FROM ALL OF US

TO ALL OF YOU

THE NEW CARBON STAFF

SAYS HOW DO YOU DO.

HELLO---HI---AND GREETINGS

Our first duty as the Carbon's staff should be to introduce ourselves. We, your humble servants are; Larry Bowman, IDIOT-IN-CHIEF; Alice Bonvillain, BRIDGE-EDITOR; Boots Stark, ASSISTANT IDIOT; and last but not least (thank goodness) Jody Marks, THE ASSISTANT IDIOTS', ASSISTANT IDIOT. (P.S. THE BRIDGE EDITOR IS AN IDIOT ALSO)

We feel our second duty is to apologize to the students for the second rate reading material they were being subjected to under the former staff. It was plain to see they had to go. While we can not be held responsible we do feel guilty about it. But now that we are here we will do our best to put the Carbon back where it belongs. After all it was only a need for new younger blood and the Carbon has plenty of that now. (NO WE ARE NOT CLAIMING TO BE VAMPIRES)

The former editor would like everyone to think he quit of his own accord so he would have more time to study. What really happened was there was a PURGE and he got the ax. Mr. 'X' was so angry about being relieved of his post he hid the pencils, paper, typewriter and alks seltzer which the Carbon uses. It took us four days of searching but we finally found them in the tree house in his back yard where he had hid them in his toy chest. (MY, HOW CHILDISH!!!)

AT ANY RATE WE WILL TRY OUR BEST TO SERVE YOU AS BEST WE CAN. WHICH MAY NOT BE VERY GOOD BUT THAT WILL BE SEEN.

"SEEK AND YE SHALL FIND"

To celebrate the change of staff the Carbon is offering something new this fall. From today at 3:30 there will be hidden somewhere on the Marian Campus a blue envelope with the words THE CARBON 1959 typed on it. Inside the envelope you will find a gift certificate for the use of the finder in either the bookstore or the PERK.

NO. 3

PRAY THE ROSARY

OCTOBER 2 '59

The gift certificate is worth, as of today, \$1.00 and the value will go up one dime each week the certificate remains hidden. Each week 2 or 3 clues will be given by and in the Carbon as to where you should look for the hidden loot.

When you do find the blue envelope you will discover the amount has to be filled in and the signature of the Carbons' editor is necessary to make it valid. So take it with much haste to Larry Bowman who will fix the sum depending on how long the contest was on and who will sign it. Of course Larry will try to hid from you but as you would guess he can not hide in very many places.

GOOD LUCK AND THE FIRST SET OF CLUES ARE ON PAGE TWO. WRITE THEM DOWN TO KEEP.

C.S.M.C. HOLDS ELECTIONS

As a result of an election held Tuesday and Wednesday Dennis Donahue will guide the CSMC as it's president for this school year. Assisting Dennis will be Pat Mowry, vice president; Boots (OF THE CARBON) Stark, secretary; and Mary Ehringer, Treasurer. The Carbon offers its CONGRATS!

RAIN, RAIN, GO AWAY

No, we did not order the rain Saturday night. It is quite apparent that the only way we are going to have a BEANIE BURN that will indeed burn will be to keep the date a complete secret. This is the second year straight for that awful stuff to fall on our bonfire. ENOUGH IS ENOUGH!

THEY GOT THE WONG MAN

Today we mark the 179th annaversary of the hanging of Major Andre on Oct. 2, 1780. You will recall he was the English officer who was sent by the British to negotiate the surrender of Fort West Point from Benedict Arnold. This was a sad affair and the saddest part was that the infamous traitor Arnold escaped. Too bad it was not he who hung that day.
