ELECTIONS

The Student Board elections are coming up soon and we urge you students to please vote. This is your chance to do something, instead of just sitting around and wishing that this or that would be changed. Vote. Get up off your chairs!! Don't leave it up to "George!" Maybe he doesn't see things the same way you do, or are you just too "cotton-picking" lazy to drag up to the balloting room and mark a few X's?

Please---don't just sit and hope and wish! VOTE in the coming elections!

FISH FRY

(Or the Marian College Tertian Frolic.) This clambake (minus clams) will be this Friday from 6:00 to 11:00 p.m. The fish fry will be from 6-7:30 in the Mixed Lounge with the dance from 8-11:00 in the same place. An added attraction of a cash door-prize is offered.

It costs a buck a head of two dollars a couple (unless you drag someone with two heads!)

FLORIDA

A bunch of Marian College students descended on Florida in a thundering herd during the Easter vacation. These students, well-known to all, spent a few luxurious days basking in the light of old Sol and a few luxurious nights backing in the light of Bev Mode Greg Shoppe.

We don't know exactly who these people were, but if you'll just go around slapping backs and collecting gears and wild gesticulations, you'll soon find out.

Happy Peeling!

SADIE HAWKINS

On May 4th, there will be a Sadie Hawkins Day Dance in the Mixed Lounge. Now for all you city people, such a dance is where the girls not only ask the fellows to go, but also make corsages with their own two, little, lily-white hands. Not a normal corsage either, but one made of anything other than flowers. Sounds like fun!

BARD OF AVON

The great bard utters these words of wisdom: "People who live in glass houses shouldn't!"
The regular meeting of the Student Board was held on Monday, April 9, 1956. The meeting was opened with a prayer by Sister Karen. Role was taken. Judy Zipp was absent. The Treasurer's report was read and accepted.

The N.F. delegate reported that Nazareth College was holding a regional congress. This is the last N.F. meeting of the year. The C.S.I.C. delegate reported that the stamp drive is ending Wednesday, April 16th.

Dick Beck reported that the Freshman Class was sponsoring a Variety Show for the student body on Sunday, April 15, at 8:00 p.m. Admission is $35¢ per student.

Nominations for president and secretary were then in order. For President: Jim McLaughlin and Emily Murray. For Secretary: Mary Ann Schmitz, Bernie Sheehan, Paul Fox, and Maureen Peeney. Candidates for nominations for the offices of vice-president and treasurer were accepted, but the nominations were left open until next meeting.

Therese moved that the Student Board give $63.50 in aid to the Fioretti for their second publication. Bernie seconded. After discussion, Emily moved that the motion be tabled until next meeting, motion carried.

The motion for adjournment was then in order. Jim McLaughlin moved the meeting be adjourned, Bernie Sheehan seconded, motion carried.

BASEBALL

Seems that St. Joe not only played us two games, but at least a dozen. We have asked twelve different people if they know the scores of the games and received twelve different answers.

Can it be they don't want the score known????
