CARBON

Once again elections for Student Board officers is upon us. As a service to the Student Body, the Carbon will dedicate the main part of this issue to giving, briefly, an account of the students who are up for the various offices.

PRESIDENT

Judy Hirn - There is no need to try and list the many accomplishments of this candidate. Judy is a hard-working, secondary education major (a math and English combination). In her three years at Marian she has been called on time and again to represent the clubs and groups she belongs to. She has helped with, and is currently helping edit the Fioretti. She has been on the House Committee at Clare Hall and has managed the running of the Maria Center, a project directed by the Sodality. A sodalist her three years here, she is at present Prefect of the Sodality. Last year she represented her class in the annual May Crowning and she is currently a member of the Student Board.

Dick Beck - Dick is likewise well-known to the students at Marian. Currently heading the Veteran's Club, he is a member of the Sodality and is active in the affairs of the school. He was president of his class freshman year and as such, served on the Student Board at that time. He also helped revise the Student Association Constitution. Running on a platform dedicated to the welfare and improvement of the school, Dick hopes to adjust some of the biggest problems still existing, if he is elected.

SECRETARY

Sally Coughlin - Sally is currently holding the office of Secretary of the sophomore class. She is a member of A.P.A. and has participated on the basketball and volleyball teams. Well-liked by all, she was her class's candidate for Queen of the Sweetheart's Ball and contributed much of her time and energy to the success of the dance.

Marguerite Branday - Marguerite is a senior member of the Players and all will remember the credit she brought the school at the Play Festival last year by winning an award for her excellent acting in "Wurzel Flummery." Among her current activities, Marguerite is a member of the Sodality, Great Books, and is helping on the staff of the Fioretti.

Bernard Dever - Bernie is a member of the Veteran's Club and the Chorale. Already beginning to make a name for himself on campus, he contributes most of his efforts in the field of writing. Currently, he is co-editor of the Carbon and a member of the Phoenix staff. He made his first appearance on the Marian stage this year as the "Poor Soul" and followed with his performance as "Snowflake", Santa's helper at the Christmas party. He also took part in the newly formed intermural program.

---YOU---

THE STUDENT BOARD elections are the most important elections of the year. Not only is the Board a go-between you and the faculty, but it makes many of the regulations that effect you every day of the school year. These elections are not a popularity contest, you are choosing people to represent you. You should be completely selfish in your choice, you are not electing them for their own honor and glory but for the benefit of you and the school.

WHAT DO THE STUDENT BOARD OFFICERS DO?

The PRESIDENT is responsible for executing all activities of the board, officiating at all meetings and serving as a member of any student committee. To fulfill these duties the president must have the respect of the student body. The president must be willing to sacrifice time to carry out the projects, should have the ability for leadership, and loyalty to the school.

The duties of the secretary are to notify the students of coming events, record minutes of all meetings, and take care of all correspondence.

At a ROCK-AND-ROLL dance the other night a waiter dropped a tray full of bottles on the floor and eight people jumped up to dance!
