LOCAL ORGANIZATIONS JOIN CAMPAIGN FOR LOWER ENERGY PRICES:
STOP BIG OIL RALLY SET FOR WED., OCT. 17

Citing the growing anger over high energy prices and the effects of those prices on inflation and unemployment, members of the Citizens Action Coalition and 18 other organizations, including the greater Marion County United Auto Workers (C.A.P.), the Church Federation of Greater Indianapolis (Urban Affairs Unit), and the Marion County Central Labor Council announced at a press conference Oct. 10 that they are joining the national campaign for lower energy prices. Here in Indy, the Campaign for Lower Energy Prices will sponsor a Stop Big Oil Rally at 12 noon, Wed., Oct. 17, in the downtown Indy Hilton Hotel. Local supporters of the campaign will also join the nationwide write-in and call-in to Pres. Carter and Congress on Oct. 17, urging them to support the Citizens Energy Program. Everyone is welcome.

THANKS

A special thanks to the members of Biology Club and Circle K who participated in the campus clean-up last Sunday. The campus looks terrific. Also, we'd like to acknowledge the efforts of Paul Fox and The International Club in making a clean-up around the Tea House.

Thanks,
Circle K

BOOSTER CLUB

There will be a Booster Club meeting Wed., Oct. 17 at 11:30 in the Psych. Lab. Functional board members will be expected to report on the progress of their activities. Anyone else is encouraged to come with their ideas.

ATTENTION: Marian College Students (especially) Faculty & Staff

Our freshmen student health records show that 27 out of 87 (records on file in my office) students have not had measles or been vaccinated against measles!

The Marion County Board of Health has asked me to encourage such persons to get a measles vaccine as soon as possible. They say that our student population is wide open for an epidemic if one were to occur.

Please all students be aware of this and perhaps during break make arrangements to be immunized against measles, then please let me know.

This office will try to accommodate any persons who wish to attend to this issue.

Also, since I have only 87 freshmen health records and our total freshmen enrollment is over 200! may I encourage freshmen and all students to please have a health record on file in my office. A good time to do this would be over break.

If I can be of any help please contact me at ext. 552, Mon. through Fri., 11:30 a.m. - 2:30 p.m.

Thank you,
Mrs. Osborne, R.N.

Married? - "to be or not to be" - this is the question. Should the clergy and the religious be married or not be married. In my humble opinion, marriage should be made optional. One should have the free will to choose. If married, of course, he/she will have to see that one does his/her duty both by the parish and by the family. One cannot say that, by marrying, the clergy and religious will be diverted and divorced from their prime religious duties. - No. It depends on the individual. If he/she can handle it, one should have the option to go right ahead. If after marriage he/ she finds its not going to work, well, then there should be no way of breaking away. It was one's own seeking and it is his/her to live with. One can't blame any one. The option was there. One chose through one's free will. Hence one has got to stay still and work with a will to climb that "hill" - Success will be near.

I don't believe in nuns and priests leaving the nunneries and priesthood, because they can't live up to their expectations. They are chosen by God. They have got to stay there with the faith and hope in the Lord to bless them and help them carry through their calling on earth. Punishments come in different ways. If we err in anyway we got to suffer and repent to make up for our sins. There are ups and downs in life. We have got to face it like a human person born in this world has to suffer and die. No one can escape that. Hence one has got to stay still and work with the sufferings.

Married clergy and religious should be prepared, with the grace of God, - to carry through any trials and tribulations. This does not mean, that by not marrying you will not get into any difficulties. - No. Every human person born in this world has to suffer and die. No one can escape that. We should use our free will to choose the right status and fight with true grit to achieve our objectives and our demands by others.

The Bible is the guide to Christians. Christ's wishes and God's laws are in the Bible. If one lives according to The Book, one has nothing to fear. The Bible respects freedom. It's the right of a human. Any Body that infringes on the human right, infringes on God's wish. Anybody is free to choose as long as they live up to their choosing and the demand of their choice. - Neel.

MARRIAGE and CLERGY and RELIGIOUS

P I N P O I N T

As to the question of married clergy, I am rather torn between the alternatives as is my learned colleague, but I must choose the opposite course. As Neel points out, marriage has its trials just as any path chosen in life has its trials. I do not believe that the duties of a priest or religious would be fulfilled as well or as acceptably if he were married as if he were not married.

The dealing with human problems is the main duty of a priest in this 20th century world, how can he deal with the problems of his religious community if he is also having problems.

As it stands now, the Catholic Church acknowledges marriage as an honorable course for the lay people of the church but not for the priests and religious.

In conclusion the option should exist but with the stipulation that the problems of community and church come before marriage - how many people can be in love with someone and still offer selfless and total dedication to the church?

TAG NOTES

Sunday the 7th, TAG sponsored a canoe trip to Turkey Run State Park and the result was a fun filled day of sunshine, sparkling water and colorful trees.

We paddled 12 miles from the beginning at Shades Park into Turkey Run, stopping to eat lunch on the rocks and watch the other paddlers rough it over the rapids or get stuck by the rocks and launch themselves into the water. We even met some Purdue Boiler-makers to race down the creek with.

We had a Great time, despite one of the canoes being tipped over and two unnamed members being soaked to the gills.

There will be more fun activities planned by TAG in the future, so watch for bulletins and be sure to catch the next event!

P.S. Auditions for the Variety Show sponsored by the Booster Club and TAG will be Oct. 24th at 8 P.M. in Piene Arena. The Theme is Broadway.

Howdy, fellow cattlepeople, Deputy See Peter hyar, talkin' atcha from the Double-Bar-Maid Ranch. We just got done rustlin' up some sheep, and are lookin' for some gay caballeros... But forsooth and by golly, hyar's Sheriff Billy Shakespeare: Howdyeth, mine fans, and sitteth down and listen, ye polecats. To brand or not to brand, that be the question. Yee-haw! I can't wait for "Twelfth Night". By Yorick, I remember writin' that in some-or-other high-falootin' lingo, but they got it down to the bare essentials. An' just wait 'til ye-ee-all see that wondrously voluptuous bar-room painting. Hoo-whack! If'n that don't settle your spurs, ye ain't human, ye varmit. Well, Anne Hathaway from the Stratford-on-Avon Saloon's lookin' at me real worried-like, so I'll turneth thou back to See Peter.

Thanks, and let's have a big hand for our licentious lawman. Okay, that's enough. Look for "Twelfth Night" coming to an Auditorium near you (if you live in Marian Hall.) Well, Margo is still radioactive, and has been growing.... appendages. She has five on each side now. And I've got radiation burns or some bizarre disease. If it's a disease, it's probably from Bette, who's been out at Methodist, licking student nurses. Ah well, life's a banquet and most poor Sid's are starving to death. (thanx, Jerry Herman.)

That's all, the skin is puffing up. Tah!

See Peter

TO THE MASSES:

I would like to take this time to thank two aspiring comedians, (correction: 1 aspiring comedian and 1 desiring theologian): Miss Cindy Wollenweber and Miss Maureen Riley for the lovely birthday gift that walked into Room 208, last Monday, October 1, during Mr. Doherty's 8:30 Modern Europe class. We all had the privilege of being entertained... You mean nobody on the 2nd floor heard the kazoo? Sister Sue B. did.

Thank you again, I'm so glad I have great friends like you two... And you thought I forgot!

Love,
Beth Pardi

P.S.: For information about sending Singing Telegrams contact Beth Pardi, 786-0891 in the evenings.

CORKY'S COMMENTS

Hello all you chumps! I wish you all a good day. Saturday Oct. 6 was Parent's Day for the volleyball team and hey, what a turn out. I've never seen so many good looking parents, wonder what happened to their kids!(just kidding.) Alas it seemed as though we had Marion smoked in the first two games but we ended up losing the match. But don't lose site because last Tuesday we had astonishing victory over Anderson College. Here are the scores for both matches:

Marion vs. Marian
0 1 11 15 8 15
15 13 4 15
15 10 15
15 8

Here is another update on one of my fellow volleyball players:

Becky Brothers is from Roachdale, Ind. She graduated from North Putnam H.S. where she participated in track, basketball, softball and volleyball. She continues her athletic career here by playing volleyball, basketball and softball. She carries the title of President for both the softball club and M.C.A.H.P.E.R. Last summer her slow pitch softball team placed 6th in the state. She enjoys such hobbies as refinishing furniture, cooking and all sports. Her major is P.E. and her minor is History. She is planning on teaching on the secondary level and if that fails she is hoping to be the second woman to tryout for the Pacers basketball team. (just joking)

P.S. Our next volleyball game at home is Oct. 22 against I.U.P.U.I. Ft Wayne.

PARTY

Business and Accounting people will be having their semi-annual party at Riverside Park (across from the Armory) today. It will start at 4 p.m. There is a one dollar charge for the usual refreshments. There will also be hamburgers and hotdogs. Bring a frisbee or football. Everyone is invited.

TO THE MASSES:
