STUDENT BOARD TREATS STUDENTS

A free picnic and hayride, open to all Marian students, is to be the annual Student Board end-of-the-year affair tomorrow night at Dehart's farm. Mountains of hot dogs, ice cold drinks, and potato chips are promised to all who attend. Highlighting the evening will be the hayride, complete with all the laughs, strawbattles and just-good-clean-fun which always accompany such an outing. So grab your best gal or best pal and scoot on out to Dehart's farm tomorrow night at 7 and stay until 11 p.m. If you rush down on to the table by the bookstore, until Saturday you will find there real genuine, hand-drawn explorer's maps which show the way to get there, and are a sure guide to fun, grub, and a good time.

* * * * *

This Sunday, Marian's 1959-60 Campus Queen will be chosen from one of these lovelies: Anne Marie Hagg, Billy Burke; Anita Droiling, Nancy Heiskell, and Nancy Zoro. The queen will be crowned right across from the Library, weather permitting, amid the golden voices of the Mellowtones-Vibratones. The procession will then go to the auditorium where the queen will address the student body. The regal splendor of the event will make it an occasion that none will soon forget.

The Junior class representatives are Paulino Boll, escorted by Tony Benedict; and Ann Ebbert, escorted by Mike Sifferlid. Sophomore class representatives are Judy Huhn, escorted by Fred Peterson; and Barbara Roop, escorted by Tom Bubb. Freshman representatives are Katie Arminon, escorted by Joe Kempf; and Nancy Coleman, escorted by Mike Noonoo.

Escorts for the Queen candidates are respectively: Gene Hungate, Frank Stites, Jack Borchertmeyer, Joe Echman and Jerry Zoro.

The program begins at 2 p.m. on Sunday.

THE CARBON SALUTES

Miko O'Connor, who did such a tremendous job Wednesday in organizing Field Day (but would you please get rid of that greasy pole in the parking lot?)

Chou Phan, Marian's No. 1 grassed pole climber.

The student body for the restraint they showed in insuring that Jim Schott and Field Day will remain here.

John Stegal for eating 1/4 of a blueberry pie in record time.

Dave Zeyon and Mike Doery, who must have the most delicate touch in Marion County in tossing the egg 213/4 inches—a new world record.

THE CARBON MISSES

The Vets and their frothy float—we thought it was a sterling idea.

The Juniors and Seniors for losing the tug of war against the Freshmen and Sophomores.

Dick Simko for a brilliant 52 on Coffin's first nine.

FINAL EXAMS START NEXT WEEK

Please Panic Quietly!
KNIGHTS TAKE TWO, THEN BOW TO INDIANA CENTRAL

Sporting a record of two wins, four losses, and two ties, the Knights took the field against Earlham last Saturday and shelled four pitchers from the mound in sweeping both ends of a doubleheader, 11-1, and 2-0. Rudy Janson, the starting pitcher in the opener, went all the way and allowed only one run during seven innings of fine hurling. Jerri Williams then took to the mound and likewise turned in a sparkling performance, pitching seven innings of scoreless ball to blank Earlham, 2-0. Both pitchers were supported by a crew which was nearly flawless in the field and vicious at the plate.

The error bugaboo finally caught the Knights Wednesday afternoon against Indiana Central as a rash of costly overthrows and miscues erased a 5-0 Marian lead in the top of the third. The Greyhounds drove run after run across the plate as Marian loaded the bases twice with none out and failed to tally. They finally left the field on the short end of a 15-5 score.

The Knights record now stands at 4-5-2, and we are confident that they will improve on this in the remaining games.

LINKSMEN PLACE HIGH

In the Indiana small-college golf meet held at Muncie last Friday, the golf team placed twelfth in a field of 20 sharp-shooting teams. The Knights were only 57 strokes off the winning pace or 5½ strokes per man per round. Among the independent colleges, the linksmen placed sixth in a field of eleven teams. Their record now stands at three wins and five losses, but with Bill Murphy and Louie Firstich hitting the ball the way they have been recently, Marian looks forward to whipping Concordia in their next match at Riverside.

LETTERS TO THE EDITORS

All Marian students connected with the Red Cross activities appreciate the public recognition given them at Wednesday's meeting. However, in all fairness, it must be stated that without the cooperation of other campus groups, Red Cross activities would have been extremely limited this year. Special recognition should go to the PLAYERS and the various CHORAL GROUPS without whom the entertainment at Vets Hospital and Marydale would have been impossible. Also the YCS and Social Science Department pushed important types of service at Central Hospital and at Home Service at Red Cross chapter house. The Physical Education department has in past years boosted course work in a commendable way as also has the Chemistry Department. Last, but not least, the ADMINISTRATION should be thanked for its whole-hearted sanction on our activities, and the CARBON and the PHOENIX for publicity.

The Red Cross Operating Committee

QUIPS NOT WORTH QUOTING

So that our departing seniors may provide inspiration for our struggling underclassmen, we pass on these philosophic statements:

"I hope someone gets me a steam shovel." Alice Bonvillain

"Where did all of these sandtraps come from?" Mike Corcoran

"Let's hop on down..." Frank Stites
