This year’s senior class is following the pattern of last year’s graduating class in regard to interviewing on campus with potential employers. Most of the schedules go empty or at most half full. Seventy-five percent of the possible interview slots to date went unfilled! This is not only tragic in the sense of missed opportunities for employment, referrals to other employers, advice and tips from the recruiter, presentation of your skills, interests, career goals and background, practice at negotiating with employers, etc. — it is also tragic for Marian College and subsequent graduating classes. Employers contact schools where they have a working relationship, and employ past graduates whose performances speak well for the institution. Cancelling interview schedules due to no interviewees is hardly a good working relationship.

Last year, 14 employers after scheduling on-campus interviews did not come due to lack of students. Of these, only two rescheduled this year. If we have a similar response due to this year’s cancelled schedules, we will be in trouble bringing employers to campus. (Being a small college we already have difficulty in getting employers on campus.)

Most of the 71 interview slots that were filled this year (25% of the possible slots) were prospective teachers, accountants, or business managers (in that order) with those academic areas supplying the students. The liberal arts majors, who traditionally experience the most difficulty in securing employment, have not interviewed or established placement credentials except for a few people. If all of your students have finalised their post-graduation plans, I can understand the cancelled schedules (your plans must have been finalized by early second semester). I hope all of you gain satisfying entry level professional positions, and will help you whenever you come in, but you have passed up some very good opportunities. I will not be surprised if your options are not the best when you do start to seriously explore the job market. Please, wake up and be proactive in working on your future.

Sincerely,
Merle Tebbe

Student Recognition Night

All students are cordially invited to attend the 2nd annual Student Recognition Program which will be held in the Marian Hall Auditorium at 8:00 p.m. The featured program speaker will be Mr. Rick Scott, director of Admission at Marian College. Approximately 100 Marian students will be honored for their achievements in the classroom, on the athletic field and as members of various clubs and organizations. A word of special thanks is extended to Sister Stella Gampfer, Merle Tebbe and Barbara Dennin who have worked hard to ensure that the program will be a success.

Women’s Softball

On April 11 the team again met I.C.U. in a double header. I.C.U. pulled out the first game, 8-1. The second game was won by Marian (5-4) with a rally in the final inning of the game. With bases loaded Sharon Hubert lined a hit to left to score the winning run. Becky Brothers and Elaine Bachman each collected 2 RBI’s and Becky, whose performances speak well for the institution. Cancelling interview schedules due to no interviewees is hardly a good working relationship.

See Peter Reports....

Aargh, me, buckos. See Peter reporting. What’s gnu? (Shorttle, shorttle) Ow! That hurt, Bette! Okay—to the news. The news is (how’s that for a nifty transition?): One-acts and art shows! On the art front, we have an all-artist show, concerning anyone in the arts department and featuring sculpture and painting and a few surprises! It’s going up this weekend, so be sure to see it. And remember—no flashbulbs, and copies are available in the gift shop. And on your right we have where am I? Oh, sorry! Anyway, the theatre department will present one-acts in a few short weeks. Offerings include: “Mrs. Dally Takes A Lover” with Pam (Polish Princess) Wetula and Jim (the Stomach) Carroll; “The Brute”, with Mary (Yummers) Hazel and Maark (Typecast Again Dammit) Trierweiler; “The Nightbird Sighed Before Dawn” with Vicki (In Your Dreams) Gioscio and Michele (Elle) Ellis; and dates and other particulars later.

Now, as I was saying—what? Oh, Okay. Take over, Bette. Bye! Hello, Dahlings. Bette here. I’ve gotten rid of that fat fool and sent Margo and Ben off to Iceland. Really, dear, I can’t believe how I’ve been ignored these past few columns. All that’s changed. You want to hear a joke? Tough, I’m telling it anyway. What’s red and green and goes up and down? Give up? It’s a frog in a blender. Oh well, GONG! What the...? Take your hands off me! Let me go! Oh, sorry. I’m telling it anyway. What’s red and green and goes up and down? Give up? It’s a frog in a blender. Oh well, GONG!

Bette (I’ve been supporting my local bar for years. Mom needs the business.)

See Peter (early and gag the rest of the day)

ALL ABOUT FIELD DAY WEDNESDAY, MAY 3RD

For Freshmen and those who don't know what Field Day is, a short explanation is in order. Each year, the Booster Club coordinates Field Day, traditionally the Wednesday before finals week! All classes after the 10:30 classes are canceled. The night classes are left up to the discretion of the individual teachers.

The day begins with a lunch served picnic-style on the Drum & Bugle Field from 11:30-12:30—weather permitting. All day students and faculty are invited to eat free of charge. The games and events following lunch are aimed to promote class spirit and competition. In case of rain, lunch will be in the Cafe and the events moved into the Intramural Gym.

The order of events is as follows:

- Egg toss
- Pyramid Building (10 from each class)
- Musical water buckets (1 guy & 1 girl from each class)
- Dizzy whirl
- Jello toss
- Indian wrestling
- Licorice meet
- Go-theps
- Banana eating
- Mackeral step
- Tug of war (10 guys, 10 girls per class)
- Powder Puff Finals

Each year Field Day ends with an off-campus party, which will be held that evening. The time and place will be announced next week.

Everyone starts making plans and pick your teams, it's going to be a great day!!!!!!

TO THE MASSES:

1978-79 College Work-Study

Students currently employed through the College Work-study program are reminded they have the option of selecting their job or jobs for the next year. The following stipulations are placed on this option, however.

First, students must contact the supervisor in the department they wish to work. This should be done prior to the conclusion of this semester. Supervisors will have the right to decide whether or not they wish to have a particular student working in their department. The supervisor must provide the Financial Aid Office written notification of those students he or she wishes to hire.

Second, the Financial Aid Office reserves the right to deny departmental requests for particular workers should it be determined that the department has a sufficient number of workers to meet departmental needs.

Third, all requests must be finalized before August 1, 1978. The Financial Aid Office will be unable to honor requests after this date. Student workers not formally requested by a particular department will be assigned by the Financial Aid Office. Therefore, if you have a specific department you wish to work for, you should contact the supervisor as soon as possible. Additionally, you should be sure that if that department wishes to hire you, they make a written request to the Financial Aid Office.

It must be pointed out that the fact a student is employed through the College Work-Study program this year does not necessarily mean he or she will be employed through this program next year. However by contacting the supervisor in the department of his or her choice, the student improves the chances of working in a job of interest should he or she remain in the College Work-Study program.

SPICES

Marion Kay Spices and flavorings are for sale from the Advanced Degree Nursing Students. You can see and obtain these from Martha Howell Rm. 109 Clare Hall or from any other nursing student. This is a money raising project for the class. Spice up your life and theirs!!! See the board for details.

Seniors:

I have been approached by several seniors who have requested that I take pictures of them with their families after the graduation ceremony. If you are interested, please see me as soon as possible so that I can come up with some sort of mutually agreeable arrangement.

Dr. Appleby

SCOR Corps

Even though there will be no formal Big Brother/Big Sister Program, several students have inquired about the possibility of corresponding with an accepted student for the fall semester. If you are interested, please contact the Admissions Office, Ext. 218 and we will assign someone to you, matching closely as possible, the locality or interests of the persons involved. Since many students will be coming to pre-register, it certainly would create a sense of belonging if you were available to contact as host or hostess to them while they are on campus.

TO THE MASSES:

On Tuesday, April 25, at 6:30 p.m., Dorothy Smoot, who lived at Marian College last fall, will be receiving the sacrament of Confirmation. All members of the Marian community are invited.

Compliments of Campus Ministry

REMINDER TO TEACHERS

All teacher candidates graduating this May should stop in the Placement Office to sign up for interviews to the Lawrence Township School System on Wed., May 3. You need to do this by Friday, April 28. There are 12 interview slots only! If interested, set up your appointment early to assure one.

Thanks,
Marge

TO THE MASSES:

Indianapolis Alumnae Chapter of Mortar Board has invited Marian foreign students to a reception in their honor: Sunday, April 23, 2:30 p.m., in the home of IUPUI President and Mrs. Glenn W. Irwin.

As a climax to their year's study of international relations, the chapter members hope, through this personal contact, to gain a better knowledge and understanding of people from other lands, according to Mrs. Wm. G. Schaefler, president.

Mortar Board is a national honorary with active chapters in more than ninety American universities. Active and alumnae chapters promote scholarship, leadership, and service on college campuses. They also sponsor a national foundation to provide financial aid for members in graduate study.

Reception guests should contact Marian staff member Sister Marie Pierre Bateille at 924-3291 or Mrs. Schaefler at 253-8561 to make reservations.

A SUBLTLE COMPLAINT

It has been brought to my attention that the Mens' restroom in Clare Hall leaves little to be desired. Most of the time (9 times outa 10) the restroom reeks. This is not entirely the fault of those who maintain Clare, but also the fault of the guys who use the facility.

It's not bad enough that this is the only Mens' room in the building, but it is worse when one enters and then would rather wait until he returned to the dorm.

SNOW WHITE

Snow White and the Pillow People bade good bye last Sunday evening after a week of lively performance. Though the play did not enthral the "College Kids" so much, the cast did impress them by its acting effort. This time many of the Theater majors backed off back stage giving a chance for the others to expose their hidden potentials.

What is important here is how they entertained the hundreds of tots who trotted into Marian Hall for some moments of entertainment. And from what we saw on their faces as they came out of the hall one could see how much they enjoyed the play.

Snow white did light up their spirits. What's more they were even able to meet in person, their stars after the show. I think every Marianite should be proud that their college was able to make these lovable and adorable people happy. WE are happy when others are happy.

NEEL

The Junior Class would like to extend a special thanks to all those who helped with planning the prom. Thanks to Saga too!!!
