WHAT TO BE THANKFUL FOR by Louis Bromfield

OH LORD, I THANK YOU for the privilege and gift of living in a world filled with beauty and excitement and variety.

I THANK YOU for the gift of loving and being loved, for the friendliness and understanding and beauty of the animals on the farm and in the forest and marshes, for the green of the trees, the sound of a waterfall, the darting beauty of the trout in the brook.

I THANK YOU for the delights of music and children, of other men's thoughts and conversation and their books to read by the fireside or in bed with the rain falling on the roof or the snow blowing past outside the window.

I THANK YOU for the beauties of the four seasons and of the churches and the houses built by fellow men that stand throughout the centuries as monuments to man's aspirations and sense of beauty.

I THANK YOU for the powers of mind which find in the universe an endless and inexhaustible source of interest and fascination, for the understanding of so many elements which make life precious.

I THANK YOU for all the senses you have bestowed upon me and for the delights which they bring me. I thank you for my body itself which is so wonderful and delightful a mechanism.

I THANK YOU for the smile on the face of a woman, for the touch of a friend's hand, for the laughter of a child, the wagging tail of a dog and the touch of his cold nose against my face.

THANK YOU, GOD, FOR LIFE ITSELF, WITHOUT WHICH THE UNIVERSE WOULD HAVE NO MEANING.

KNIGHTS DROP TWO...FRANKLIN IS EARLHAM TOURNEY WINNER...BUT WATCH OUT!

Even in loosing, our basketball team shows alot of promise. Sure we lost our first two, but there is no shame in loosing to those 'B' ball powers Anderson and Franklin. Coach Fields used almost every man on the team in both games and in the first game we led all of the first half and most of the second until a rash of fouls let to our being taken over by the Grizzlies. But past history is past history. Our present record 0-2 does not do justice to our playing skill. We have a few 'kinks' to work out and as play goes on we will improve a great deal. For those of you who did not journey to the games, you will have an opportunity to see the Knights in action on their home floor this coming Sunday. (CONTINUED LEFT SIDE BOTTOM HALF OF PAGE 2)

SOME THINGS TO THINK ABOUT..AND ACT ON!

To have a good yearbook takes money, to have money takes patron ads to have those takes your help. While you are home on vacation get some ads. So far the residents and nurses haven't turned in 1\$. The Fr. have \$11, Jr. \$12, Vets. \$25, Soph. \$29, and Sr. \$31. A GRAND TOTAL OF \$108. To have a real good book much more is needed. Vacation Time is Ad getting time.
