STUDENT BOARD MINUTES FROM MARCH 15 MEETING

LOUNGE REDECORATION: The T.V. in the Mixed lounge will be moved into the T.V. room and this room will be furnished with the chairs and couches which presently occupy only wall space in the lounge. The white wall that has been smudged by eager ping-pong fans will be repainted and the new partition will be varnished. The B card is looking into new game tables and chairs for the lounge. We hope you enjoy these changes!

CONSTITUTIONAL REVISIONS: The B card proposed several constitutional changes which will affect this year's election. The official referendum concerning these changes will be out as soon as they receive faculty approval.

In essence the changes are as follows: The position of the Religious Affairs representative on the board will be replaced by the Inter-Club Council president. The clauses in the constitution referring to the NFCCS Senior Delegate shall be replaced by clauses referring to the Marian College Campus Committee Chairman. (This shall be an off-board committee to encourage even wider student participation in student government, to better facilitate the board, and to better organize the national contact of the Student Association (presently the NSA).

These changes shall in effect strengthen both the Inter-Club Council and the national contact organization by relieving one man of a two man job. Other resolutions which directly concern elections procedure were: provisions made so that a junior can officially be eligible for Student Board President. The series of elections for all school positions shall take place in three weeks. In the first the president, secretary, Inter-Club Council President, and publications rep. shall be elected. The second will be immediately after vacation and includes vice-president, treasurer, campus committee chairman, and day student rep. Other elections shall be conducted by the separate factions but must be finished by May 11.

The publications representative shall be the editor-in-chief of one of the four major campus publications—the Marian, Fioretti, Phenix, or Carbon. The board wishes to encourage all to participate in the referendum concerning these changes when it appears.

Finally

Student Directories are now on sale in the Perc and the Bookstore. The Directories are being sold for 90c with 3 mills profit going to the seniors for every directory.

The Directories will never be sold below this price which would be a lost. So you who are waiting for a Spring sale get busy and get your directory now!

GIRLS

You may have a chance to entertain your favorite April Fool this year. On Saturday, April 3 the Booster Club will hold a Farm-About Dance in the Mixed Lounge. Start thinking about which one of Marian’s cool, suave gentlemen you will ask.

If you plan on asking a senior better hurry cause they’ll be snatched up quick!

RED SHOES

They really aren’t in fashion but the English Novie Red Shoes will be shown this Friday night. This series of movies and discussions have proved most entertaining.

Judging from the crowds(right here at Marian, even), you're missing something if you don't attend! See you there!

The CARBON'S color-blind

Although the CARBON never apologizes we feel at this time(under considerable pressure from James Bang) that we must admit the Purple Paddywagon is— in reality—a Maroon Machine.

The first thing that turns green in the spring is Christmas jewelry.

EXCITING—NEAT

In the absence of Sports Editor Fred Carr, his assistant will attempt to bring to your attention a down-to-the-wire finish in the intramural basketball league. The Sugars and Vets head into Sunday's action with 10-0 records. A Rummy road is ahead for the Vets with the Whis Kids and Old Dogs, this week and next, while the Sugars face the Mixers and Trashmen. This exciting duel will see its conclusion April 4 when these two demons of the court clash at 4:00 p.m. The Whis Kids have a slim outside chance of derailing these two leaders.

Games for Sunday, March 21:
11:00 Jokers vs. Chews
12:00 Manuah's Mixers vs. Sugars
1:00 Vet's vs. Whis Kids
2:00 Ace's Full vs. Passionate Few
3:00 Hotshots vs. Rogues
4:00 Finks vs. Old Dogs
5:00 Bombers vs. Trashmen

Mr. Lawrence has vacated

With the advent of Mr. Lawrence's vacation, the cafeteria hashmen have been cast into a state of mass confusion. Though the Saga Food Service has sent an experienced replacement, we feel that it is our duty to inform the students that they may be fed anything for the next two weeks. Good luck Mr. Fletcher and beware of the boys from the South.

Leadership Workshop

The L eadership Workshop wishes to thank all those who voted in the poll last Monday.
