If you let me talk in this circle long enough, I'm bound to get around to your point of view eventually. And I disagree on all of your points...but.....I guess your right.

Let's impeach the entire administration.

NOTICE
To: MARIAN INTELLIGENTIA

Due to popular demand, this week's Carbon presents its most popular features as its only feature. We realize that our readers are only interested in cartoons, the activities column, and the hisses and applauds column. Such meaty material as sports and editorials have been set aside this week in order for Marian intellectuals to focus their undivided attention on "things that count." Right on!

D. S.

CARBON HISSSES:
- honorary (ornery) degrees
- Brahmin tokenism
- no letters to the Carbon
- "Memory Books"
- papers
- all those funny-looking men wandering around campus (Oh, God: Not Presidential prospects??)
- runoffs for write-ins in C.H.

CARBON APPLAUDS:
- Peter Arnott's "Medea"
- Our cartoonist Kessler's and 7-Up
- Art Festival
- The Indiana Pacers
- one more "Fioretti" (it's coming)
- Men's Pantyhose

What do you people want good grammar or good minutes.

Let's get this damn meeting over with, I've got more important things to do. If I don't make my volleyball game in 15 minutes there's going to be hell to pay.

Well Glenno, this is a fine mess you've gotten us all into..... If I would have been the man behind the gavel none of this ever would have happened.

The Romans will give me 30 bucks for him, I wonder how much the administration will throw in.

I don't care if what any of you are saying is right I still don't agree. And I don't think I should be banned from the table either.
I think this entire cartoon is in bad taste, and I don't like being portrayed as a sexual undertone.

What is this:
Z-Z-Z-Z-Z-Z-Z
Z-Z-Z-Z-Z-Z-Z
Z-Z-Z-Z-Z

Z-Z-Z-Z-Z
Z-Z-Z-Z-Z
Z-Z-Z-Z-Z

How come John
Never put me in
this paper.

Oh BJ, come and
take me away from
this madness.
