YEA TEAM!

Marian cheerleaders are cheering and yelling their lungs out for the team at all the games, but the students aren't with them. In fact, they are not even there! How about showing the team that you're really behind them by going to all the games and cheering with all your might.

You will have this chance Saturday night, when Marian meets Indiana State. The game will start at 6:00 P.M. at Terre Haute.

LUNCH LINE

The Cafeteria line is not a social line-up. If you have friends, please meet them at a table, and do not squeeze them in line ahead of you. Those poor hungry people in the rear waiting are not amused at your gracious gesture.

C.S.M.C.

The C.S.M.C. wants to thank all those who helped in the clothing drive before Christmas. There is still a great need for children's clothing, so help out all you can.

WARNING

Page 52 of the current Marian College Bulletin reads as follows:

"All accounts must be paid in full before a student is admitted to examinations at the end of any term."

Students are asked to call at the Business Office NOW to check financial accounts. This will avoid any embarrassments on the day of examinations.

CALLING ALL MALPS

Cut-rate cuts (haircuts, that is.) Shop soon to open under the very capable management of George DoHart and Steve Gerard.

Make appointments. They might be filled up for months in advance. No references are required. Just tell them MUGS sent you.

BOOK WORMS

We book worms are hungry for those overdue books. We will get you sooner or later, so please bring back all books and periodicals that are overdue.

WANTED

Any student who has ability to play a musical instrument and who desires to play in the Marian College Orchestra, please give your name to Sister Ruth Irma. The Orchestra is in dire need of musicians! Let's help Marian to have an Orchestra. The Orchestra meets every Tuesday evening at 7:45 in the Auditorium.

BIG SPLASH

Our first swimming meet will be held Saturday against Indiana State Teachers College. It starts at 11:00 A.M. at the I.U. Medical Center. Come out and cheer.
Hey, kids—what about Benediction on Fridays? Seems like attendance is falling off. How about going to Benediction first—then going out to lunch. There is a lot to pray and be thankful for.

NOTE

To avoid confusion, the dates of all activities should be given to Mary Jo McHugh so that she can submit them to the Student Board for approval.

Watch the Bulletin Board on Thursday—if you care to hear a deaf-mute speak!

Father Gaffney, S.M.M., will address all interested persons about his life as a son of a deaf-mute—how he learned the sign language, its value to others, etc. It is tentatively scheduled for Thursday at 3:30 P.M. in Room 206.
