TO THE MASSES:

Speaking for a sizable amount of students in the senior class, I was annoyed at finding out the nomination ballot, and final voting ballot were both held last week to determine the graduation class speaker. Two ballots were held without the knowledge of some of the on-campus people, and a majority of the student teachers.

When voting was held last year, all names nominated were placed onto the final ballot, unless an individual expressed a desire not to accept if voted in as speaker. It seems that this year only the top three names of the nomination ballot were put onto the final ballot. Two of these three individuals are not even members of the graduating class of '79, so how in the world can either represent the graduating class?

I give this as a challenge to the officers of the class of '80. You should determine a set of rules to be followed if the class so chooses, to have a class speaker. It should be run as it was last year, where all individuals nominated, were contacted to see if they would like to do it, then have a final ballot with all these people. This final ballot of names should be approved, prior to the vote, by Sister Margaretta, Academic Dean, for assurance that each individual listed is a member of the graduating class. Lastly, some provision should be made for the student teachers to vote them in the voting. It's said to think that probably a good third of the senior class did not even know a vote was taking place.

Class of '80 - I hope you will accept this challenge.

INTERNATIONAL CLUB FORMING

An effort is being made to organize a new International Club for members of the Marian College Community, including students of the English Language Services (ELS) Program. To be successful, it is important to have a near-equal number of U.S. citizens and international students. Some of the goals of the organization will be:

1) To improve the climate of interpersonal relations between international students and American students attending Marian College.

2) To sponsor cultural and social activities for the benefit of international students and American students.

3) To serve as an instrument to ease the transition of international into the fabric of American life and customs.

4) To bring to American students on the Marian College campus a more complete view of opportunities for intercultural enrichment.

5) To promote home visits or family hospitality for international students, especially during holiday periods and summer months.

6) to disseminate information about other intercultural activities available in the Metropolitan Community of Indianapolis.

Formal application is being made for recognition of the International Club by the Student Board of the Marian College Student Association. The writing of the group's Constitution and election of officers will depend upon the response to this membership appeal. If you are interested in involvement in this group, please sign the list in the PUBLIC INFORMATION OFFICE, Marian Hall, room 116.

THANKS:

Many thanks for the very good services rendered to the College Community by the Carbon staff.

NEW CO-EDITOR FOR '79-'80 CHOSEN

Miss Katie Caress, a sophomore from Indianapolis, has joined myself as co-editor of the Carbon. We hope to continue putting out a good product, and ask for your continued support. I’m sure Miss Caress will be a valuable asset to the Carbon and I’m looking forward to a good year. Good luck to you, Katie.

See you Next year.

TO THE MASSES:

Tuesday afternoon, April 24, Marian's Tennis team played tennis against IUPUI here at Marian. We met the team at the courts by the Intramural gym. The first thing they said was — “We aren’t playing on these courts, are we? These courts may have been alright 20 years ago, but they’re in pretty poor shape now. We were almost too embarrassed to play.

On Thursday afternoon, April 26, two friends of mine and myself were standing along the baseball field when the Franklin baseball team arrived. Their first reactions were — “We aren’t playing in this cow pasture are we?”

Everytime we play intramural softball we are running a chance of someone getting hurt. The overall shape of this campus and the student bodies attitude towards this campus is deplorable.

A sports fan.

TO THE GRADUATING CLASS OF 1979:

Let the church bell toll
Let the credits roll
This is the end my friend
This is the end
Let the curtain down and pack up the sound
this is the end my friend
This is the end

And through our lives
Down uneven roads
There will always be another day
Though things sure get
Real crazed at times
You know therers got to be
A better way

So take good care my brother ‘cause you always liked your fun
Hold your head up high
Let your spirits rise
Always travel with the sun
And don’t despair when things look bad
Remember good times that you’ve had
There’s always gonna be the end they say
Though something new is always on the way

Steve (PaPa) Harrison

Congratulations to Mike Winkler for his grade on the last Music of World Cultures test.

SPRINGTIME MUSICALE

There will be a Music Recital on May 6th at 2:30 p.m. in Stokely Music Building. Soloists include Jeff McMullen, Veronica Lewis, Barbara Knarr, Jim Larner, Phil Kern, Pamela A. Wetula, and Roseann Wissel. There will be a reception following the concert.
FOOD SERVICE COMMITTEE MEETING, May 2, 1979

Members present: Pam Wetula, Laura Maxwell, Geri Stewart, and Mark Collier.

Bob Baugh represented Caf Management.

The main order of business was to decide on the study-break snacks for Finals Week. They are:

Sunday night, 11 p.m. - complete breakfast including sausage and eggs
Monday night, 9-11 p.m. - sundaes and all the fixins
Tuesday night, 9-11 p.m. - pizza
Wednesday night, 9-11 p.m. - cheese log and crackers

Dorm students will need their caf numbers for these nights. All non-dorm students will be charged at the door. The set price will be charged, but students may get free refills. Sunday night will be $2.00; Monday, $1.25; Tuesday, $2.00; and Wednesday, $1.25.

SATURDAY, MAY 5th CANOE TRIP

All going on the canoe trip sponsored by Doyle Hall Council should meet in front of Clare Hall by 8:30 a.m. Sack lunches will be provided. Volunteer drivers are still needed, and will be paid $3.00 for each person they take. If you have any questions about the trip, contact Greg Hormiller, rm. 123, ext. 312.

Tom's Canoe Rental is located on State Road 1 in Cedar Grove. (Phone 547-6310.)

The best way to get there is to take I-65 South to I-465 East (also 74-East), I-465 to I-74 East. Travel 74-East for about 50 miles and get off at the Lawrenceburg/St. Leon exit. First exit after the Sunman/Penntown exit. Go left on State Road 1 and follow this road for about 6 miles. Tom's is on the left, right after the Whitewater River bridge.

$50,000 STAMP COLLECTION!

You could walk right past it, never realizing that it's worth fifty thousand dollars. This is the estimated value of Sister Joan Marie Mentrup's impressive stamp collection, housed in the Marian College Library. A jubilarian, Sister has been involved with this hobby for many of her years as an active member of the religious and college communities.

Getting ahold of certain stamps has required some maneuvering on Sister's part. She's become quite good at bartering and trading for those needed for her treasure. She also buys and sells with her regular contacts throughout the country. Sister has gathered many stamps from individual collectors. Inviting any such donations, she emphasizes that, "They are completely tax deductible."

The accumulation consists of representative stamp collections from countries throughout the world. Some of the most interesting come from the far east. Certain tokens from Bhutan, a small country high in the Himalayas, are three-dimensional, depicting such moments as the United States moon landing. Another rare item is one of the first stamps ever printed in this country, dating back to 1847.

BASEBALL NEWS

We did it, we are number 1. That's right fellow students the baseball team is the number one independent team in Indiana. The record stands at 13-1 in NAIA and 16-9 overall. This is by far the most exciting baseball team to watch. Marian plays Hanover next Thursday at high noon on Hanover's turf. This game will mark the opening of the playoffs for the district championship. The playoffs will be a double elimination tournament with the championship game being played on Saturday. The mighty Knights are preparing hard for the playoffs by winning 13 of their last 15 games.

Last Friday, April 20, the mighty Knights dropped a close game to Indiana Central 5-2. The Knights had them on the ropes, before a Central player hit a 3-run homer in the 8th to win the game. Saturday, April 21, the Knights traveled to Louisville to play Indiana University Southeast. In the first game Gary "OTTO" McGee pitched an excellent game. Gary went the distance as the men in blue won 8-1. In the second game the Knights were beaten 15-5. The Knights played well in both games not committing an error in either game.

On Sunday, April 22, the Marian Knights swept a doubleheader from IUPUI: Tom Finchum, Fred Shipley, and Bob Greer hit home runs for the Knights and turned in four double plays throughout the day. This was the first time Tom has thrown since his freshman year.

On Tuesday, April 24, the Knights traveled to Franklin to play the Grizzlies. The Knights once again swept a double header from Franklin. Tim Beringer threw the first game in which the Knights won 6-2. In the second game, Jeff Zartman threw a one-hitter against them. The Knights defensive unit turned in four double plays throughout the day. Fred Shipley, Bob Greer, and Tom Philpot hit for homers for the KNights.

On April 30, Tom Philpot did what many hitters would like to do, he hit 2 home runs back to back in the same game. This had never been done before by a Marian ballplayer. Tom now has his name in the record books of Marian. Way to hit Tom!!! **(Ed.note-paragraph omitted. See below)**

April 29, the Knights played Indiana University Southeast. The Knights took a commanding lead early in the game and coasted home for yet another victory. Tom Maples threw for Marian. Ken Schmutte hit another towering shot over the left field fence. The dynamic duo of Kurt Guldner and Fred Shipley turned in four double plays throughout the game.

May 1, the men in blue played Marion College in their last home game of the season. The Knights swept a double header from Marion. Zartman threw for the first victory 7-1. Beringer posted his best debut this season giving up only 2 hits as the Knights crushed Marion 14-2 in 5 innings in the second game.

The hitting is tremendous. Each pitcher has shown that he can go the distance for the Knights. The pitchers have had an excellent season thus far with the statistics looking like this:

**April 28, the Knights played a tough and stubborn Wabash team at Bush Stadium. Gary McGee and Tom Maples teamed up for the victory. Ken Schmutte hit a towering homerun over the left wall. Strong performances were turned in by Kurt Guldner and Darryl Simko.

I would like to once again thank the literary staff of the '79 Marian Yearbook: Mary Ann Fox, Peggy Clegg, Geri Stewart, Eileen Herbertz, Jane Brockschmidt, Christ "Cree" Harnish. You all did a fantastic job this year, and should be proud of yourselves!

Additionally, I would like to thank all the yearbook staff, and especially Sr. Mary de Paul, for putting up with me...Working on the yearbook has proven to be a most rewarding experience for me.

Good luck Sr. Mary de Paul and your staff for the Marian '80!

Your retiring literary literary editor,
Beth Wathen
