EDITORIAL

As I'm sure every faithful reader of the Carbon has noticed, my literary contributions to this year's publications have been something less than prolific. For a long while, I was unable to pinpoint the catalyst which seemingly was usurping my desire to promulgate personal opinions. In a sudden flash of insight, however, the cause became glaringly obvious.

My literary technique, as evidenced in past issues of this noteworthy publication, has always been to attack (rare if you will) people, policies, situations, etc., with which I personally have taken exception. Excluding one singular incident early in the current semester, very little has occurred which I find offensive. With no blatantly "raggable" material in existence upon which to base my editorial (and I am a rag by nature), my quill was silenced.

Having finally deduced the cause behind my literary lethargy, I became even more distressed. With the wide variety of cultural, educational, philosophical, religious and moral backgrounds found on this campus, it seems incomprehensible that no one has done anything which I find repugnant. There appears to be two possible causes for this state of affairs: either I'm such an easy-going person that nothing bothers me, or nothing is really happening here at Marvin U. Following deep contemplation, I have settled upon the latter of these two choices.

Many people are probably quite content with the current atmosphere on campus; fortunately, I am not included in this number. I find a stagnant atmosphere increasingly oppressive, and am forced to seek diversion in more frequent forays past the friendly confines of Marvin. What has happened to the rowdy, crazy people that have made this campus livable the past four years? Academics are important, but after a certain point even academics become academic. Seniors, this may be your last shot. Next year you could be put in the big world struggling for that almighty dollar. Let's make the most of what's left.

Editor's note: For those of you who want to recapture some of the old craziness which existed during our freshman and sophomore years, check the Free Press. David Earl, I'm sure, will illuminate that path leading to hallucinogenic heaven.

Dear Fellow Students,

The Committee on Social Planning has set aside November 5, 6, and 7 as Parent's Weekend.

We have mailed invitations to everyone's parents and now are receiving replies from some parents who are coming.

We have tried to schedule a wide variety of events to interest all. Some of these include a Style Show by the Home Ec Dept., "Seascapes" presented by the Theater Dept. and an informal dance in Allison on Saturday night.

We ask you to encourage your parents to come. We believe it will be a good time for everyone. Any questions, please call me at 426.

Mary Arehart,
Chairman, Com. on Social Planning

ALPHA PHI OMEGA in conjunction with the Kidney Foundation is sponsoring an organ donor day this Friday, Oct. 22, (TODAY). If your life depended upon a heart or kidney transplant this is where it would come from. Donor cards will be distributed from the front of the Marian Hall Auditorium. The donor card when found on a person's body at time of death acts as a "pocket will". If you change your mind you can simply throw the card away and there is no longer an obligation on the donor.

YOUR BODY WILL NOT BE USED FOR ANA TOMICAL STUDY UNLESS YOU SPECIFY SO ON YOUR CARD.

Also, lollipops will be sold on Friday to aid the cost of research. Please help us for you may help yourself.

Crux Corner

The first game of the season pitted IAT against the truckers. Early in the game IAT gave up two pts. on a safety with Dan Holzhauer mishandling the ball. IAT then kicked off from their 20 yd. line. After 4 plays the truckers with Mike Back at QB threw an interception to Zidron who ran the ball back 98 yds for a TD. Back made up for his mistake and connected for a 40 yd TD pass to Frank Pangallo. At the end of the 1st half the score was Truckers 8 IAT 6.

In the second half Boone H. completed two passes that were TD's. One was to Rosado and the other to Rekart. Both PAT's were failures and the game ended 18-8 in favor of IAT.

The 2nd game saw the Animals VS the Flash. The Flash, using Jim Meyers and Dave Matern at QB won 28-6. The TD's for the Animals was the only bright spot as Tim Beringer ran back a kickoff 70 yds.

The final game saw "Wild Bill" Doherty using J Disque to stroll by the Bad Joses. Disque caught two TD's one for 40 yds and the other for 50 yds. Also Stan Kreckler caught a 6yd TD pass from Doherty. Twice the Pat's were good. The final score was Little Kings 22 - Bad Joses 0. The 5:00 game on Wednesday was an upset as the top team IAT was defeated. IAT plagued by darkness and "Wild Bill". With 7 minutes left in the game IAT called the game because the stadium lights were not working. The game ended with the Little Kings ahead 14-0.

WOMEN'S SPORTS

This week volleyball intramurals got underway and injuries are aconce again taking their toll. Dee with a jammed thumb and Lucy with a sprained ankle. The worst part is both were hurt while warming up and not in a game. Stay away from me with those crutches Lucy—they're contagious.

Things started off with the Boxers defeating the Piranhas 12-8 (time ran out) and 15-8. Meanwhile on the other court the Later Babes were downed 15-4 and 15-13 by Wazuri in a close tilt. At 7:30 FOX and RAPID squared off with RAPID coming out on top 12-10 and 15-8. F-Troop (my team) shot down Stinger's Squadron 15-10 and 15-8. The Infamous Gang led by Beth Hill won 15-2 and 15-7 over the Ithch in Babes. The Dipshoots won by forfeit over the team (name?) managed by Deb Medsker.

Wednesday, after some difficulties were ironed out, it was smooth sailing. It began with Stingers Squadron bombarding the Piranhas 15-1 in both games. Jane Aust scored 14 points for the victors in game 2. Deb Medsker's team showed up Wed. and beat the Babes 15-8 and 15-10 by Wazuri. Whoever number 6 was for Wazuri she scored 8 and 6 points respectively. At 7:30 there was only one match and this one went all 3 games—the only match of the week that did.

Anyway, the Dipshoots with only 5 players (it's quality and not quantity—right girls?), beat the Later Babes 15-10 and 15-8 and 15-10 by Wazuri. Whoever number 5 was for Wazuri she scored 8 and 6 points respectively.

At 7:30 the Ithch in Babes got their first win over the Later Babes 12-9 and 15-8. In the last game FOX beat off the Boxers 15-8 and 15-2 with number 18 scoring 10 points in the second game. F-Troop and RAPID did not play due to technical difficulties but will play next Monday.

Girls, please be in the gym 10 minutes before your game starts so a line-up can be turned in and the games start on time. If anyone would like to help with these duties and it isn't hard. Have a good time and let's not have anymore injuries.

To the Masses:

The seminar on “values” presented Wed., October 20, by Sister Eileen Cantin, PhD was Super. Many thanks are due Sister Eileen for presenting an informative, relaxing, and beneficial program for those in attendance which included many diverse groups including several faculty members. This also goes out to the Religious Affairs Committee and the Office of Student Services for bringing such a program to Marian.

Congratulations to that “Dynamic Duo” — Dale (we don't know your last name) and his lovely wife (we don't know your first name) on the production of your brand new baby girl, ????? (we forget...Sorry). Anyway we wish you all the best!!
