.............MEET THE CANDIDATES..........

To acquaint the student-voter with the two candidates seeking the office of
president of Marian College Student Association at the polls Tuesday, April 24,
we present them in the light of their activities on campus.

EMILIE MURRAY - This year Emilie served on the Student Board as N.F.C.C.S
representative. Board committee experience for the term included Orientation,
Parent's Day, Christmas Party, and Student's Handbook. In addition to this, Emilie
represented our school at four regional N.F. meetings, worked as assistant editor
of the Fioretti, and sang with the Bell Canto Ensemble.

JIM McLAUGHLIN - As publications representative, Jim was a member of the Student
Board. In this capacity he aided the Parking Problems Committee, and the Ping-
pong Committee. This term Jim was one of the editors of THE PHOENIX and acted as
Marian delegate last fall at the Associated College Press Conference. In the line
of sports Jim was an active member of the Marian swimming team.

.............THE CANDIDATES SPEAK..........

Though neither candidate promotes a staunch platform they have voiced their
opinions on a present campus controversy of thought.

Emilie Murray: "As a student production the Variety Show comes first under the
jurisdiction of the Student Board. If the college as an institution presents the
show to the public, approval by the faculty should be obtained on questions of good
taste and decency. However, as a Variety Show or necessity is a production of a
light and humorous nature, decisions on the style, tone and manner of presentation
are the concern of the students."

Jim McLaughlin: "The board deals specifically with student activities. The
Variety Show is a student activity and therefore falls under board jurisdiction.
But, in as much as a public show, such as this, would be representative of the
school, the faculty should not be left out. In my opinion the board could act on
this issue under the watchful eye of the faculty moderator. This way both sides
would be represented.

ELECTION

To give the students some idea of the
qualifications of the candidates for sec-
retary of the Student Board, here is a
summary of their activities,
BERNIE SHEEHAN - Phoenix Staff, Student
Board Sec., "M-Men's" Club, Swim team.
MARY ANN SHANTZ - Freshmen Class Sec., Home
Ec Club, CSMC, Red Cross and Sodality.
PAUL FOX - NF Regional Treas., ACS member,
Co-Editor Freshman Issue PHOENIX, Latin-
German and World Affairs Clubs member.
MAUREEN FEENEY - CSMC president, Board mem-
ber - two years, ARA, Co-editor Freshman
issue of PHOENIX, ACS, World Affairs Club.

Y'all come to the A.R.A. Square
Dance on Friday, April 20th in the Mixed
Lounge from 8-11:30. H enry Hoshe will
call for the square dancing, but round
dancing will also be featured. You can
jump around all night for fifty cents!

THE BARD OF AVON

He's asking for it this time:
"It's not letting the girlfriend have
the last word that worries most fellows,
it's waiting for her to get to it!"
This morning at assembly period, Father Bosler, editor of the Indiana Catholic and Record, which is noted for its employment of nothing but the greatest literary minds, will speak to us on "Labor Problems." Could be our fair moderator had a finger in this??

NOTICE

If lack of space doesn't prevent it, the CARBON will be completely rejuvenated. By this we mean ORGANIZED!

There will be four major sections: Club Activities, Entertainment, Sports, and General Interest. We are looking for capable material, or if you prefer, people to head each department. One person will be responsible for one section. If you think you are capable, we will be glad to talk to you anytime—anywhere!

CHEMISTRY LECTURE

On April 22, Dr. T.P. Carney, Vice President of Lilly Co., will present the A.C.S. Student Affiliate Charter to our newly-formed chapter. Dr. Carney will speak on Research Problems at Lilly's.

Time: 2:00. Place: Chemistry Department. Everybody invited!

* * * * * * * * * *

IMPORTANT

There will be a meeting of the M-Men's Club this afternoon at 12:00 in the Physics Lecture Room. All the letter winners of last year are urged to attend. Important business will be discussed.

* * * * * * * * * *

LOOK OUT!

Look out for the Chemical Progress Week displays to be found in the lobby of the Auditorium. These exhibits are being sponsored by the Chemistry Department of Marian College. Chemical Progress Week lasts from April 22 to April 28.

NIGHT LIFE

The variety show presented to the students Sunday night was a success as far as most of the students are concerned. Those who didn't like the show seem to be those who want to criticize, not be entertained. We of the CARBON feel that a good job was done by all despite a few weak spots in continuity.

A note of interest—up until 1:30 Sunday afternoon the first act was completely different than what was presented. In four hours the "kids" changed it to the hilarious organized disorder you saw. Good, huh?

BASEBALL

Still smarting from the St. Joe defeats, the baseball team took on X.U. last Saturday. To their immense relief they were beaten only 13-1.

Saturday the baseball team journeys to Covington to play Villa Madonna. Wonder how least they will be beaten?
