THE VOTING CARBON

SPRING—WHEN A YOUNG MAN'S FANCY...

April 9, 1965

VOTE

Today YOU, the members of the student body, have an opportunity to vote for the candidates of your choice in the Student Board elections for the offices of President, Secretary, Inner Club Council President, and Publications Representative.

For the past week the candidates for these offices have been campaigning for YOUR vote. The issues are at hand and the decision is YOURS. For the type of leadership YOU want next year, make sure your ballot is cast. Remember—YOUR Student Board reflects YOU.

JUNIORS AND SENIORS!!

On Saturday, May 1, 1965, (only three weeks away,) the annual prom is to be sponsored by the Junior Class as their farewell gift to the Seniors. Reservations are being taken in front of the auditorium between 11:30 and 12:30 until next Tuesday and all day Wednesday, April 14.

The event is free to both Juniors and seniors IF reservations are made. Otherwise, \$3.00 will be charged for admission. The reasons for this are obvious. The girls must know if they are going ahead of time in order to be prepared; and the only way the Juniors can put on a well-organized and enjoyable evening is to know who and how many students are to be there.

Thank you for your cooperation and may everyone enjoy themselves immensely!

REMINDER:

Don't forget that the Junior Class is sponsoring a car wash this Saturday, April 10 between the hours of 10:00 a.m. and 4:00 p.m. The charge is \$1.00 for all cars.

MISSION PROGRAM:

Anyone interested in participating in the Summer Mission Program, please contact Sr. Margaret Ann.

The CARBON wants to know:

Why has Tom Egold been having trouble with his dates lately?

I TOLD YOU SO!

Late last month the Student Board appropriated money to enable six Marian students to travel to Alabama and participate in the freedom march from Selma. We're STILL patiently waiting for the proposed assembly by the Selma marchers to inform us of all the good done by all our money. Must we wait 100 years?

WITH TEARS AND LAMENTATION

Dear Friend Freddy (Carr),

There has been much controversy in the CARBON office over your attendance at our weekly journalism seminar. While we realize that you are our roving reporter, we feel that you are mostly roving.

You are fired.

Mrs. Carr, your lovely son's a fink.

It's been fun,
The overworked
reporters & typists.

ESPECIALLY FOR THE DORMIES

Mother says I musn't smoke,
I don't.
Or listen to a naughty joke,
I don't.
From all men's clutches I must shrink,
Nor must I ever even think
Of taking a forbidden drink...
I don't.
Other girls have lots of dates,
I don't.
They drink and smoke and stay out
late,
I don't.
Bad company I always shun,
From all temptation I must run!
You wouldn't think I had much fun...
I don't.

NO VOLLEYBALL THIS WEDNESDAY!

MR. ARNOLD MOSS

The Convocations Committee should be congratulated upon the assembly Thursday.

Mr. Arnold Moss's presentation was thoroughly enjoyed by one and all.

It would have been ashame if this assembly hadn't been required because many students would have missed a delightful experience.

Perhaps if all assemblies were of this calibre it would not be necessary to require attendance.

ANOTHER TRIP

After nine weeks of grueling rehearsal and Sister Mary Jane, the cast of "Long Day's Journey into Night" venture upon the stage. Not only is the powerful drama a master work of the theater, but all the nasty words have been left in. There's no dancing, nor any music--just the warmhearted story of drunkenness, dissipation and dope addiction. It's the type of homey fare that college students appreciate.

There's nothing so relaxing as an evening packed with depression.

And if you thought this article wasn't going to be serious here are the ticket prices:

People--\$1.00 Faculty Age--\$1.50

Tonight and Sunday have been set as the production dates. Those coming on any other days will be able to enjoy all the drama of a bare stage.

The curtain rises at 8 P.M. unless the rope breaks again.

HAIL TO THEE, OLD BAGS

Marian's "diamond nine" will bus to Hanover for a double-headed conflict tomorrow afternoon. Such standouts as Fred Car*, Chris Sweeny, Duke Hynek, Tom Cardis, Joe Hudson, Red Baker and others not mentioned will be guided by John Harkins in the '65 season opener. Best of luck and many homers to you!

This week the CARBON again diverts from the realms of the faculty and moves into its own tightly knit group to salute its now absent editor. Who would suspect that beneath his red hair rests the brain of one of the most fearless journalists in Marian's annals. Quiet and reserved, this debonair man about campus; this student statesman; this Thomas Paine of Marian has time and time again risen to the plateau of true journalism in defense of the rights of the common man.

Who will ever forget his faculty salutes, his slashing CARBON editorials, or his smashing attacks on the Beard and all others who have stood in his way.

Yes, he is the true example of the old adage, "the pen is mightier than the sword." He has truly made his mark(MB) in Marian's hallowed halls.

The CARBON salutes this man from Richmond and though, come June, he shall no longer write for the CARBON, we wish him success on his future undertakings.

Yes, Mrs. Brown, you've got a lovely son!

THANKS

The English Department expresses sincere appreciation for the support given the Fine Film Series. Special thanks are due to the Players, particularly Jack O'Hara and Pat Welsh, the projectionists, and to those who helped with tickets and with coffee. We look forward to your support again next year.

MORE USELESS INFORMATION:

"THE BEARD" will henceforth be known as the FACE.

Jack Essling is now "NO. 1 Beard on Campus."

Tom Egold has named his dog after himself---"stupid".
