'Twas the night before Halloween
And all thru the dorm
The freshmen were studying
Which wasn’t the norm.

The pumpkins were glowing
from the windows of Clare
In hopes of giving
the "toadies" a scare.

The roaches were nestled
All snug
in their walls
With visions of candy crumbs
Out in the halls.

With Callan in her kerchief
And her Nonza in its cap
She had just settled down
For a long autumn nap.

When out on the rooftop
There arose such a clatter
That the R.A.’s sprang from their beds
To see what was the matter.

And what to their wandering
Eyes should appear
But a great big orange pumpkin
And they shuddered with fear.

That little old pumpkin
Was shining with glee
And they knew in a moment
That it was the G.P.

He bounced ‘cross the rooftop
With hardly a sound
And came through the window
Even though he was round.

He was covered with dust
From his stem to his chin
But he was just thankful
That he’d gotten in.

So he picked himself up
Then he picked up his sacks
Full of toys and trinkets
And millions of snacks.

And he sneaked down the halls
Passing door after door
Leaving all sorts of presents
And then more and more.

To the Freshmen he left
Some Humanities books
Saying, “Next year you’ll HAVE
to study you snooks!”

To the Sophomores he left
A picture and darts,
It was of Mrs. Sowards
The teacher of Arts.

To the Juniors he didn’t
Really know what to bring
But he left them some money
For buying class rings.

To the Seniors he left
Patience and tears
To help them through
The oncoming years.

And when he’d left them all candy
And trinkets and toys
He bounced to the rooftop
To go visit the boys.

But before he made his exit,
As he knew Santa would,
He yelled out some names
As loud as he could.

Now Janie, now Michele,
Now Liane, now Fran,
Now Pammy, now Johanna
Now Patti, now Ann,

“Be brave, be good,
And I’ll see you next year
But don’t blame me
When the zits start to appear!”

And the R.A.’s heard him declare
As he rolled out of sight,
“Happy Halloween you dummies!
Linus was right!!!”

I am also astounded with the unwavering loyalty of your Apostles, as evidenced by their silence as to your identity. I am in awe. I encourage you to come forward and identify yourself so that you can receive the attention (psychiatric) that you deserve!

My life is rather dull - I truly do sleep "safely and soundly" the same dormitory as one so great as you! I imagine the spine-tingling thrill of not knowing when you crawl between the sheets how long it will last - at what time you get to leap up and sprint outside into the crisp night air! Or perhaps even suffer from smoke inhalation and get my name in the paper? Why, a good-sized fire would make Marian College known nationally. (Remember the Beverly Hills Club ?)

I am also astounded with the unwavering loyalty of your Apostles, as evidenced by their silence as to your identity. But one so great as you are cannot remain unknown forever. Like wild fire your reputation will spread. I firmly believe that once the people know who you are, they will act!!! You deserve it!

AN OPEN LETTER TO THE DOYLE PYROMANIAC
Oh, how proud of yourself you must be! You have really succeeded in proving something. (What?) You're smart. (It's the old tale of the Boy Who Cried Wolf!) After a couple of false alarms are pulled, people become conditioned to ignore them. But the piece de resistance is the twist you've added to the story - this time the wolf gets the ones who ignore the cry! You have successfully eluded apprehension. (And that beautiful touch of irony - another phony drill during the night after the dorm meeting with the Arson Squad was cancelled!) And the power you hold! You control the life of every resident of Doyle Hall! Yes - you are really something.

I am awe. I encourage you to come forward and identify yourself so that you can receive the attention (psychiatric) that you deserve!

SEE PETER REPORTS:
And now, a word to the masses: Domini. Yes, ny kittens, it’s See Peter again, tritzing through the tinsel. The Variety Show has begun rehearsals, and by the time you read this, more than ten dancers will have fallen over. NEWS FLASH: A certain R.A. (whose initials are T. O. P. C. I. L. P. O. T.) has declined to be in the show due to a conflict in semi-interests. Less on that story as it fails to come in. Anyway be sure to come. It’s in Marian Hall Auditorium, Nov. 18th and 20th.

Oh, Lord, Bette’s crying again. She has to die in a scene in the show. I can’t understand it. It won’t be the first time she’s died on stage (the fact that some people could, and may yet, mention). Well, tah-tah. What’s this? Margo, get away from that chicken with that freshman! Oh, that’s gross!

See Peter (only if you have correct change.)
WILDMAN'S WORD:

After this week's action, there still remained a tie for first place. I AETA THI handled the GODS OF HELLFIRE rather easily by a score of 15 - 5 (a Wildman, he forgot to include it.) Zapp to Cobran this week proved to be the explosive that THI needed and twice that misdirection play resulted in a touchdown. This saw to it too much and Mr. Doherty threw for four interceptions. Carson had two key interceptions. LAGNAF (Let's All-) also remained undefeated by winning two games this week. First, LAGNAF made a laughter of the BAD JOSES by exploding for 58 points and winning 58 - 0. Brochin, Kissyface, Ron Juan, and Wildman all had touchdowns in the route. Tree also had a two-point conversion. LAGNAF also defeated the JEW 22 - 6 Wednesday night. The "FOHL" defense put the clamps on the Meyers combination, and the running game proved ineffective. Kissyface had two touchdowns as the JEWs were unable to contain his outside speed. All in all, it was probably the best ballgame of the year, or at least the closest... FOHl had an interception and went on to score as LAGNAF remained undefeated. The JEWs won a game Sunday as the RAIDERS forfeited. (maybe it was better). This Sunday the GODS will attempt to hand LAGNAF its first defeat, but I doubt it. Kissyface will use his speed, and LAGNAF will be in on Mr. Doherty too fast and LAGNAF will win 22 - 12. I AETA THI will jive with the JEWs and win big 36 - 6. In the battle of the losers, the BAD JOSES will win 20 - 20 if the RAIDERS show up.

Wednesday, the GODS struggle but defeat the BAD JOSES 34 - 12.

**WOMEN'S IM VOLLEYBALL**

The standings have changed some this week as the Big O's suffered their first defeat at the hands of RONDA'S ROWDYS by scores of 15 - 4 & 15 - 10. The ROWDYS are now in the top slot by themselves as they also smashed the BITCHIN' BABES 15 - 8 & 15 - 1. M.G. (whoever you are, you were no. 13) scored 8 pts in the first game for the ROWDYS (a nun team). FRANK'S FURTHERS also remain undefeated as they shot down the CRAZY 8, 14 - 5 & 14 - 12. Jane Ann scored 11 points in the second game for the victory. The CRAZY 8 came back to win over HANK'S HARDWARE 12 - 0. Herberts scored 9 points in one game and Nora scored 6 in the other for the 8's. The LITTLE INDIANS came up with their surprise pick up over the CRONANS p.11 at 15 - 3. H. Stockrahm scored 8 points in game 1 for the INDIANS: BRENNENS BUMS also came up with their first win by defeating the PIRANHAS (the only winless team) by scores of 15 - 1 - 15. M. G. (whoever you are, you were no. 13) scored 8 points in game 1 and 10 points in game 2 for the BUMS.

**BOXES' BOTTLES' AND RASPUTIN**

Heigh Ho, why are these bottles falling on their sides? Like row of upset dominoes?
And the flaps stick straight up on every box
While black clouds cling to the ceiling
And misery pours down in torrents
Ah, people in distress — no one cares
Drowning in obscurity

**AUGURH!** (word used to express mental anguish)

Poison me!

Poison me with lecherous women from the crossingroads
Poison me with mad dog 20 - 20
If that doesn't work, break my heart into a zillion pieces
Use it for fishbait!

Harsh, Demanding voices echo out
"Grab a broom and clean up your act"

Momentary relief

Until a voice, so soft that it enters your bloodstream and melts your heart,

Says: "Y' o Cronkie, Can't seem to keep this
genus Urophiasaurus under control."

Ah, A damsel in distress — some one cares
Obscenity until 7:00 A.M.

**AUGURH!** (same definition intended)

Poison me!

Poison me with virgin maidsens from lands of milk and honey
Poison me with pre-owned kool-aid and send me back to Mr. Pedite's intro to the big P Buzz
Almost gained sanity there

**AUGURH!** Poison me!!

... With Apathy and Confusion ...

... With Celebration and Effusion

If that doesn't work, appoint me assistant caer

In charge of social activities at Marvin U.

Might even schedule a mass puke for all non-gathering turds

**APPELLING INCIDENT”…..**

Yesterday the most thoroughly outrageous incident occurred; a co-ed refused to smoke a cigarette in the smoking area of the cafeteria. A few students asked her very politely to light up—and, of course, she refused.

Then the most appalling thing happened. A student sitting across the table from her put out his cigarette and refused to smoke any more.

I feel this can only be an act of outright defiance stemming from an inside prejudice against smokers. This conduct is unworthy of civilized human beings. I hope in the future similar actions will be stopped.
