We, the editors of the CAREON, would like to offer our words of praise to the Knights for the season just passed. Truly, their record 5-20 doesn't tell the entire story. It doesn't tell you that the Knights played schools with enrollments nearly doubling Marian's, that a majority of the schools offer athletic scholarships, that the Knights many times gave up several inches per man and that the Knights lost twelve games by six or less points, including the last ten losses. We are not offering these as excuses but only as variables in that unknown formula for winning.

Only five members of the team can play at the same time, but all ten team members made up the enthusiasm, determination, desire and ability which was present and displayed in the Knights. "A team is only as good as its weakest link" and the way the entire team hustled and played during the season with each player giving his all, whether it was in the game-playing or just warming up before the halves, each contributed to the strengthening of his link in that chain called team-work and team-play.

You can praise a team with many flowery words, exaggerate their skills and talents and generally acclaim them "World Beaters", but the man who builds and molds a team into a working unit is completely forgotten. The coach, who spends all summer figuring what was done last season, and lining up the schedule for his team, is still the brains and power behind the team. We believe our coach—Mr. Fields— deserves this praise, and also a great deal of thanks for coaching the Knights and especially for remaining here at Marian even though he has received no assistance from the Scholarship Board.

In the last edition of the Phoenix the intramural team, "The Tigers", was shortchanged. In naming the players, Steve Noone and Jerry Zore were some how left out.

Student Board Meeting 2/27/62

Three money motions were made and tabled for 2 weeks. Fritz Feltman placed the Constitu-
tion for the Vet's Club before the Board, this was also tabled as there was not enough time for adequate discussion.

Most of the meeting was taken up with a discussion of the Mixed Lounge initiated by a num-
ber of interested students, present at the meeting. The Board finally decided that Chronic offenders will suffer loss of ID cards and will be called before the Board. Art. I, Sec. 5 of the Bylaws of the Student Ass. Con-
stitution clearly mark this action.

"The Executive Board reserves to itself the right to issue student identification cards insur-
ing the student the right ... to make use of recreational facili-
ties of the college, to revoke the cards and their accompanying privileges when deemed necessary to hear cases of appeal by offend-
ers, and to recommend to the disciplinary committee if further disciplinary action is judg-
ed advisable."

The M-Club is collecting funds to finance a promotion movie of Marian to be shown to local and district schools. Dick Phillips has suggested a donation from the Board and stated some funds would possibly be sup-
plied by the Administration. The returns from the faculty -- student game will also go to this very worthy cause. Support this project 1) encourage your represen-
tative to vote in favor of the motion before the Board, 2) buy a ticket, whether you go or not.

Buy a ticket from any M-Club member, the game is 7:30 Sun.

Louise Elias on a farm! We thought she felt the 4H was communistic!

Recently it has been brought to the attention of the Board that the Mixed Lounge is being kept in a shabby condition by some of the students. The Board wishes to remind everyone that it is each individual student's obligation to assist in keeping the lounge in a respectable condition.

Also we wish to remind people the cafeteria is the ONLY place where lunches are to be eaten, that bottles should be replaced in the cases, that cigarette butts should be placed in the ash trays and finally all other trash should be placed in the trash cans.

Unless conditions improve, action will be taken by the Board against chronic offenders. Your cooperation will be appreci-
ated.

TREES I

"I think that I shall never see
A girl refuse a meal that's free
A girl whose hungry eyes aren't
fixed
Upon a drink that's being mixed
A girl who won't forever wear
A bunch of junk to match her
Hair
A girl who looks at boys all day
And figures ways to make them
pay
Girls are loved by jerks like me
Cuz. who the heck could kiss
a tree."

quoted from the Penn Fix
