RETREAT SCHEDULE

ON MARIAN'S CAMPUS----

January 28-29  Men's Retreat
January 30-31  Women's Retreat

At Fatima -
Retreat starts Tuesday evening,
January 29 and ends Thursday afternoon,
January 31.

At Alverna - Retreat for men begins
Monday, January 28, 8:00 p.m., and ends on Wednesday, January 30. Anyone interested should contact Terry McGlinchey or Father Courtney.

Everyone is expected to make a retreat at sometime during the school year. If you have not done so already, you must attend one of these held between semesters.

REGISTRATION

Due to the four-day retreat schedule registration will be on February 1 instead of January 31, as listed in the catalog. If at all possible, the Seniors and Freshmen are asked to register in the morning and the Sophomores and Juniors in the afternoon. This will help keep those lines short enough to be endured.

You are reminded that the Church Unity Octave is from January 18-25. Watch the bulletin board for time of devotions at Marian.

Student Board Minutes

The regular board meeting was very brief since there was not much business after vacation.

A report on the discussion of the use of class dues was given. Several suggestions were listed as ones to be used at a student-administration meeting.

The Religious representative said that the various groups on campus were being contacted in hope that one of them would sponsor the work at the Maria Center.

It was decided to buy equipment for the lounge necessary for social functions such as candleholders etc.

THE CARBON

January 16, 1956
For suspense, Marian will have one of the plays from Play Production class directed by Anne Diener 157 at our regular assembly this Thursday at 10:30. The name of the play is "THE MONKEY'S PAW" and those participating are Tippy French, Larry Hammerstein, Mike Kramer, Bernie Sheehan, and Joe Turk. Also assisting with the production are Regina Fehlinger and Margaret Winsor. We urge you to be prompt as the play will begin on time.

From one of our readers comes this poem for those who are easily influenced by others.

The Centipede was happy quite
Until a toad in fun
Said "Pray, which leg goes after which?"
And worked her mind in such a pitch,
She lay distracted in a ditch,
Considering how to run.

The official listing of final exams reminds us that bluebooks are in the bookstore costing the fantastic sum of 2¢ per book.

Complaint Dept.:
Why do people get angry before meals in our cafeteria? Because -- so many of their friends and other people's friends manage to get ahead of them in the lunch line. Patience, friend, the food will taste the same, early or late.

The CSMC will journey to Madison, Indiana, Sunday for a meeting with other CSMC units. Marian will have nine students attending. In all there will be at least 86 from the Indianapolis area. The meeting will be held at Shawe Memorial High School.

Don't worry about finding your station in life -- someone will tell you where to get off.

Basketball Scores

The Knights have shown their best playing recently to the delight of all the fans. Last Saturday's triumph over Aurora of 93 to 86 in an overtime game has been the highlight of the past week. Last night's loss to Franklin, 61 to 60 was hard to take but the team showed real skill. They had the lead at the half, and after that the lead changed ten times. (One time too many of course)

Games on schedule before next issue:
January 31  Oakland City  There
February 2  Vincennes  Socina

Yearbook Crisis

Interested in having a yearbook, The Marian, again this year? If so, help the group get the ads and subscriptions necessary to cover the expenses. So far, there has not been enough aid from the students in this matter to help the staff. The plans for this year's annual promise to make it a real achievement. If you have any ideas that will help, see the staff members this week.

The discussions on the use of class funds seem to have been rather hasty to refuse all propositions. Some of the ideas have been worthwhile and deserve more consideration than they have been given. Whatever the final decision of the committee is, we hope that all will give it a try at least for a year to give a real test.

Contrary to popular opinion, ye merry old editors of this gab sheet do study, at least now and then. Hence, no more Carbons until next semester.
