Student power is not only a watchword for riots and destruction, because at Marian, it is also a constructive watchword for student involvement. Student power has not only been witnessed in the Student Board this year, under the fine direction of Tom Turner, and in the student involvement in the elections but it is also being constructively implemented, through a grass-roots program called Operation Up Beat. Organized through the efforts of Sue Mailloux, Judith Logel and Bill, are-you-sure-thats-verifyable, Pedtek, Operation Up Beat is concerned with providing less fortunate, but equally capable, high school students with a chance for a college education.

The program, this summer, will involve fourteen inner-city tenth graders who will live on campus five days a week, over an eight week period. The students weekly schedule includes classes and activities designed to be educationally and creatively stimulating. Classes include creative writing, speech, and practical math. Activities include sports, projects in the community and chores on campus. To date, twelve faculty members have volunteered their services. Although Operation Up Beat can only take fourteen students this summer, if successful the program plans to expand next year, but it needs your help. Four Thousand Dollars is needed to finance the summer operation, as well as, part-time student and faculty volunteers. Students will be canvassing the campus for financial support and volunteers may contact Sue, or Paul Kasmierzak, the administrative directors. Sue and Paul hope that each student could give one dollar.

Other programs like this have been organized all around the country, those closest to home involving Indiana University and Indiana State. Operation Up Beat is a bid for constructive student power and involvement, as well as, a bid for assistance to our community and our neighbor. The program is here, it needs your help and it wants to grow. Let's germinate this seed into a tree of opportunity, towering above indifference and complacency, to show that someone cares for those people who don't get all the breaks.

Because I've defected this article will not be the most accurate Phoenix article ever published. This Saturday, May 11 in the Old Mixed Lounge is the Racy Room for all you racy people. The Wilshires from Lema City, Illinois are playing. Fee is $1.00 stag and $1.50 drag, so if some of you stags will pick up a few drags and go halfies it'll be cheaper.

Speaking of things being cheaper, Mr. Rath and the financial aid office have moved to the headmaster's house. It fits.

There's an art festival, artwork on exhibit and for sale, from 12:30 till 5:00 pm Sunday, May 12.

Future Teachers have to learn to teach (just think of some of 'em we have now and you'll know why). So S.E.A. is recruiting new members today in front of the auditorium. All library fines must be paid in the "B.O." before any exams are taken.

And for the announcement we've been waiting for - "Escape to Loneliness" that classic film in living, dynamic color will be shown Wednesday night at 8:00 pm in the SAC Auditorium. It's a student production, for a class, written directed and starring the wonderful and marvelous John O'Kane, who has since defected to the efforts of Sue and Paul operation Up Beat. Sue and Paul hope that each student could give one dollar.

SPORTS
Baseballers Even, Golfers Looking Good

Coach John Harkins' boys knocked off Indiana Central Wednesday night to go one game over .500 with a 9-8 record. In that Riverside contest, Jack Adams hurled a 6-hitter and struck out 9 Greyhounds enroute to his complete game victory. Marian's 5 hits went to Dave Robbins, and Larry Brodnick with one double each, and Larry Hornback, Steve Taylor and Adams with one single apiece. Brod's double drove in two of the three sixth-inning runs which iced the game for the Knights. The final score read 5-2 favoring the Marimates.

Last Saturday Hank's larks split a twin-bill with Anderson by taking the opener 7-4 and dropping the second 9-6. In the first tilt, Marian was outhit by the best Ravens but the Knights got the hits when they counted. Paul Adams socked a solo home run while Larry Hornback had a triple and a single to his credit. Chris Burkhart and winning pitcher Tom Knoll also had a single apiece.

In the second game, MC had the hits but not the runs to go with them. Dave Robbins and Tom Knoll had a triple and a single apiece while Mel Wilhelm, Chris Burkhart and losing pitcher Jack Adams struck one single each.

Sunday saw the Knights give and take once again, giving host Ville Madonna a 7-0 game while taking a tight 3-2 verdict. In the Marian win, Larry Hornback showed that North Dearborn never by unleashing a towering home run plus a double and a single for his day's efforts. Steve Taylor and Tom stroked 2 singles each while Larry Brodnick and Dave Robbins collected a one-bagger apiece. "Arnie" Goldsmith picked up the victor in relief of Jim Northcutt in the sixth inning.

In the losing effort of the second game, Marian got only 4 hits - singles by Robbins, Knoll, Burkhart, and losing hurler Bill Scheller. Ville got 4 in the first and 3 in the sixth to ice the verdict.

Next week the Knights take on Earlham in a home twinbill on Saturday (that's tomorrow) and then play host Butler on Tuesday.

GOLF
The golf team boosted their standard to 7-5-1 with three victories in the past week. In a triangular match with Franklin and Southern Kentucky, Marian nulled out a double victory, beating Franklin 10-8 and So. Kentucky 11-1. In the triangular event Mike Romancos posted a 76 to capture top honors. Later in the week Bob Hammerle's 73 earned him the medal for the match as Marian outpointed Indiana Central 10-8.

Fr. Pat's suffers return to action on Monday when they host Anderson at Coffin Golf Course. Then on Wednesday the direct-ingers trek to Northwood for the season finale!

TRACK
Adverse conditions hindered everyone in the Little State Meet last weekend. As for our own hurl-a relay team, a 47 second run was all that transpired.

Tuesday the swiftest took the hills - Hanover varsity and Marian had some good efforts (cont. on p. 11).
Q. Has the Student Personnel Office given out a statement on the policy of removing articles from residents' rooms?
A. A statement which clarified the fact that nothing would be removed from the residence rooms except in case of extreme emergency. Hopefully there will be a further clarification of this for next year. —Steve Miller

Q. Who won the T. V., raffled-off by the Drum and Bugle Corps?
A. I did. —D. Kucer

ROUND MANTOWN

NON-DECLARATION OF A WAR ALREADY IN PROGRESS

In this, the era of the "cold war", the social set has "suggested" possible "slight aggression" for purely ideological reasons against N.O.R.E.D.O.M. Advocating a non-violent aggression against the "Big B's" un-American policy of Saturday nights watching T. V., Paul Newman has been named general of the non-aggressors (that's good guys to you!) He has gathered much experience (military experience, that is) in the cold warfare of The Secret War of Harry Frigg now at the Nora, 1300 East 80th Street.

Allv Herb Alpert is gathering his forces, the Tijuana Brass, at the Hinkle Fieldhouse on Sunday, May 12, at 8:30 p.m. All troops will meet at the "500" race track for Qualifications on May 18, 19, 25 and 26 if they can muster up 12 a.m.

(Perhaps Congress will foot the bill under Foreign Aid.)

Following indoctrination, the soldiers will be entertained by Nancy Ames, the TV3 girl, at the Embers, 2034 N. Meridian, tonite and tomorrow at 8:30, 10:30 and 12:15 a.m.

That's the plan of action and if anyone is willing to treat everyone to drinks on the course, I think we can be talked out of all this.

NOT THAT IT MATTERS MUCH, BUT... (CONTINUED)

haughtiness which has so much become an integral part of the American way of life. Perhaps the docility and defenselessness of only the new-born infant could match that of the twenty-one year old college senior, clad only in shorts and socks, with brown论文 bag containing valuables in hand, as he is brutally herded from station to station by smirking, fully-clothed sergeants.

Another important lesson of the day was the importance of appreciating a well-structured system for accomplishing the monumental task of examining so large a number of people with the least amount of inefficiency. For example, I thought it remarkably clever of the Army to schedule the blood test after the urine test rather than before, especially since no living human being with the possible exception of Steve Reeves, would have the strength to urinate after losing so much blood.

A final lesson to be learned by the examinee, especially if his sentiments are not particularly militaristic, is the utter importance of appearing as dull, a stupid, submissive, and sheepishly loyal as possible. The officers and doctors whose diversion it is to harass you, upon noticing these characteristics, will immediately brand you as a good Army "material" and will refrain from directing their animosities at you and will transfer them to someone whose appearance betrays his intelligence.

In all, the Draft physical is an inspiring addition to a person's repertoire of experiences. Aside from giving him the opportunity to meet "a swell bunch of fellows", see a whole test tube of his own blood (just like those bottles at the County Fair!), and gratify his latent exhibitionist tendencies, it brings a man face to face with the fact that draft systems, armies and wars must, in this day and age, deal with soldiers, and not human beings.

are running with ideas and enthusiasm for the future. It's a sad sight to see so many positions running unopposed, but it points to a definite problem that next year's board can tackle - encouraging leadership and more active participation in Student government by the "lay student"

Comments

Congratulations to John O'Kane, who deserves even more honors than he receives. We're very lucky to have him around.

Chuck Smith placed 5th in the long jump at 18'1 3/4" and lith in the javelin with a toss of 127' 6 1/4". Brett Willoughby placed behind Smith in the long jump at 18' 13/4" and a step behind Lyons in the 200 at 10.75.

The Cindermen travel to Manchester on Saturday and close out the season next Saturday at Butler.

TENNIS

The Donismen romped over Villa Madonna last Saturday for the second time this season by the same 7-0 score. M.C.'s singles men, Dan Eha, Joe Lustig, Rich Kesch, Steve Stafford and Joe Mellen were victorious and also the doubles of Lustig-Eha and Kesch-Stafford.

Fortunes changed for the worse at Rose Poly as the Engineers bumped the Kfights 5-2. The only Marian winners were Dan Eha in the singles as he beat his man 6-1 and 6-1 while the Eha-Lustig combo beat their opponents 6-2 and 6-4.

Butler dropped Marian's standard to 2-8 with a 7-0 whitewash at Butler. No men scored of course.

Monday the Donis boys entertain Northwood and follow with a Tuesday date with Bellarmine in Louisville. Thursday brings a rematch with Rose Poly at Marian and then the Knight metters finish their season with a tilt with Southern Kentucky. Previous encounters with these opponents have been fairly close so a little friendly encouragement from the many M.C. followers could provide a little advantage for the home team. Try and help out.
