CARBON SALUTES

DIANE BROWN alias "SHADOW"
winner of the 1978 'Guess the Carbon Artist' Contest
TO THE MASSES:
The Phoenix reappeared this past week and we, Dr. Appleby, Karen and Myself, of the Carbon, were quite pleased with what we saw. Congratulations to the Phoenix staff, editors, and their advisor for producing a fine example of what Marianites are capable of accomplishing.

We received many mentions of praise for the new publication and also a few expressions of disappointment. That's to be expected, and will compel you to do your best with each publication.

The following reactions were submitted concerning the rebirth of the Phoenix.

UP FROM THE ASHES

In various legends from around the world, but primarily from the Middle East, the phenomenon of rebirth or re-creation is dramatically demonstrated by a flaming bird, the Phoenix.

According to legend, when the Phoenix prepares for death, it constructs a nest of wood on a secluded mountain top. At the time of death its body becomes a brilliant flash of condensed energy - fire. The bird ans its nest are consumed only to be reborn from the ashes as a new young Phoenix.

This week Marian College had the privilege to see something that no man has seen for eons - the rebirth of the Phoenix. But this was no ordinary Phoenix, it is the new young child of the Phoenix that deflagrated many moons ago. The Phoenix by virtue of its youth and courage, promises to be the best and not go to ashes for a long time. But it can not remain young and brilliant without encouragement and continued dedication.

This Phoenix belongs here at Math. And because students are responsible for its rebirth, let us all help to keep it alive and well. Besides if the Phoenix dies again, we may never have the chance to see it again as someone may scatter the ashes to the wind.

TO THE MASSES:

.........or anyone else who has enough manual dexterity to read the following important release:

It seems that there has been some sort of sale of fabulous yearbooks, with limited response. Now I'm sure that the Marian '79 cannot miss, but that it will be very intellectually stimulating and for the baseball team there are assorted pictures.

The staff is led by a group of young men and women, all of which are highly intelligent, except maybe that Horan dude who can at least spell his name and sort photographs. If you need proof of this excellence, there are supplements running around. The supplement is the summation of what happened around here the past two years, when there wasn't a yearbook published. The supplement is only a small example of what the real thing is going to be like. Even Mike Pratt's mug shot may be in there.

I was taking a survey of important figures strolling down the street last week asking various questions about the yearbook and, or the supplement, and here are some of the replies: Ray Charles said it was the best supplement he has ever seen. Helen Kellar reported she heard nothing but compliments on the yearbook. Elmer Dorf said he had seen some of the dummy sheets and was well pleased. Doubting Thomas couldn't believe the staff was doing such a great job. Nadi Comerici went head over heels over the cover and stylish design. Even Don Rickles had nothing but compliments for the yearbook. President Sadat said "BGXYAST LEOSYBZ SXTONOY2F GROT".

So now that you know what all the celebrities think about the Marian '79 why not subscribe today.

Disrespectfully submitted,
The Illiterate Business Manager

TO THE MASSES:

I would like to take this opportunity to recognize and thank the literary staff of the Marian '79. They all worked very hard this semester to meet our first deadline, and continued to stay with it even when the going got tough. So to Peggy Clegg, Eileen Herbertz, Pat McIntire, Jane Brockschmidt, Geri Stewart, Lisa "Kash" Amsburger, and Christi "Gree" Harsh I tip my hat for a job well done!

Also, the literary staff and myself would like to thank Sr. Mary de Paul and the rest of the staff for all the help and patience.

Respectfully submitted,
Beth Wathen, Literary Ed.

P. S. The Business Manager, Horan, is on drugs!

MANASA Meeting:

It was reported on Nov. 20, our last meeting, that we made $74.65 on poster sales. A big pat on the back to all those who worked on it. We are still considering possible places to donate the money. Places suggested were an orphanage, a children's home, or a nursing home.

A check for $50 is being sent to Girls' School for a Christmas party. We decided to have a jail at the Cerebral Palsy Carnival. It was decided that $2.50 would be charged to put someone in jail for 10 minutes, and $2.25 to get out early. We hope to make a lot of money from CP, but we will need workers - let Nancy know when you can work.

Parents of retarded children will discuss their problems concerning the rearing of their special children. MANASA members have been asked to babysit the kids from 7:30 to 9:30 on Sunday nights. If you are free then call Nancy and helpout.

T-shirts, light blue and dark letters, have been ordered and will be in soon.

On Sat., April 21, 1979 at 8:00 in Marian Hall, the group, Breakthrough, will perform. The group is a family of ten who perform popular, religious and Broadway music. All is accompanied by sign language. They try to bridge the gap between the deaf and the hearing people. For this event they are asking MANASA to help with publicity and ushering so keep it in mind for the spring.

"Missions in Africa: Relevant or Relic?"

The Non-Western Studies Committee in cooperation with the African Studies Program of Indiana University in Bloomington, the Indiana Council of Churches, and the Indiana Committee for the Humanities is sponsoring a conference, "Missions in Africa: Relevant or Relic?" on Dec. 1 and 2. The first session will be in the Library Auditorium, tonight, Friday Dec. 1 at 7 p.m. Dr. David Weiss of Manchester and Dr. Robert Nelson, Executive Boosters.

BOOSTER CLUB NEWS

Booster Club met on Tuesday at 12:30 in the Psych. Lab. The first item discussed was the CP Carnival to be held on Sunday. Booster Club will sponsor a pie throw booth. Members of the faculty and staff have volunteered as targets for the worthy cause. Such interesting people as Mr. Elmendorf, Dr. Appleby, and Dean Woodman will be there along with two surprise victims. Throes will be 1 or 2 for a quarter depending on the distance. Booster Club members are reminded to help set up the booth in the Intramural Gym on Saturday at 1 o'clock.

The next topic of discussion was the dinner to be held for Booster Club members, courtesy of Dr. Appleby and his wife. The dinner is a reward for all the hard work everyone did during Homecoming. It will be at 7 p.m. Saturday at Dr. A's house. Any member who hasn't RSVP'ed to Colleen Murphy please do so. She also has maps and rides. See you Saturday!

"I DO, I DO"

The setting is nice
And the actors have poise
Music is a problem
And the singers have no emblem.

The dialogues are crisp and funny.
It's sure worth the money.
If you have the Marian I.D.,
you can enjoy it scot free.

It will not take too long
And the value is quite strong
If you want an evening of laughter
There's no place you can go after.

The Peine opens at seven sharp.
The curtain goes up at eight without a slip.
When Mickey and Agnes do what they should do,
After they say: "I do, I do."

HOLCOMB RESEARCH INSTITUTE

A panel of nationally regarded land use experts will look at the fiscal, legal, and environmental implications of land use planning and zoning at a seminar sponsored by Butler University's Holcomb Research Institute and the Indiana House of Representatives. The seminar will be on Dec. 7, 10 a.m. to 3:30 p.m. at the Institute.

The speakers will be Donald Hagman, professor of law at UCLA; Laurence Gerckens, professor in the departments of city and regional planning, Ohio State University; and Henry Richmond, representative from 1000 Friends of Oregon, an organization enforcing mandatory zoning in Oregon.

The seminar is part of a study on land use funded by the Ford Foundation. Holcomb environmental law specialist Sandra Dukes and State Representative Stephen-Moore are coordinating the project.

For further information, contact Marilyn Clark, 283-9651.

(Continued on page 4 column 1)
Missions in Africa....cont'd.

Secretary of the African Department of the Christian Church will discuss "Missions in Africa Before Independence."

The second session will be held on Sat. at the Interchurch Center on West 42nd Street. There is no admission fee. Faculty and students are invited to attend.

CHRISTMAS CHECK-LIST

Sunday begins the Advent season—that time of year (4 weeks) before Christmas during which we reflect on the COMING of Christ, not just an event in history, but His many comings into our lives through events and people who share His love within us. We easily get caught in our preparations for Christmas, buying presents, decorating our rooms, having parties, but how well do we prepare our hearts for the true celebration of Christmas? Here are some items for your Christmas check-list:

1) Each Saturday night and at holyday mass (Fri. Dec. 8) there will be bakseets in the back of Chapel for your canned goods and financial contributions for food and gifts for poor families at Christmas. The $49 collected at the recent showing of "Brother Sun, Sister Moon" will also be used for this purpose.

2) Mon., Dec. 4 at 9:00 p.m. in Chapel there will be a Penance Service. It is an opportunity to reflect on your recent life, to express sorrow for things that you regret, and also a chance for private celebration of the sacrament of reconciliation (confession).

3) Friday, Dec., 8 at 11:15 - all school mass to celebrate the holyday and patronal feast of Marian College - the Immaculate Conception of our Lady.

HAVE YOU RECENTLY RETURNED TO SCHOOL AFTER SOME YEARS?

Then join with others who have the same experience on Wed., Dec. 6 at 11:30 to 12:30 in the Home Ec. Dept. (Clare Hall, Rm. 128) Bring your lunch!!

SEE PETER

Bongiorno. See Peter once again trying to throw some tinsel and glitter into your humdrum, meaningless lives. Pay attention. I'll only write this cast list once, and if you miss it, tough Tyde-bowl.

The cast of "Men of La Mancha" is in alphabetical order: Tom Bohrer, Vicki Gioioso (answered any ads recently V?), Dina Harding, Bob Hahn (Class of '77), Denis Kelly, Tom Knox, Linda Leonard, Veronica Lewis, Harry McClain, Dennis McColough, Jeff McMullen, Rhonda Phillips, Rick Sallee, Donna Schroeder, Chris Tsuell, Jack Werle, Pam Wetzula, and last but not least Rosannnn Roseannnnnadda Wissell.

Whee! Say that 8 times quickly, without inhaling, while standing on your head! Margo can do it, but she is used to being on her head. She also hasn't inhaled since 1968, but that's another story, one I haven't heard yet.

Anyway - go and see the play "I Do, I Do" in Peine Friday and Saturday nights at 8 p.m. You won't regret it.

That's an order!

Also - Oh Bette just got back from her vacation and.... Oh my God!! She's, she's a HE! I thought it was unusual to spend Thanksgiving in Sweden, but....

Hi! This is Blair, formerly Bette. I decided to change my sex because there was no room in this column for two words, and I couldn't change it until she found it, so Voila! Tah! I'm off to Paul Harris to buy some condurou suit.

See Peter (who's as confused as you, Sc. and P.K.)

"Alleviate the Blues"

C.P. is a very good cause

Go to jail -
Go directly to jail!

TO THE MASSES,

On Sunday, December 3rd, Student Board will sponsor the second annual "Alleviate the Blues" night in the intramural gym. All the proceeds from this evening will be given to the United Cerebral Palsy Fund. Included in the course of the night some of the attractions will be...

A EUCHRE TOURNEY - sponsored by Doyle Hall Council. The entry fee is only 75 cents. Some of the teams to beat are Larry Fox and Joe Greenlee, Mike Back and Roger Dall, Mary Beth Stoll and Teri Houser, and Mike Pratt and Jim Brothers. These teams and others constitute Marian's local card shark talent, so come one, come all, and let the masters show you how it's done!

A JAIL - by MANASA - send some one you love to jail, only a thin dime. Manasa will have the person of your choice escorted to jail. If they wish to get out before their time is up, it will cost them another dime.

A bad test? A raw deal? A "communications" gap? Don't fret, for Booster Club is giving you a wonderful chance to even the score between you and various members of the faculty and administrative staff. For a minimal fee, you will be given a chance of a lifetime - throw all the whip cream you can get on a huge sponge right into the faces of certain members of the faculty and staff - won't that feel great?

Can you and four friends eat a FIVE FOOT LONG BANANA SPLIT? Baskins and Robbins is sponsoring this eating contest through the Business Club. A team will consist of 5 people, and each will pay 50 cents to enter. This activity will start around 7:30 p.m. The true HOGS of Marian, stand up and be proud!

SOME HOMEMADE GOODIES will be available through the kindness of the Home Economics Club. So if you feel that an oversized banana split is more than you can handle, truck to their bake sale and pick out some of the delicious desserts there.

How would you like to win your own personal copy of a general psychology exam? Colonel Pile's first golf hat? A coupon worth 3 points in veggies from Ken Elmendorf? Well then, the faculty auction is the place you ought to be. Student Board will be auctioning, to the highest bidder, some very interesting items from your favorite faculty members...do I hear 10 cents for Dr. J's softball shoe?

Lastly, Clare Hall Board will sponsor a ring toss. You may, of course, keep all of the Pepsi bottles you can toss a ring on. Remember, the holiday season is upon us, and plenty of Pepsi will be needed for all those mixed drinks (mixed with ice, of course)!

Prizes from local merchants, a TV crew and celebrities from the local radio stations round out the list of attractions, but above all, there is one more very important point I wish to mention before I close...

Cerebral Palsy is bad news, both to the victim, their family and their friends. This "Alleviate the Blues" night is going to be a lot of fun, but the purpose behind it cannot be stressed enough. Each one of you in attendance that night will be helping everyone who is now or will be afflicted with this killer disease. The United Cerebral Palsy Fund, Student Board, and all the Clubs listed above have really spent some time and effort into this night, and we hope you enjoy yourselves, but also know that we are all very proud of you (Students and Faculty, and Administration), for your contribution to this fund is more valuable than you realize.

THANK YOU VERY MUCH!!!!

Deb Durkin

DON'T FORGET THE DISCO TONIGHT AT ALLISON MANSION FROM 9:00 PM UNTIL 12:30 AM!!!!!!!
DEAR CARBON EDITORS,

This is in regards to the article “From The Placement Office” in the November 17, 1978 issue of the CARBON. The article states “Two Resume Writing Workshops will be offered Monday and Tuesday, Nov. 27 and 28 in Room 222 in Marian Hall for all students.” In talking with Mr. David Roberts, he stated that the article he submitted for the CARBON included times for the workshops. It seems the times were omitted from the printed article. As a student who intended to participate in the workshop, and knowing that this was the only real communication to the students, I was disappointed that all facts were not relayed. If the times were not listed in Mr. Robert’s original article, I stand corrected. Knowing the CARBON is a source of communication for the student body, I feel all information should have been relayed.

Sincerely,
Johanna Cundari
