THE PRESS OF THE POPULOUS

One of the most important freedoms which exists on our campus today is that of free expression by students through the press. The CARBON dedicates itself to this purpose. However free expression does not mean just the expression of the writer's and editor's views but by necessity includes those of the readers. We are always open to and welcome your criticisms, comments, and opinions as they add spice and controversy to a journal such as ours. The CARBON is your newspaper and will continue to work toward the better Marian we all desire. We anticipate your remarks.

THE DAY IS ALMOST HERE!

Interested? Come! The Welfare Program entails your spending just a few hours each week with grade school children, on welfare relief, some of which have never been away from their block.

You can educate them by your friendliness, your recreative activities or tutoring. If you have an interest in partaking in this program, you must attend the meeting with the people from the Department of Public Welfare on Tuesday, Oct. 19, 12:30 in 251.

FRESHMEN NOMINATIONS!

Today is the day for intelligent, interested Frosh to put their best names forward for Class officer nominations. It is essential to consider this process seriously, for through these officers you as a class must realize your potential.

In considering this election, note that the candidates for freshmen class offices must have an outstanding high school record. Remember too that no campaigning will be allowed until the official nominees are announced on Monday, Oct. 18. Finally, no signs and posters are allowed beyond the ground floor of the administration building.

The end result of these nominations is up to you. So exert a little energy----See you at the polls!

WHAT WOULD IT BE LIKE....

without the CARBON; to have a date for the Sophomore hayride, to meet Corny at Manuah's Mixer, to have freshmen men instead of boys, to have a clean Mixed Lounge, to be without Bernie Zimmer's flagpole, to be a Free Thinker of M.C., to have Glean call you by your first name, to be a Manuah mixer, to remain an unmarried JUNIOR girl, to see Fred Carr, to walk right into the cafeteria, to have your parents stay home on Parent's Day, to have a CARBON without a censor.

WHAT A MESS!

Looking back on Oct. 10's Intramural football action, one is very perplexed by the results of games.

The Ungawas were still looking for their first score of the season after being shut out by THE Best, 13-0. Even though freshmen in nature, the Nutty Nine showed brute power in trampling the still scoreless 1969's, 25-0. After an opening setback, the Manuah Mixers bounced back at the expense of the U.N.C.L.E. crew by an 18-7 count. What had been forecast as the championship determiner left the question unanswered as the McCoy's and Carpetbaggers fought to a 12-12 tie. The '68's plus tax were idle.

College Information Day's top attraction will be the McCoys and Nutty Nine clash in a test of unbeaten.

Sunday, Oct. 17:
1:00 Nutty Nine vs. McClos
2:00 Ungawas vs. Carpetbaggers
3:00 '68's Plus Tax vs. U.N.C.L.E.
4:00 THE Best vs. 1969's

Because of the mixer, the Manuahs have the day off.

TRIO TREAT!

On Oct. 30, the Marian College Auditorium will echo with cheers as the TOWNE HALL TRIO presents its first full concert on campus.

The profits from the performance of this energetic group will enable our Marian Diamond Nine to appear clothed in the proper apparel for the coming season.

Under the sponsorship of the Booster Club, this Trio's concert promises to be well worth the admission price of $1.00 ea. or $1.50 per couple. Sales will be city wide. So get your tickets early from any BOOSTER CLUB member or the baseball players.

MIXIN' WITH MANUAH

Faithful followers of Manuah, celebrate the potent god's feast day, Saturday, October 16. Highlighting this day of celebration will be the Manuah's Mixer, one of the year's big social events. Scene for the gala festival will be the Taj Mahal of the Midwest, the MC Mixed Lounge. Solemn ceremonies begin at 8:00 and will continue until 11:30. There have been no dictates from Manuah concerning specific restrictions; cost will be seventy-five cents.

Come and see the return of the son of Manuah, Cornelius Ollahan, the prophet of Cape Cod, will meet and greet each and every one of us. This year's theme, like last year and next year's will be the blasts from the past. Yes, those rusty, dusty, moldy oldies from the trashpile of golden goodies can be heard throughout the evening. And for the lovers of the contemporary sounds in popular music, we will feature the music of Motown, mersey and the surf. A high-priced D.J. has been flown in for the big affair. We will please everyone. If you are not pleased, I'd begin to worry.
