JUNIOR PROM FRIDAY NIGHT

Friday night, the iMramar Club will be the scene of the annual Prom sponsored by the Junior Class of Mariah College. Barton Rogers and his excellent orchestra will supply the music for what will be an enjoyable evening for everyone who attends.

The juniors have nominated five senior girls who will vie for the crown of Prom Queen. The girls are Anita Dreiling, Shella McCann, Mary Jo Metzger, Mary Agnes Milharic, and Nancy Zore.

From Chairman Joanne Lintzenich and her committee have been hard at work for the past weeks to insure a happy and memorable occasion for everyone.

NOTES FROM TRAFFIC BUREAU

Bernie Dever, who will do anything to get his name in print, has asked this official organ of the Student Board to warn all traffic and parking violators on the campus that they are incurring fines for every ticket which must be paid before the individual is permitted to take his final exams.

Some students who have been taking a rather light-hearted attitude toward tickets have run up bills in the office amounting to over $15. If any philanthropist feels like donating money to the college, this is as good a way as any.

EXPERT ON RUSSIA TO SPEAK HERE

Dr. Robert Byrnes, who is head of the Indiana University department of History, will speak at the Honors convocation Assembly here on Thursday.

Dr. Byrnes conducts this school's course in Russian Revolution in a weekly television series. The lecture is sure to be both interesting and informative.

THE CARBON SALUTES

Nancy Heiskell for her selection to the court of the queen of the 500 Festival. (This plug should be worth the use of that car for a day or two)

Bev Eckstein, Sue Fearn, Joe Kempf and Larry Sweeny for their good taste and foresight in selecting the new furniture and decor of the Mixed Lounge.

Dan Kallmeyer for his 2.33 earned run average and his .233 batting average.

Charlie Robinson and Suzy Dufour as next year's junior class officers.

Our new delegate to the NFCCS, Betty Koppi.

THE CARBON HISSSES

Students who use the Marian College driveways for a drag strip, endangering the lives and limbs of students, faculty, and Harry Slow Down! The Indianapolis weather man.

The newspapers who are taking the entrance of a Catholic into the race for presidential nomination as an excuse to air their anti-Catholic ideas. Religion is not and should not be made an election issue. It is absurd to make statements which imply that the Pope will run this country. It is equally absurd to vote for a Catholic for president only for that reason. It is Jack Kennedy who is running for nomination, not the Catholic Church.

Catholics are not bound to support a Catholic or explain any of his actions or political or personal opinions. Any man who is elected president is bound by the same rules: to do his job to the best of his ability and as he sees fit.

************PRAY THE ROSARY************

May is the month of Mary. Try to make that extra effort to pray the rosary.
SPORTS

The 1960 version of Marian Knights golf team finally got back on the winning track over the Easter vacation. Led by Bill Murphy's sparkling 69, the Knights whipped a Hanover team which is ranked as one of the best in the state by the lopsided score of 15-6. Louis Firsich, Mike Corcoran, and Tom Bubb all contributed points to the cause.

In a meet at Ft. Wayne, hampered by high winds and a driving rain, Marian split a three-way meet. Indiana Tech edged Marian 8-7, but the knights trampled little Concordia 13-2. A few days later, Anderson College also fell victim 10-5 with the highest Marian score for the day being 81. With this sudden surge, the linksmen are looking forward to a creditable performance in the Little State meet this Friday at Ball State. The tournament consists of a 36 hole stroke play event among the approximately sixteen teams entered.

The baseball team encountered difficulty with both opponents and the weather over Easter. They dropped a 9-7 decision to Indiana Tech, due to costly errors; After leading the Butler Bulldogs 2-1 through six innings, the opponents rose up and pulled the game out of the fire for a 7-3 verdict. The team has been sparked by the timely hitting (.480) of Bill Kelsey and the pitching of Rudy Jansen. The baseball record now stands at two wins, four losses, and two ties.

The Knights were rained out of a double-header with the Huntington Foresters which they were highly favored to capture. Marian plays Indiana Central on Thursday, then tackle the Earlham nine on Saturday in a doubleheader.

The keys to all of the doors in the mixed lounge are missing. Someone borrowed them before Easter. If it was you, would you please return them to the office.
