THANKSGIVING.

"And God said, Let us make man, wearing our own image and likeness; let us put him in command of the fishes in the sea, and all that flies through the air, and the cattle, and the whole earth, and all the creeping things that move on the earth."

WE THANK THEE, LORD.

"We at last landed but that land is not now known... It is named America and there we saw many wonders of beasts and fowls that we have never seen before."

WE THANK THEE, LORD.

"We hold these truths to be self-evident: that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty and the pursuit of happiness."

WE THANK THEE, LORD.

"Behold the handmaid of the Lord... And the Word was made flesh, and dwelt among us.

For these and for all our blessings,

O LORD, WE THANK THEE.

C.S.M.C.

Catholic Students Mission Crusade

An education for a quarter a year that's what is offered to every student of Marian College. It is yours simply for the asking by actively participating in the C.S.M.C. Your dues are paid in the student activity fee. All that's needed is your time. Besides gaining useful information at the discussion groups, the C.S.M.C. sponsors social functions. The proceeds from these activities go to the missions and other special projects connected with the spreading of religion. Interest in this organization, besides being of personal benefit, can help those less fortunate than we. Watch for meeting dates on the bulletin board.

The intramural basketball season got off to a fast start last Sunday with three good games. Spectators saw a full afternoon of outstanding basketball. Charlie Deiter and Vince Henn were top scorers for the day with 20 points each. Winning teams were Piston 51-38, Hawks 46-45, and the Lakers 60-33. The climax of the afternoon was the clash between Bill Brady of the Lakers, and Bernie Dever of the Knickerbockers. Brady, with his unique form, and Dever, who was evidently confused (he made three touchdowns), almost caused a riot.

Sunday's schedule is, Lakers vs. Celtics at 1:00, Pistons vs. Knickerbockers at 2:15, and Royal vs. Hawks at 3:30. See you there!

Don J.   "Say, where have you been all my life?"

Marilyn J. "Well, for the first half I wasn't born yet!"

SEE YOU AT THE GAMES...
