The Church must be in a vale of tears as the Veil from the heads of some of the modern nuns sail to an unknown jail. Why do they fail to nail their vows into themselves?

Nunnery is a heavenly vocation not an earthly vacation. If one enters the convent and has to decide to vow to spend the rest of their life dedicated solely to God. Why try the other side of life as well? There are many ways of life. But after choosing a sacred life why hide yourself and parade in borrowed plumes? You get to be a standing example, a shining light, a tarred road so that others could look up to you and follow you in the right path. When a King wears his crown he feels and remembers his responsibilities. It's the same way with the veil and a nun.

Sure, it's not easy to be what one should be in a convent with a lot of temptations around. It's human tendency alright. But one should know where one is at, and act accordingly. “Manners make the Man!” they say, yes, dress is a part of manners. If one is in a particular place one has to dress accordingly and behave in a certain way. It's only then that others would look up to him/her and show respect. This is where order, obedience and system come to play. Where there is no order there is chaos.

 blunt-point

As pinpoint fails to point out the manner of dress employed by our good Sisters is still quite conservative by modern standards. Because of the nature of their work most nuns come in contact with everyday people everyday. Therefore to give people a more human image and also give them more identification with a group of women who have dedicated their lives to God.

The dress of nuns is a pitifully petty issue. What the nuns wear does not change their degree of dedication to God. Why question dedication in the Middle Ages nuns, monks and priests all had to protect themselves and often carried swords and wore helmets but do we question the dedication of the long dead.

If the Catholic Church is to survive in a modern world then it must come to that new world. In conclusion, the manners of our good Sisters have not changed, only their clothing. People find it easier to talk to a nun if they know she is human, before nuns were women set apart by their different habits.

We should respect and love our Sisters although their manner of dress may upset some, they are still servants of the Lord and still devote their lives to Him. How many of us could take such vows and adhere to them?

TO THE MASSES

I am upset and appalled at the way ELS students are treated. For this reason I am writing this open letter to those of you involved in the mistreatment of these people. The guilty ones know who they are.

To those of you who feed your deranged and asinine egos by maligning and inflicting cruel and inhumane treatment upon our ELS students are the pits.

Simply because the ELS students can't master our language and customs immediately there is no reason for them being treated so shabbily. I want all of you to know how disgusting your behavior is and that you are setting poor examples of Americans. These practical jokes such as: beard cutting, mimicking, not conversing, and other various pranks must stop.

For those of you who are a part of this vicious group, who in the hell do you think you are?!

Now if you want to repent before they return to their country with their lives marked, you can join the human race and sign up in the Campus Ministry to help the ELS students with homework or conversation wise.

I just wanted to get this off my chest.

BOOSTER CLUB

TO THE MASSES:

On Thursday, Nov. 2, there will be two meetings scheduled for student department reps and any interested students who have ideas for input into academic affairs committees. All students are invited to bring their ideas, but please have them organized and written down. This way it is easier for us to present the material. This will be the only meeting scheduled, so it is the responsibility of the students who have input to attend. Should a department not have a representative present, we will then assume that there are no complaints or suggestions from those departments. We sincerely encourage all those interested to attend. The separate times Thursday will be at 2:30 pm and 7:30 pm. The place will be announced on the main bulletin board of Marian Hall.

TAG LINES

Dahlings, maybe no one has told you but "theatre person" is not synonymous with weird, stupid, gay, pervert, whore, irresponsible, or other unflattering adjective. Many "normal" people are known theatre enthusiasts (though I've been told that I'm not one). If you've been a "closet theatregoer," then I'm sure there are many in this audience who have grown tired of being "labeled." I've been told that the audience is made up of anyone who has received a theatre education. This is not to be confused with a theater enthusiastic. You've come out, let's name names! (NOT to be confused with being a "theater enthusiast"!) After the show, take a moment to meet our cast, crew, and other "theater enthusiasts."

Dramatically yours,
Pam Wetula

BROETERS AND SISTERS

Give yourself a break and come to the Library Auditorium on Mon., Oct. 30, 9 p.m to see the movie BROTHER SUN, SISTER MOON produced by Franco Zeffirelli (of ROMEO & JULIET and other good movies). It is a delightful story of the search for deeper meaning in life experienced by a young man named Francis. A donation of 50 cents is asked and the proceeds will be given to the Christmas fund for the poor families that Marian College students help each year.

Sponsored by the Campus Ministry

CAMPUS RENEWAL -- Nov. 1-3

The Campus Ministry will sponsor a Campus Renewal program conducted by a team: Sr. Joyce Diltz (East Chicago), Sr. Nancy Meyer (Oldenburg), Fr. Phil Bowers (Purdue), Fr. Rick Kaley (New Albany), and Fr. Bob Sims (Indpls). They will be introduced at the all school Mass on the holyday, All Saints Day, Nov. 1 at 11:15. The team will lead discussions on The Challenge of Being a Catholic/Christian, on Wed., Nov. 1 in Clare Hall Lounge at 9 p.m and on Thurs., Nov. 2 at 9 p.m in Doyle Hall Lounge. They will offer two other information sessions on fulltime ministries in the Church as a sister, brother, or priest. These sessions will be in the Ministry Center, Clare Hall, on Thurs., Nov. 2 at 12:30 and 7:30. The team will also be available in the Ministry Center during the days for informal discussion. This promises to be a good program so plan now to take this time, Nov. 1 and 2, to reflect on what it means to be a Catholic.

GRASS ANYONE??

The Social Planning Committee of the Student Board is sponsoring a Bluegrass Music Festival this Sunday. Featured performers at the festival are two popular bands; Appaloosa, and the Red Pine Ramblers.

Appaloosa, a Champaign, Illinois based band, appeared in seventeen states last year, warming-up for such top acts as The Ozark Mountain Daredevils, Sea Level, The Flying Burrito Bros., plus bluegrassers John Hartford and Byron Berline. Most of the band, including Basie Eci Cicm, fiddler Randy Bullock, banjoist Roy Davis, and lead vocalist Mike Garcia are natives of Illinois. Rounding out the band are drummer Steve Morrison from Tuscon, ar. and steel guitar player Steve Strong from Austin, (the progressive hillbilly capital of the universe), Texas.

Slightly unfortunate for the theme of the festival is the fact that Appaloosa does not play bluegrass. They do play Foggy Mountain Breakdown, Rockey Top, and Orange Blossom Special, but then, who doesn't? This isn't to say that they're not a good band, because they are quite good. If you like country-rock in the vein of Marshall Tucker, Pure Prairie League, New Riders, or Commander Cody, then Appaloosa is the band for you.

Hard-core bluegrass fans shouldn't feel left out, however. The Red Pine Ramblers, from Nashville, Indiana, offer a repertoire of fine old traditional tunes, plus fresh bluegrass arrangements of modern songs. In addition to picking at festival parking lots, the band can be seen playing at Indy night-spots such as Crazy Al's, Stable Inn South, State of Indiana, and Roadway East. Earlier this year banjoist Greg Harris and mandolin-player Boyd Thaxton joined Marian College's Denny Clark in a too-brief performance at the Campus Ministry's "Songfest". The band also features Paul McBee and Greg Sharp on guitars, plus the hot fiddle of Bob Liederbach.

Let's all hope for good weather, and give the bands a good audience. Even if you don't like bluegrass or country-rock, your attendance may encourage promotion of similar programs featuring other kinds of music. Give it a try.

WE SAW THEM FLY!!!

The butterflies flying freely from flower to flower in the fields nearby the Nazi detention camp was indeed an envious sight for all who were locked in the ghetto. The painful agony and anguish experienced by the many young detainees under the wretched conditions of poor sanitation and improper food was very emotionally brought to life by the Marian cast of "I Never Saw Another Butterfly". Many of us were not even born during this time of villainy. To us it was a live re-run of an historical event soaked in innocent blood.

The play seemed to lack continuity at times but picked up slowly and removed the shadow of boredom. The bright action by most of the "Marian Kids" added light to the otherwise dull story. Where delivery was concerned some playing did it softly, some hurriedly and yet others quite clearly. The set was bright but the sound was light and the costumes were not quite right. Lights were well co-ordinated.

On the whole the play did have an impact on the audience. It could not have done it if not for the hard work put in by the Directors and players.

BOO THERE ALL YOU CRAZIES!!!

This is another report of your women's volleyball team, from your sweet, intelligent, lovable, talented and quite good-looking UNEXPECTED VISITORS. Right, so I'm not so intelligent, but anyway the volleyball team went to Anderson College Monday to compete against them along with Indiana-Purdue, Fort Wayne. Our first match was against Anderson and guess what? WE WON! We played a 3 game match with the scores of Game 1 Marian 8 Anderson 15; Game 2, Marian 14 - Anderson 8, and Game 3, Marian 15 Anderson 5. Our second match against Indiana-Purdue ended up with the scores of Game 1, Marian 6 Indiana Purdue 15 and Game 2, Marian 2 and Indiana-Purdue 15. Tuesday the team traveled to Butler and played a 3 match series which included St. Joe College, Franklin College and Butler University. Our first match was against St. Joe and the scores were Game 1, Marian 7 St. Joe 15 and Game 2, Marian 5 - St. Joe 15. Our second match against Franklin included the scores of Marian 8 Franklin 15, in the first game and in the second Marian 5 and Franklin 15. Our final match against Butler was very exciting. In game 1 the score tallied was Marian 16 Butler 14. Game 2 Marian 8 Butler 15, and Game 3, Marian 16 Butler 18. Saturday we travel to DePauw to play them along with Oakland City and I.S.U. Game time is 10:00. Booster Club and I especially would like to see some supportive fans there. There's a sign up list for drivers outside the Auditorium in which Booster Club will reimburse drivers for picking Corky A.R.A. will provide sack lunches. Hey now that's a deal. Strategies for dealing with stress

1. Look for causes. Who or what is at the bottom of the stress? Dealing directly with the person or issue may be the best approach.

2. Examine your relationships. What can you do to put more warmth, more communication and more mutual support into them?

3. Evaluate. Not every argument is worth trying to win. Defend values that are important. But learn to ignore lesser issues.

4. Be positive. If you fail, don’t concentrate on failure. Deliberately recall past successes. It helps self-esteem.

5. Seek advice. Confiding in a friend can uncoil the tightly wound spring of tension. Seek professional assistance when needed. You are worth it.

6. Do something for others. Reaching out can take the focus off self and reduce the stress caused by brooding.

7. Do one thing at a time. The seconds pass in single file. Yet how quickly they become minutes and hours. You’ll get more done with less “hassle” when you concentrate on each job as it comes.

8. Learn to pace yourself. You can’t operate in high gear all the time. Take a break. Go for a walk. Look out the window. Do something else.

9. Exercise. Physical exercise can refresh you after heavy mental work. Reading a book can relax you after demanding physical action.

10. Create a quiet place. Take time to meditate, to pray. Recent studies of meditation techniques and yoga show that we can train ourselves to relax.

THE PERC IS PERKING UP!!!

ARA, our food service here at Marvin U. would like to present to YOU, the Marian Masses, a program that would enable students to eat dinner at the PERC in a relaxed atmosphere with your friends, to enjoy the music YOU like to listen to, and to participate in some planned activity afterwards, such as a pinball competition, a dance, euchre tournaments, coffeehouses, whatever YOU want!

Here is basically how it works: One night a week would be designated as “PERC Night”. The interested student would pick up a ticket from the ARA manager between 12:00 and 3:00 p.m. that day. The ticket would be used toward a purchase of $1.05 in the Perc.

We think you’ll enjoy the change of atmosphere and the extra-special activity, too! So, now that you’re informed, WHAT DO YOU THINK? Stop right now, and answer the questions below. Then take this form to the ARA office, or place it in the box provided at the Clare Hall desk.

1. Would you participate in PERC Night, assuming it was advertised in advance? Yes No

2. If you answered no, why not?

3. What evening would be best for you for this activity?

4. What kinds of activities would you like to see over at the PERC?

Thanks for your views!!!!!!!!!!!!!
