Did Someone Say $5$8$R$M$G? 

Ah, yes! Now's the time to start hunting for a red fox tail for your convertible's radio antenna; it's time for burmudas & jamaicas & tennis & golf & green grass & mowing laws... for picnics and kites, walks in the sun & wading over slippery rocks of a stream in your bare feet... for fishing and hunting & sun bathing. "Wait a minute, bud! What's all this..
Look! Look! Look!

Someone is in the Garden!

Look. Look. See. Look and see the house. The house is white. It is a white house.
The white house has a garden. What is in the garden? There is grass in the garden. What is it?

It is a football. Is the football lost? Who lost the football? Did Jack lose the football?

Yes, see Jack looking for the football. Jack is in the garden by the white house looking for the football,

It is a touch football. It is a touch football. Wait!

Jack sees the football. Jack does not pick up the football. Is Jack looking for something else, What is Jack looking for?

Look. See Bobby, here comes Bobby.

See Bobby in the garden with Jack.

Jack and Bobby are in the garden. What are Bobby and Jack doing in the garden? They are looking for the football.

No. They are not looking for the football. Jack and Bobby are looking for something else. Wait! Here comes father. What is father doing in the garden? Father, Bobby and Jack are looking in the garden. Here comes mother. Mother, Father, Bobby and Jack are in the garden looking for something.

Here comes Ted. Here comes Bunice. Here comes Pat. Here comes Peter. Here comes Sargent. Here comes Jackie. They are all in the garden looking for the mandate.

Who has the mandate? Where is the mandate? What is the mandate large or small?

Dwight David had the mandate. He had the mandate for eight years. He got the mandate from Harry. Harry got the mandate from Franklin. Calvin had given it to Herbert.

It is hard to keep the mandate. It is hard to get your hands on it.

Dwight David tried to give it to Richard. Did Richard get the mandate? Is Richard hiding the mandate that belongs to Jack? Does the mandate really belong to Jack? If the mandate belongs to Jack, why doesn't Richard give it to Jack?

Maybe Richard doesn't know he has the Mandate. Does Jack think Richard has the mandate?

Does Richard think Jack has the mandate? Who has the mandate? Does Jack need the mandate? If Jack, or father or mother, or Jackie, or Ted or Bobby, or Bunice, or Sargent, find the mandate, what will they do with it? Look. Look and see.

See Baby Caroline. Here comes Baby Caroline. No one is watching Baby Caroline. They are all looking for the mandate in the garden. Baby Caroline has two ducks. Wait! Baby Caroline has the mandate!

Look! She is feeding the mandate to the ducks.
