SADIE HAWKINS

PRO

If a poll of public opinion were taken, I am quite sure that the results would be overwhelmingly in favor of this yearly event, The Sadie Hawkins Dance.

Not only the girls, who sponsor it, but also the boys, who attend, enjoy this event as something of an adventure. The girls learn the troubles and unforeseen accidents which can come up to delay a date's arrival--the boys find out that nobody enjoys waiting for someone to pick them up. By reversing the role, both become a little more sympathetic and understanding of the other. Rumors seem to confirm that everyone attending had a real "ball!"

CON

It is below my powers of comprehensions that students who insist on being cultured and civilized should deliberately surround themselves with such a crude environment.

They subject themselves to the low influence of the surroundings, attire themselves with hideous costumes and go wild over the most integral of this noisome spectacle, that of reversing the boy-girl role. This is one of the phenomena that is peculiarly incomprehensible to our foreign students. Viewed from an anthropological standpoint, it is indeed a wierd ritual.

There are many opinions, both "pro" and "con" on the above issue. We have tried to present two people's opinions on the matter, but we'd like to know just what the thought of the students is on the matter. How about some mail, giving us some concrete ideas on this issue?

Remember---"Everything don't cost nothing!"

The regular meeting of the Student Board was held April 7th. The NF delegate asked for suggestions for junior delegate to the NF and press commission chairman. The CSMC delegate reported that the CSMC is going to put a year end report. The Sodality delegate reported that the Blue Army is continuing its campaign for the conversion of Russia. Sheila Mears reported that the Commanders are going to play for the all-school dance on June 1. They will bring five pieces and play from 9-12:00 for \$70.00.

Maureen moved that a twenty dollar limit be set on decorations for the all-school dance. Motion was seconded and carried.

Joann announced the results of the elections:

Sheila Mears--Vice-president

Maureen Feeney--Treasurer

Emilie moved that depending on the budget, the Student Board purchase flowers for the Queen and the members of her court and that this be decided by Friday of this week. Motion seconded and carried.

Therese moved...that May 16th be accepted as the date for the performance of Christopher Lynch, Irish Baritone.

The Board then entertained a discussion concerning the issue whether or not classes be allowed to carry over a treasury in excess of class dues from year to year. It was decided to take a petition to see if the students really wished to change this custom.

Motion for adjournment was made. Motion was seconded and carried.

ATHLETIC AWARD
DINNER

On May 15th at 6:30 p.m. in the cafeteria, the Marian College Parents and Friends Association are giving a dinner for all those budding young athletes who fought so valiantly for Marian during the sports year.

Members of all the varsity teams will attend the dinner as guests of the Parents and Friends Association. (Names of guests are posted on the bulletin board.) Tickets for the public are on sale at the Bookstore for \$2.00 a plate.

Were you frightened when you saw all the strange young men dressed equally strange? You shouldn't have been. They were just the athletes of this year being subjected to the juvenile initiation of the "M-Men's" Club.
