Student Board Minutes

What has happened to Student Board of late in particular and during the whole year in general? It seems that its been quite a while since any Student Board minutes have appeared in the Carbon. Hasn't the Board been meeting, or perhaps they just haven't been doing anything pertinent.

At the end of the 1975-1976 academic year, a major issue which was being worked on by a committee of Student Board was the possibility of lowering the age limit for living off campus. This possibility was german to a large number of students. What has happened to this committee? A whole semester has passed with no apparent progress.

Last week at a Board of Trustees meeting tenure was granted to several faculty members. I have heard nothing but complaints about one teacher in the Biology department who has now been granted tenure. Whether Student Board could have had any impact on this decision is questionable, but a survey could have been taken to ascertain student opinion on those eligible to be granted tenure. Incompetent faculty will only serve to drive away those students who are exposed to them. A definite lack of initiative was evident in this instance.

Another relevant issue the past several years has been the possibility of permitting those on campus residents 21 years of age and older the privilege of drinking on campus. The chances of this occurring are quite slim, but an effort should none the less be extended.

Due to a lack of fuel oil or simply in an effort to cut costs, the heat in the I.M. gym and in the Art Annex has seemed to disappear. Students have paid for the use of these facilities, and they should be properly maintained. Why has Student Board not inquired into these matters?

By the bye, what has happened to both the yearbook and the Phoenix? Neither seems to currently be in existence. I believe that the responsibility for these publications falls under the jurisdiction of the Publications Committee which is presided over by the Vice-President of the Student Board. Obviously a meeting of this body needs to be held.

Another item of discussion of last year Board was the development of a totally student operated teacher evaluation program, which is something this college definitely needs. Has this endeavor also been abandoned?

But hey, look at what has been accomplished. We (the student body) contributed $150 towards the purchase of a $400 plaque for the dedication of the library. Granted everyone's budget was being cut, but we really needed such an expensive plaque. I think it has something to do with the belief that the more expensive the plaque, the greater the probability of its being kept dusted.

BLOOD BANK

Today, January 28th, is SIGN UP DAY for the Marian College BLOOD DRAW which is to take place on Friday, February 4th. Sign up will be in front of the auditorium in Marian Hall from 9:00 until 4:00. As a member of the Marian College Blood Bank Club you and every member of your immediate family are covered in the case that they or you need blood. As a blood donor you are helping to save 35,000 lives yearly in Central Indiana. It is a painless and easy way to give the gift of life. Please donate because without you it won't work!

WHEN: Friday, February 4, 1977 11:00-6:00
WHERE: Claire Hall Basement (next to the nurse's office)

Sincerely,
Terri Densberger
Lynne Holzhausen
Co-chairmen, Marian College Blood Bank

Women's I.M. Basketball

In the first game Monday night the Dipshoots and Scraps had a rough game with the Dipshoots coming out on top 24-20. The score was tied with a minute to play but the Seniors made 2 quick buckets. At one point Brillo (Nieson) scored the floor when she threw a cross-body block at Jane Ann Hips. Kathy R. told me not to put her name in here so I won't. The Seniors had balanced scoring with Nieson, M. Kay and Bon all scoring 6 points. Karen added 4 and Luci 2. For the Scraps Jane led the scoring with 12 points, Chris 4, Rikk and Kathy Reynolds 2 each.

The second game wasn't as close as F-Troop rolled over the Infamous Gang 24-8. Scoring for the Troop was led by Corky with 10 points. Frank added 8, Nurse Holtman 4, and Holly 2 (or Bruns as most people prefer to call me). Kathy Collins, recruited for the game had the Gangs 8 points. Neither team scored in the 4th quarter of play.

Extra info: Dirty team of the week — Dipshoots
The heat was off again in the gym this week, but is fixed for good now (I hope).

If Amy's lucky she'll only be one step behind.

Coach Catto smiled at practice this week, Tues. & Wed. Nieson didn't trip oner any lines this week.

Standings:
F-Troop 3 0
Dipshoots 2 1
Scraps 1 2
Infamous Gang H.B. 0 3

Quote of the Week:

"The will to learn becomes a 'problem' only under specialized circumstances like those of a school, where a curriculum is set, students confined, and a path fixed."

J.S. Bruner

To the Masses:

Ladies and gents, last night, Jan. 24, in the Indianapolis News, there was an article about the Indiana Council of Churches expressing "gratitude" for granting of a "full and unconditional pardon to Vietnam war draft evaders."  If justice is to be justice then shouldn't Mr. Carter grant blanket amnesty to all draft evaders? But if Carter does, then, should all those who died be granted life by Mr. Carter? Or perhaps those who have "evaded" WWII should they not also be pardoned? Think about that before you vote!

Can you imagine how any man who is supposed to uphold the laws made by Congress can use his position to forgive and forget? How many parents of those who died can forgive and forget? Stupid questions you say?

Okay, then, how about a man who used the same position to "protect the national security." Should Mr. Carter also grant "amnesty or pardon" for him? Don't worry about that, Mr. Ford already has.

But, then what about the opposing view? This was a war no one wanted. But our country promised to defend the world from Communism. So we fought anyway. Where does the loyalty lie? Within ourselves or be dictated to us by our government?

So long, or perhaps until I too am forgiven - Jim Stockrahm

Intramurals got under way this week in the Clare Hall gym. Monday, with everyone bearing the cold gym, F-Troop shot down the Dipshoots 25-14. Frank led all scorers with 12 points, all in the first half. Holly added 6, Corky 4, Jean 1, and Dee scored her first bucket in IM competition. For the Seniors Bon and Lucy each pumped in 6 pts, while M. Kay added 2.

In the second game (with everyone dressed more like they were going out to play in the snow instead of play basketball) the scrappy Scraps came from behind and stung the Infamous Gang 14-10. A last quarter press (wonder where they learned that) did the job for the Scraps as they stole the ball several times. For the victors Kathy Redelman (a lais Reynolds) scored 10 pts. and Courteous Jane added 4. Beth led the nurses with 6 pts., Karrey and Maura each added 2. Maybe next week we could flood the court and play ice hockey - it sure would be cold enough.

By Wednesday the heat problem was finally solved. The night started with F-Troop and Scraps battling it out for first place. After a hard game the Scraps finally fell 42-32 under the accurate shooting of the Troop. Both teams received balanced scoring from a variety of players. Holly led the Troop with 14 and Frank poured in 12. Nurse Holtman scored 8 pts. (in a row), Corky 6, and Jean 2. Kathy R. and Jumpin Jane Hips each had 10 for the Scraps, Rikke added 6, Chris 4, and Cindy 2. Whoever plays the Scraps next, look out for Jane Hips. If you don’t believe me ask Dee - she took a good shot. But anyway, it was fun and that’s what it’s all about.

In the second game the Dipshoots outshot the Infamous Gang 16-14 in a close tilt. Nisson and Bon each had 6 pts, for the Seniors while Lucy and Sharon added 2 apiece. Beth led all scorers with 12 and Becky had the other 2 for the Nurses. At least if anyone gets hurt during one of these games there will be plenty of nurses on the scene. But don’t anyone get hurt - my crutches are in retirement - that was my New Year’s Resolution. Check out revised schedule for next weeks games.

Extra info: Amy refs a good game. She also broke a fingernail in varsity practice.
-Courteous Jane slapped me during the game. She also stepped on Kathy R.’s foot and made her fall (they’re on the same team!)
-Women’s Varsity BB Sat. 11:30
M.C. v. IUPUI Clare Hall Gym
Till the snow melts &
the gym stays warm.
H.B.

************

To the masses:

Well sports fans - how’s the weather? The Great Outdoors is a mite chilly! Oh, yeah? For some time now the Great Indoors has been pretty cold over in the Clare Hall gymnasium. The women’s varsity basketball team practices faithfully in this facility daily between 4:00 - 5:30. I’m surprised they haven’t all acquired some type of arctic fever. There was talk of wearing gloves to practice (right Holly?); Besides the layers of sweat shirts, socks and other miscellaneous items of warmth! Ask any of the spectators at the Women’s game on Jan. 15! Yes, it was cold. Why do I say was? Well, on the following Tuesday Jan. 18 the Men’s varsity basketball team had a game in the same gymnasium described above. Much to my surprise, at this game there was warmth! There were also new rims and nets for the baskets. Could this be a coincidence? What do you think? Maybe one should not complain. We should be thankful for the blessings that have been bestowed upon us; late though they may be!

This particular incident prompts me to question the motives behind the scenes:
1. Why was the heat fixed now?
   a. Coincidence (fat chance)
   b. Upon request (requests have piled up for this a good deal prior to both Jan. 18 and 15)
   c. Because the men had a game - and you can’t expect a human being to perform adequately in frigid air!

These are only a few of many excuses (I mean reasonable explanations) for this phenomenal heat wave. If anyone has additional ones speak up. So it gets deeper and deeper - who notices? Some people will take all kinds of ----- w/o a word. Somebody has to stand up. That my friend, is a radical, a sexist, an ERA supporter.

But all I want is fair play........ I’m looking forward to bigger and better plas in this semester! We will try and schedule the knights to play in the basement of White House. Besides the heat maybe they’ll fix the storm windows, the washing machine, the back door the light on the front porch, the pillar of the banister, etc.

Until warmth comes from the left Aorta rather than the Hip pocket:
A Basketball Spectator

A Marian student and a Butler student were embibing rather heavily one evening in the Bulldog Lounge. Following several pitchers of brew, it became necessary for them to relieve themselves of the excess fluid. After having completed the necessary ritual, the Butler student walked to the sink to wash his hands, while the Marian student headed for the door. The Butler student turned, and in a haughty manner said, “At Butler they teach us to wash our hands after we go to the bathroom.” The Marian Student paused in the doorway and replied, “At Marian, they teach us not to urinate on our hands.”
Women's I.M. Basketball

The only game this past week was between F-Troop and Dipshoots with the Troop coming out on top 30-20. Scoring was led by Holly with 16 points, Frank added 10, and Corky 4 for the victors. Nieson put in 10 points, M.Kay 4, Pris 4, and Bon 2 for the Seniors. At the end of the first quarter the Dipshoots led 8-5. At the half, F-Troop had pulled to a 16-12 lead and led the remainder of the game.

The Scrap won by forfeit over the Infamous Gang in the 8 p.m. game. Wed. no games were scheduled due to a Men's varsity basketball game.

CRUX CORNER

With injuries to "Woody" and Boone, IAT suffered their 2nd loss of the season to Greasy Fingers. Omar's still remained undefeated with a 9-0 record. In Wed. game, played on the following Monday, because of the varsity game, the Bad Joses threw a scare into Omar's as they led by only 3 at the half, 34-31. But as the B.J.'s complained about a "lid" on the bucket, Omar ran away with the game 70-53.

Wild Cherry beat the flailing Wazuri team, who are now 3-6. With 7 games left in the season the race for the 3 and 4 spots is tight. Tied for 3rd are the Marbles W. Cherry and G.Generation. Star player of the week is Wayne Humbles for his spectacular 3 point play. Nice going Wayne.

Game of the Week:

Feb. 6 - 3:00

Wazuri v. IAT
The Student Board office (SAC).

School year. Because of the decline in enrollment, we have EL's to increase the enrollment of regular MC students. This task would take the combined efforts of students and admissions.

Would like to have discussed, contact a member of Student Board or come to the regular Sunday meeting at 7:30 in the Student Board office (SAC).

Curt Stoll
Vice President
Student Board

ADMINISTRATION

1. Are the following offices living up to your expectations as to what their roles are? Development (Publicity &Alumni) 58.9/41.1 Financial Aid Director 63.9/36.1

2. Would you recognize and/or know the heads of the above administration areas? Dev. 46.2/53.8 Pres. 70.7/29.3 Con. 73.7/26.3 Aca. Dean 80.7/19.3

3. Are they accessible to you and your problems concerning specific areas? Dev. 57.8/42.4 Pres. 54.9/45.1 Aca. Dean 80.7/19.3

4. Have you ever talked to the heads of these departments? Dev. 26.3/73.7 Pres. 22.2/77.8 Con. 39.2/60.8 Aca. Dean 67.3/32.7

5. Do you feel that these people work hard to make MC a positive factor in the community? Dev. 56.9/43.1 Pres. 51/49 Con. 60/40 Aca. Dean 55.8/44.2

6. Do you feel they consider students as their first responsibility as opposed to financial consideration? Dev. 24/76 Pres. 28.8/71.2 Con. 24/875.2 Aca. Dean 50/50

7. Do you feel that outside groups are given priority over MC students? Yes 81 No 19

8. Is Security on the MC campus adequate? Yes 41.4 No 58.6

STUDENT SERVICES

1. Do you know where the Student Services buildings are? Yes 99 No 2

2. Are the following offices living up to your expectations as to what their roles are? Dean of Students 45.1/54.9

3. Would you recognize and/or know the heads of the above departments? Dean of Students 83.7/16.3 Assistant to the Dean 58.2/41.8

4. Do you recognize and/or know the heads of the above departments? Dean of Students 83.7/16.3 Assistant to the Dean 58.2/41.8

5. Do you feel that the Student Services staff is available to talk to you about your problems? Dean of Students 55.2/44.8 Assistant to the Dean 64.3/35.7

6. Do you know and/or recognize all four members of the Admissions Staff? Yes 32.4 No 67.6

7. Do you feel they (Admissions) do an adequate job of recruiting students for MC? Yes 32.4 No 67.6

8. Are school administrations well represented at school social functions—basketball games, dances, etc.? Yes 35.9 No 64.1

9. Would you recommend MC to family or friends? Yes 51.8 No 48.2

10. Are you planning to return to MC in the fall? Yes 87.1 No 12.9

11. Why did you come to MC? In order of priority—Education, Distance from home, Religious affiliation, Social life, Athletics

The above are the results of the Student Board survey conducted last week. These results were presented to Dr. Gatto Col. Wagner, Dean Woodman, and Rick Scott this past Tuesday in a meeting with members of Student Board.

With the facts from the survey, the Student Board was able to make the administration aware of the declining situation here at Marian College. We have now opened the door to hopefully improving MC. The administration has promised to work closely with the students in this area.

But this is not an easy task. It will take a great deal of work. In the area of facilities, students must make sure maintenance is reported and being worked on. The administration will improve supervision of maintenance to hopefully improve the situation. This will be done by Ron Schmoll, Dean Woodman, John Ruffra, and a student checking the maintenance conditions every Monday and Wednesday. If you have a big problem before then, feel free to contact your R.A., R.D., Ron Schmoll, or Col. Wagner.

The administration will also attempt to be more open to students. If you have a specific problem, go to any administrator and tell them. The doors are open. If you are having difficulty, talk to a member of Student Board and they will help you get action.

The other areas of great concern to students (as indicated on the survey) is admissions and the ELS program. The two are somewhat related.

It is no secret here at MC that enrollment has been steadily declining. This has been the picture since the 1971-72 school year. Because of the decline in enrollment, we have ELS:

Many students are unhappy with the ELS program here at school. There are two alternatives. We could drop the program and raise everyone's tuition $400 next year. I feel that this amount would put many students out, as well as work against the admissions program. The other alternative is to help the ELS program while at the same time attempting to increase the enrollment of regular MC students. This task would take the combined efforts of students and admissions.

The choice is that of the students. We have the power to help make MC a proud place to be.

The Student Board will once again meet with the administration on Tuesday, Feb. 8. If you have anything you would like to have discussed, contact a member of Student Board or come to the regular Sunday meeting at 7:30 in the Student Board office (SAC).
