match up against DePauw Wednesday night, the Knights again came out on top. This time the Knights won decidedly 77-41. Every member of the squad contributed to the victory in the scoring column with Freshman De Etta Million leading the way with 14. Julie Wilhoit put in 11, and Liz Gilmore had 9.

The Knights' game for Saturday against Tri-State has been cancelled. But Marian will resume play Tuesday at home when they meet St. Joseph's College.

Marian goes into the I.U.P.U.I. tourney December 7 and 8 where they will meet St. Mary's of Notre Dame and either Franklin or I.U.P.U.I.

(Ed. Note--Hey Jennice, watch out for that referee!)

It's tourney time! The championship games will be played Sunday and they're sure to be exciting. Cruel Bondage will meet the Weekend Warriors for the Championship and the Love Devils will meet the Blitz.

Here are the Final Standings before the tourney.

Men's 3 on 3 Basketball begins Monday so get your entries in. Also, Mr. Henderson is trying to get Women's Raquetball started. Let him know if you're interested.

(Ed. Note--There will be a MCAHPER meeting next week.)
Want to be an R.A.?

For the past two years, ED202, Student Development and Residence Life, has been taught in the fall as a required course for Resident Assistants. This year, the course will be offered during the first eight weeks of the Spring semester, 1985 to any student who would like to apply to become a Resident Assistant for the 1985-86 academic year. The course will be offered on Tuesday and Thursday from 3:00 p.m. - 4:00 p.m. for the period of January 15 through March 7, 1985. Students who complete the course will earn one hour of College credit; evaluation is on a pass or fail basis.

All students who are planning to apply for a Resident Assistant position for the 1985-86 school year should enroll in the course. Completion of the eight week course is required for selection as a Resident Assistant. At the conclusion of the course, students will be asked to complete an application and to formally apply for the position. Personal interviews and other traditional application procedures will occur in mid to late March. Final selection for the available positions will be made by April 1.

Additional information about the course, job responsibilities of Resident Assistants, applications procedures, etc. are available from the Student Services Office.

Lunch and Learn

This week there will be two Lunch and Learn sessions which are held in the West Dining Room. On Tuesday, December 4, the topic will be "Intimacy: Relationships, Dating and Marriage" which will be presented by Professor and Mrs. John Kremer of I.U.P.U. I.'s Psychology Department. On Thursday, December 6, Sr. Mary Carol Schroeder (a former chairperson of Marian's History Department) will speak on "Papua New Guinea: Ten Years after Independence." Both will be at 11:30 a.m. Everyone is welcome! Bring your lunch!

Carbon Staff, Anyone?

Anyone interested in being on Carbon Staff next semester, there will be a short meeting Tuesday night at 9:30 p.m. in the Clare Hall Lounge. Everyone is welcome.

Student Board Changes

The Student Board is considering changes, internal and external. Constitutional changes will be presented in January which are designed to make the Board more accountable to the college community, more goal-oriented, and a better vehicle for informing the students. We encourage you to make suggestions to us by personal contact or by attending the Board meetings on Tuesday nights at 9:15 p.m.

Withdrawing or Transfering?

If you are planning to withdraw or transfer from Marian College at the end of the current semester, please come to the Student Services Office, Room 111, Marian Hall after December 1, 1984 to complete official withdrawal procedures from the College. This will insure that the College is properly informed of your plans so that all student records and transcripts will be correctly processed. Thank you for your cooperation.

N.Y.S.A. Program Praised

Marian's National Youth Sports Program has received a top report from the national evaluator who visited campus during last summer's program. She cited the competent instructors, effective aides, strong curriculum and especially complimented Dr. Lynn Morrell and his staff for their outstanding work. "Congratulations again to a dedicated and competent staff whose efforts now represent gratifying achievement and success," she said.

Booster Club

Booster Club will be selling Homecoming Pictures on Monday and Tuesday at lunch and dinner. $1.50 for 1 or 4 for $5.00.

CLASSIFIED ADS

Would you like to buy a classified as to sell your books? Well, your in luck, the Carbon will be selling classifieds for a dollar an inch (six lines). Each line can contain up to 27 spaces. If you are interested, contact Laurie Cressy (ext. 540) or look for them to be sold in the cafeteria and in front of the auditorium on January 14-16.

CHRISTMAS MESSAGES

The Carbon will be selling Christmas Messages to be put in the December 14th paper. They will be sold December 3-4 at lunch and dinner. Messages will cost 5¢ a word or ten words for 40¢. Send one to each of your friends. It will thrill them to see their name in print!
A defense against cancer...

There is evidence that diet and cancer are related. Some foods may promote cancer, while others may protect you from it. Foods related to lowering the risk of cancer of the larynx and esophagus all have high amounts of carotene, a form of Vitamin A which is in cantaloupes, peaches, broccoli, spinach, all dark green leafy vegetables, sweet potatoes, carrots, pumpkin, winter squash, and tomatoes, citrus fruits and brussels sprouts.

Foods that may help reduce the risk of gastrointestinal and respiratory tract cancer are cabbage, broccoli, brussels sprouts, kohlrabi, cauliflower.

Fruits, vegetables and whole-grain cereals such as oatmeal, bran and wheat may help lower the risk of colorectal cancer. Foods high in fats, salt- or nitrate-cured foods such as ham, and fish and types of sausages smoked by traditional methods should be eaten in moderation.

Be moderate in consumption of alcohol also.

A good rule of thumb is cut down on fat and don't be fat. Weight reduction may lower cancer risk. Our 12 year study of nearly a million Americans uncovered high cancer risks particularly among people 40% or more overweight.

Now, more than ever, we know you can cook up your own defense against cancer.

No one faces cancer alone.
