Motto for the Week...

Use your head; it's the little things that count.

This week's orchid goes to that handsome man about the cafeteria - assistant manager - Ronnie Bennett.

A whole bushel of onions this week to those students who can't find time to attend Friday Benediction.

Only 13 days 'til Mid Term!

Sadie Hawkins...

Scoop to all the Marian Girls - it's been rumored by Daisy Mae and the rest of the Dampatch Alley Gang that the big day is just around the corner. In case you're not up on the latest doings of the Yokem clan, we're referring to that day of days when the weaker sex has a chance to pay for the moonshine and the merriment of the stronger sex.

The big day is Friday, November 15th and the place is the Mixed Lounge. Remember, jays, the early bird catches the worm (no offense meant, fellows).

Concluding Events:

Oct. 30 - Resident's Halloween Party
Nov. 1 - All Saint's Day - Free
Nov. 8 - K-Club Swimming Party
Nov. 11 - Mid-Term Tests
Nov. 15 - Sadie Hawkins Dance

If practice means anything, and who'd deny it, we should have the best darn basketball team in the whole state when the season opens. You guys keep up the work and when the season begins, we'll be there to cheer you on to the victory you deserve. (Won't we, gang?)

Congratulations...

M-Club elections came out with the following: sweater men on top:
President... Don Delhart
Vp... Bob Wynkoop
Sec... Louie Ripperger
Treas... Mike Kremer

Good luck, fellows. We'll be waiting for your serenades soon.

******************************************************************************

Ronnie: "Did anyone ever tell you how wonderful you are?"
Bottie: "Don't believe they ever did."
Ronnie: "Then where'd you ever get the idea?"

******************************************************************************

TO BE OR NOT TO BE...

"To be, or not to be; that is the question."

Whether 'tis nobler for an Annual
To suffer the slings and arrows of
OUTRAGEOUS NEGLIGE,
Or to take students against this
SEA OF INDIFFERENCE,
And, by hard work, end it.

This is the voice of our own
Annual whe we are hearin'. Is it to do at our hands? The biggest problem now
holding up the M.A.N.H. is the lack of
people willing to head the staff. It
seems that out of 400 students there are not 40 who will take the job of
editin the M.A.N.H. What's your excuse?
Student Board minutes...

Thursday, October 24, the Student Board held its regular meeting. The Board passed the following resolutions:

That a sum of $200.00 be appropriated for the use of the Intramural Activities Committee for the year's intramural sports program.

That the parking rules that were established last year be adopted for the school year 1957-58, with the exception of those rules which would be rendered ineffective by previous motion of this year's Student Board.

That the possibility of distributing extra copies of the 1957 MARLIN to high schools and interested groups be investigated.

TIP.....

REMEMBER, IF YOU BRING FRIENDS TO SCHOOL FUNCTIONS THEY MUST HAVE GUEST PASSES, THEY WILL BE CHECKED.

The Parking Committee would like to remind all drivers that $2.00 tickets will be issued as fines to those not parking in their assigned lots.

Fact In Fantasy....

It's a fact - Catholic Youth Week opened Sunday. This is your week. Let's see you do your part.

It's a fact - Friday is a free day.

It's a fantasy - All Fr. Stinson's classes have their term papers and book reports finished!

CSHC Meeting - Nov. 5 - 6:30 p.m. Assembly Room

This meeting will consist of a panel discussion on "Phases of Communism in China." The subject is timely, the company couldn't be better. It's for you to make this discussion the success it could be. All actively interested students are welcome.

INTRAMURAL

Mural Committee...

Al Miller - Chairman
Larry Ittenback
Al Neves
Dave Foley
Bill Murphy
Larry Kyle
Bob Wynkoop

Purpose...

To direct all intramural activities, draw up rules, and make schedules.

The sports that are now definite are Football, Basketball, Volleyball, and Softball.

The sports that are being considered are Waterpolo and Ping pong.

Intramurals are open to all non-varsity players.

Let's get behind the committee and make this an all school affair. If you aren't interested in playing yourself, get out and cheer on the ones who are. Very few people in this school are aware of the Football history being made every Sunday afternoon behind the gym. The way things stack up at the moment; Joe Kehtz and his wild bunch are in first place. John Armington and his fine group are just one game our of first place.
