The M-Club will sponsor the dance being held tonight. This is the first attempt on the part of the Lettermen to elect a queen, so it could be considered one of the more novel social events of the year. Those vying for the title of reigning royalty are: Shirley Bill, Sharon Sweeney, Dodi Urban, Katy Armin-ington and Karen Forszta.

Reminder About Sunday...Our Parents Day

Our parents have sacrificed to send us through school, let's show them our appreciation by personally conducting Mater and Pater on a tour of the campus. After all, where would we be without good old Mom and Pop. Be sure to com

I NEVER SAID IT WIS

dance committee for it to be understood
that the Deux Arts Ball is definitely
not a dance, no I mean it is definitely
not a dance. It will be similar
like for all those "CHICKEN" to we
costumes. This year the prizes will
awarded on the basis of the best reper-
ton the character involved and
not on a basis of beauty, comedy or an
criteria. The prizes will be a pair of
tickets to one of the shows in town or a
picture in the MANTAN. The dance
will be held on October 30, the eve of
Halloween which is the eve of all Saint
day. The admission will be 50c a person
and the affair will begin around 8:00
and will end with the bewitching hour.

ST. V'S VARSITY DOWNS MARIANS' IN A
HARD Fought VOLLEY GAME WHILE THE
RESERVE FROM MARIAN TAKES THE MID

The girls from St. V'S were too
much for the Maids last Tuesday nite as
their varsity beat Marian in two sets
6-5 and 9-5. The team worked excell-
ent and the game was just plain GOOD.
A brighter side of the evening was the
convincing 11-0 and 11-5 win the Marian
reserves captured from the Nurses.

WHAT MOM AND POP SHOULD NOT SEE........
While walking through the mixed
lounge yesterday I chanced upon a rather
decomposed banana peel which caused my
immediate descent to the floor. Seeing
the floor for the first time from this
angle I noticed it looked much as a back
room in some grocery store might. And
what even more surprised me was the
apathy with which the BOUNCE SCORPIONS
who were present observed the situation.
Apparently they were under the illusion
the lounge was a restaurant. I mean
that's face facts the 'Yield' looks 100
times better, cleaner and more hunting.
I'm sure you would not like your parents
so view this DISGRACE TO THE CAMPUS.
And lets not just keep it clean for one
day, but from now on set where food is
to be eaten, we would have to be forced
to mention names but in that is the only
way to get action........NOTE PLUS

Forty two years ago today on Oct.
23 1917 the first American ship in
World War I was fired on. When one sees
that the United States declared war on
Germany on April 6, 1917 and the actual
fighting did not get underway until 6
months later one wonders how much time
we might have if World War III comes.
DAYS? HOURS? MINUTES? Maybe not even
SECONDS. I guess we can only pray that
we will not have to consider that time
clement.

last minute. I UNDERSTAN that THE
GREAT SOPHOMORE CLASS IS LEADING THE
